ANOTHER NATION — BORN!

"HE HATH SHOWN HIS PEOPLE THE POWER OF HIS WORKS, THAT HE MAY GIVE THEM THE HERITAGE OF THE HEATHEN [NATIONS]." PSALM 111:6

Praise the Lord! *Another whole nation may be born again!* A whole new set of miracles has made it possible for an entire nation to see and hear the Gospel of Jesus Christ!

SRI LANKA (previously Ceylon) just off the coast of India is receiving 500 dishes and receivers to receive TBN! Hallelujah! The business plan and details are long and numerous, but be rejoicing with all of us at TBN over the fact that with 500 dishes, at approximately \$100 each, we will be able to reach virtually every household with dear old TBN 24/7! Praise the Lord! Over 100 of the units are already on the air at this writing in late December, *so as you read this newsletter rejoice with me that another whole nation is able to receive the GOOD NEWS!*

Even better news is the fact that formerly we had only TBN and JCTV, but NOW we will be able to add THE CHURCH CHANNEL and SMILE OF A CHILD!

Jan shouts, "HALLELUJAH!" Yes, four great channels covering all of north Asia including China, the Philippines, Taiwan, and the islands of the sea! Praise the Lord!

Dear, dear Partners — the doors to the *whole world* are opening so fast we can hardly catch our breath! Years ago, I had to go and beg and plead our case to get just TBN on the air. Now, they are coming to us asking for not just TBN, but also all the other channels! Someone asked me recently, "Where does this all end?" I said, "ONLY WHEN THE TRUMP OF GOD shall sound and we all rise to meet Him in the air!" Yes, yes, this is indeed Harvest time! Just how long we have to labor only the Lord knows, but

until we hear that great trumpet blast, we will continue to go through every door that God opens to us! Surely the coming of the Lord is near. **With all the other signs that Jesus gave us, we KNOW HE IS AT THE DOOR!**

With all the other doors God is opening, I would not even have time or paper to prove to you: one more satellite channel out of Kenya for East Africa and five more in Tanzania! Of course, the whole continent of Africa is covered with satellite, but we will not rest until all the households, including even the mud huts, are able to receive the GOOD NEWS!

Jan and I want you to know how much we love and appreciate your partnership in this great soul winning TBN network that, now, literally covers the whole wide world! Without YOU we could never have achieved this mega-voice that is reaching multitudes! Someday in heaven precious souls we never knew on this earth will come to you and me saying —

"THANK YOU FOR GIVING TO THE LORD!"

God bless you and, again, thank you for being our Partner in bringing in this great Harvest of precious souls!

Paul

Joel Osteen's program is coming through loud and clear to the whole nation of Sri Lanka!

Hundreds of TBN's satellite receiving dishes—provided by YOU, our precious partners—are being installed in homes and villages throughout Sri Lanka.

Last year Matt and Laurie met with His Excellency Yoweri Museveni, the president of Uganda. TBN has been broadcasting in Uganda since 1997 through our affiliate, Lighthouse Television Uganda.

Representatives from TBN and its affiliated networks: Smile of a Child, JCTV, and The Church Channel attended last year's Asian cable convention in Manila.

**I LOVE you FATHER!
I LOVE you JESUS!
I LOVE you HOLY SPIRIT!**

Dearest Partners:

I want to just fall on my face on my floor and stay there telling God how much I LOVE Him again!

In October, Paul and I returned from two months working at the Holy Land Experience, and because of my 2003 history with C-3 colon cancer, cancer of the appendix, and three out of five cancerous lymph nodes...with NO chemotherapy or radiation (they just removed the tumor), I try to keep up on my tests and love to have the reports of being **healed in Jesus' name** in my hand.

So, I began all the yearly tests again: mammogram, pap, chest x-ray, blood tests, EKGs...all clear. Then the biggies: PET scan — clear and CT scan — **WHOA!** The CT scan showed a group of enlarged lymph nodes right behind my chest wall near my heart and lungs. So I scheduled the BIGGIE test: a BRONCHOSCOPY MEDIASINOSCOPY — they go through the soft part of the bottom of your neck, behind the chest bone, for a biopsy. The doctor's diagnosis was, of course, **NOT good** — possibly lymphoma or full blown cancer.

I cannot begin to tell you how we bombarded Heaven for another miracle. I called my precious brother Benny Hinn and he and my grandson Brandon prayed for me as they ministered in Paris, France. I claimed Isaiah 53, "By whose stripes we are healed." I believed Psalm 20, "May the Lord be with you in your day of trouble, may He remember with pleasure the gifts you have given Him...." I anointed myself with holy oil. I listened to praise and worship music and thanked God for a miracle! **I believed His Word, that it is His great pleasure to heal us.** I received His gift of healing over and over and over. Kim Clement had prayed and taught me to speak to the lymph nodes and say, "YOU HAVE NO PLACE IN MY PROPHETIC FUTURE!" I constantly interceded for a precious lady I know who has untreatable cancer, believing for her miracle. I read the *healing Scriptures* and claimed them as if they had my name written on each one. Our family partakes of Holy Communion at dinner, remembering our Savior and what He did for us. Paul was on his face fasting and believing with me.

On November 25th I was scheduled at Cedars-Sinai Medical Center in Los Angeles. Precious friends who believed with me for my miracle took me. The first thing my assistant, Danny York, said to me that morning was, "This is the day the Lord hath made and we will rejoice and be glad in it."

12 noon: Check-in; 2:00 PM: I was rolled on a gurney through those steel doors and halls into the operating room.

Everyone was dressed in white, covered head to toe. The operation would be done and the biopsy would be checked before I awoke. I was cold, but breathing my Savior's name every moment: "Jesus...Jesus...Jesus... Jesus...Jesus," when I felt something touch me on my

right side. I looked (people, I could not say this if it was not true, but it is), **my PRECIOUS Healer, Messiah, Savior, and Lord was sitting on the side of the operating table!** I could see His clothes clearly...*blue scarf around a pure white robe...beautiful light brown, shoulder length hair...* I felt the air go out of my lungs and a peace overwhelmed me that is really indescribable! I felt warmth, joy, almost happy as I reached out to touch Him. I said, "Jesus...You're here." I felt Him say, "**I will NEVER leave you or forsake you.**" I lay there talking spirit to spirit with Jesus. It was as if He was saying, "**I will always be where people are hurting most**" and so many, many precious words. He sat there by me until I heard the anesthesiologist say, "Breathe deeply Mrs. Crouch. You're going to sleep now."

3:30 PM: Moved into critical care; 6:00 PM: Rolled into recovery.

I had not seen or talked to anyone with the result. I knew my family knew, but I had not heard. The nurse paged any family members of Jan Crouch to come to recovery third floor. In the door burst Paul Jr. and Danny with smiles from ear to ear. Paul Jr. said, "Mom, have you heard?" I said, "No." "**Oh, mom, there is NO cancer. NONE WHATSOEVER!** The worst...an infection to cause the lymph nodes to swell."

"Ohhhhhhhh, Jesus!" We hugged, cried, thanked Jesus, and called Paul Sr., Matt and Laurie, Brandon, Brittany and Mike, Cara, Caylan, and Cody and together again cried out our praise and love to our healing Jesus.

**BY WHOSE STRIPES WE ARE HEALED!
By Whose stripes YOU are healed!
It's my Jesus' love!**

I love you and thank you for your constant love and prayers. We are healed in Jesus' name!

Your sister in Jesus,

Jan (1 Cor. 13)

I CAN DO ANYTHING THROUGH CHRIST – CD by Mike Purkey

Dear old Mike has done it again: a brand new CD with virtually all new songs! The only older one is entitled, "What a Savior." I can remember this one well from my church days at Central Assembly of God in Springfield, Missouri over 50 years ago. It is odd how I can recall most of the old hymns from long ago, but cannot remember the names of dear ones I have just met—isn't old age strange? Here is how "What a Savior" goes:

*O what a Savior, O hallelujah!
His heart was broken on Calvary.
His hands were nail scarred,
His side was riven.
He gave his life-blood for even me.*

Yes, ten great songs of inspiration as only Mike Purkey can sing them! *Not the Great I Was; Stand on the Word; I Found It All in the Cross;* and *Thanks to Calvary* are just a few of the songs that will bless you!

Your love gift or Praise-a-Thon pledge for the month of February will bring this brand new CD to you. Jan and I thank you and pray for you often. We love you more and more with each passing year—nearly 35 now!
