

**KDOR-TV, Channel 17, Oklahoma - EEO PUBLIC FILE REPORT
2-1-07 through 1-31-08**

A station may accumulate the relevant information for the past year (using its internal job vacancy and hiring information) and place a completed EEO Public File Report in the public inspection file annually on the anniversary of the deadline for filing its license renewal application.

Pursuant to the Equal Employment Opportunity rules and regulations of the FCC, and as explained in this station's Equal Employment Opportunity policy: "This ministry is a Christian church and religious organization. This ministry has religious missions throughout the world, ordains ministers, and performs a host of sacerdotal functions. Consequently, hiring and employment decisions are based on religious beliefs and creeds." Within the context of those Christian beliefs and creeds, ministry policy prohibits unlawful discrimination based on race, gender, national origin or ancestry, or physical disability. The ministry has adopted a Statement of Faith, reflected in its Employee Manual, and all directors, officers and employees must be able to subscribe to it, participate in regular prayer gatherings, Bible readings and teachings, and follow station policy, recognizing the need for unity in the spirit as explained in Ephesians 4:1-6: "I therefore, the prisoner of the Lord, beseech you that ye walk worthy of the vocation wherewith ye are called, With all lowliness and meekness, with longsuffering, forbearing one another in love; Endeavoring to keep the unity of the Spirit in the bond of peace. There is one body, and one Spirit, even as ye are called in one hope of your calling; One Lord, one faith, one baptism, One God and Father of all, who is above all, and through all, and in you all."
