JUNE 2007 • VOLUME XXXIV • NUMBER 6

YOUR TBN is blanketing the WORLD with the Gospel with now 66 satellite channels!

TBN ON EVERYWHERE!

"BRING FORTH THE BLIND PEOPLE THAT HAVE EYES AND THE DEAF THAT HAVE EARS...." Isa. 43:8

Glorious news! Breathtaking new technology is becoming TBN's best friend! For 15 years we have had to plead, beg, and PAY to gain cable TV access — except for systems in areas where TBN owns a full power station. Thank God for the Supreme Court that upheld "must-carry" in 1997. **With 33 big, full power stations we have 49,543,761 households on the air free!** But with 48,522,000 cable homes it has been knock down, drag out, and pay incentives to get on the non-"must-carry" cable systems. Many cable systems simply don't want any religion, so they tell us to get lost!

BUT NOW — praise God, with the digital age upon us it seems nearly all the communications

companies such as AT&T, Verizon, the Baby Bells, and others are getting in on the act of delivering TV to your home, plus telephone, and quality Internet connection. But **HERE'S THE AWESOME NEWS:** Through a new technology called "SWITCHED DIGITAL" they are coming to us and requesting to put all five of our networks on their digital systems — ready for this one? — **FREE! Yes, I said FREE!**

The Bell systems, and many still have Bell Telephone, are gearing up to offer you not just telephone, but all the TV your heart could desire, high speed Internet connection, email, plus some new bells and whistles!

A new emerging technology coming into use is called "mobile TV technology." This technology

Paul and Jan's granddaughter, Brittany Crouch Koper, is pictured in TBN's new, state-of-the-art master control room. From this facility we are broadcasting, around the world, seven of the TBN networks: **TBN, Smile of a Child, JCTV, The Church Channel, The Healing Channel, TBN Nejat TV, and TBN Enlace USA!**

brings together over-the-air television broadcasting and the ultimate mobile communications device — the cell phone. In other words, you can receive a television station's through-the-air signal on your cell phone with perfect digital picture quality and sound! The other night I was watching TBN on Paul Jr.'s cell phone via a mobile TV service provider that is carrying all of the TBN networks, again for FREE! We know that few would ever watch a full TV program on such a small screen, so we have agreed to produce short one, two, or even three minute inspirational spots to catch precious souls by "accident."

Yes, dear Partners, the day is almost here when you can have one big screen that will bring everything into your home, probably for less cost than you are now paying for phone, TV, TV cable, the Internet, and something Paul Jr. calls "IPTV"! Don't ask me what that is. I don't even have a computer — and I don't want one!

By the way, high cost cable hit a 17 year low, according to Nielson Media Research, losing 2.3 million subscribers mostly to DirecTV and the Dish Network, which both carry YOUR TBN! Praise the Lord!

Bottom line: TBN is reaching 95 million of the 110 million homes in America! **But the best of that bottom line is PRECIOUS SOULS!** If all this doesn't make you shout "hallelujah" you need a new touch from God! I don't think I have to encourage your rejoicing because most of you reading this letter have made it all possible. How Jan and I love you and thank you for 34 years of faithful support.

Oh, and don't forget the millions watching overseas and around the world. Because of YOU and God's many miracles, we know of over **36 MILLION SOULS** that have contacted us to confess faith in our precious Jesus as Savior and Lord!

The recent Praise-a-Thon was a blessed record. Thank you, again, and as I have said so often: **TBN is debt-free — free to invest every penny into expansion to the rest of the world!**

There are no words to express Jan's and my love for you and the great Voice for God that we have built together. Surely God will bless you for your faithfulness to Jesus' call.

"BEHOLD I WILL DO A NEW THING; NOW IT SHALL SPRING FORTH: SHALL YE NOT KNOW IT?" Isa. 43:19.

Yes, Lord, we know it and are doing it in Your Name!

P.S. By the way, Jan is still healed! The doctor said she had only 6 months to live without radiation and chemotherapy — but **FOUR YEARS later** she is alive and well in Jesus' Name! Hallelujah!

Paul Jr. demonstrates the Internet during a *Behind the Scenes* program. Last year TBN's website received over **500 MILLION** hits!

It is now possible to watch TBN via cell phone through "mobile television technology"!

Paul Jr. attended the recent National Association of Broadcasters (NAB) convention, where the latest innovations in broadcasting technology were on exhibit.

THE DIFFERENCE A FATHER MAKES BY ED TANDY MCGLOSSON

I would not be qualified to write a book like this since my father went to heaven when I was only seven years old, which I wrote about in my book "I Had No Father But God." God in His mercy helped Jan and me rear two fine sons, but oh how I wish I could have had Ed McGlasson's book while they were young!

Bill McCartney, founder of Promise Keepers says it best, "Powerful! Provoking! Penetrating! When was the last time you read a book where one minute you were laughing out loud and the next minute you were fighting back the tears? I, too, wish I had this vital information when our children were young. I'm gift wrapping one for each of my three sons!"

This Father's Day month, learn to guide your children through rites of passage — "Living for Less No More," "Living in the Smile of the Father," "Building God's Smile Over Your Kids," and many more chapters. And don't forget those precious grandchildren who may still be young.

Get it—read it and be blessed, then pass it on to some young parents. Your love gift this month of June will bring this wealth of fatherly wisdom and love to you with Jan's and my love for you, our faithful partners.

LOVE LETTERS FROM AROUND THE WORLD

From Healing Channel viewer in Jordan: "I want to tell you that the Healing Channel has made a big difference in our lives.... We feel like our faith increases as long as we see and hear what you offer. We give God the glory for the channel.... For many of the Moslems who are watching, and for those away from Christianity, what is seen and heard on the Healing Channel gives a living picture of Christianity.... We are so proud of this channel." —MS

From Malaysia: "We in Malaysia value TBN [website] TV, as regular Christian broadcast is not allowed in this country." —MG

From Iran: "My family and I get interested to your attractive programs. We are living in Iran. We are Muslim and we are very tired from unfavorable and imposed religious rules. How do we can change our religion? Please guide us." —M

From Nigeria: "One day I felt sick. I was in a situation that I can't talk, eat, walk.... I managed to watch TBN, so as I was watching something serious happened. I saw a pastor called Benny Hinn preaching, performing signs and wonders, saying some prayers. So I joined him in prayer and I focused my mind, spirit and soul. I did this for a long time before I fell asleep and after some time I woke up just to find myself healed. Since that day my life changed. I am now born again.... I can prove to my friends that TBN is real and can change anybody's life, like how they changed mine." —MC

From the USA: "Thank you for the TBN programming as I was saved, born again, by watching your broadcasts. I don't live in the Middle East or China or India but right in the San Francisco Bay area. I had purchased a home in the local mountains here and it came with an old analog satellite dish and receiver. The subscription had expired, but TBN still came thru...so that is all the TV I watched. It took over a year and a half but the message finally got through my hardened heart.... Praise God. It has been just over 2 years now since I accepted Jesus as my Lord and Savior and God has blessed me in so many ways." —PR
