

Our Love Gift to you for September

"The Call: Forty Years of God's Miracles"

We've often told the miracle history of TBN—from that first snowy picture in 1973, to what it is today: a family of 26 networks broadcasting the Gospel of Jesus Christ worldwide on over 80 satellite channels feeding thousands of cable and TV stations, and millions more via direct-to-home satellite, the Internet and TBN Mobile.

And, now, we have put the story on video just for you!

Your faith will be strengthened and you will be blessed as you watch and relive with us some of the amazing miracles that God has done these past incredible 40 years.

This DVD comes to you this month of September only with all the love and thanks Jan and I can ever express. Thank you for being a partner with YOUR TBN on this great 40 year journey of faith!

"Faith is walking to the edge of all the light you have...and taking one more step." —Paul F. Crouch

SEPTEMBER 2013
VOL. 40, NUMBER 09

Hello London! Paul, Matt and the TBN team in the new London studio. This important facility serves as TBN's production center for Europe and the Middle East.

Praise the Lord Sing with a Loud and Joyful Song!

"Enlarge your house; build on additions; spread out your home!
For you will soon be bursting at the seams!" ISA. 54:2-3 TLB

WOW! Come on—sing along with Jan and me. Yes, let's sing in *tongues*! How about Urdu, Portuguese, Estonian, and Swahili just to name a few new ones? We've already been singing some in Spanish, Italian, Russian, Arabic, Farsi, Hebrew, and of course, English!

We can almost claim a new Arabic network since we changed the name from The Healing Channel to Al-Horreyra, which means "freedom" in Arabic. The Healing Channel sounded too religious, so now we hope to capture new viewers and give them FREEDOM in Jesus! Dr. Raafat Girgis and Pastor Reza Safa are already rejoicing in our brand new studio with LIVE Arabic and Farsi songs of freedom! Yes, Arabic and Farsi now cover North America and Australia, as well as the Moslem Middle East!

So, let's keep singing.

Last year Matt and I stopped in Brazil. Some years ago, TBN planted a seed by purchasing a large uplink dish for Brazil. Since then, Christian television has grown rapidly in South America's largest country. And now, the *Praise the Lord* and *Behind the Scenes* programs are

being translated into Portuguese and air across Brazil on Rede Gospel TV!

In 1997, I made a trip to St. Petersburg, Russia. While there I met with Valeri Rukovichkin, whose new network was struggling on two small cable channels in Estonia. Life TV Estonia has grown through the years, but now needs a new satellite to cover not only the three Balkan states, but more of Russia and Eastern Europe! So, are you ready for a new verse? Yes, we squeezed him in on our Hotbird-8 satellite, so *sing* with us in Estonian and some Russian, since this whole region was once part of the Soviet Union—*WOW, a sour note turned sweet, amen?*

Next, I'm sure there are some *songs* in the Urdu language. Why? Because believe it or not, more than 200 million people in the world speak Urdu! Again, a precious brother, Javed Rauf, was struggling on one small cable channel. Enter your TBN! Talk about *tongues*—we now *sing* all over Pakistan in the Urdu language. Oh, yes, that makes network number 26 in our great TBN Family of Networks!

By now our partner in Kenya, Leo Slingerland, is starting to produce Swahili language programs—a major

language spoken in Central and East Africa. We have helped Leo build a new studio and a satellite uplink dish. Soon we'll have an entire Swahili channel to add to our Family of Networks. Wait until you hear Swahili! It is a most unique sounding language, but can they *sing*—oh yes, and they dance, too! Sorry all you Baptists!

Next is Jonas Gonzales and the Spanish language Enlace network. Fifteen hundred cable systems in Central and South America will put our Spanish network on the air — FREE! All they ask for is 1,500 small satellite decoder boxes at \$52 each! WOW again! We said YES, *por favor!* This puts Enlace on over 7,000 cable systems all over Latin America, fed by three different satellites. Glory be to God—*se habla español!* Actually, I really do know a song in Spanish: “Yo tengo paz, paz, paz en mi corazón.” A missionary taught us kids the whole song 70 years ago—and Matt says my memory is fading. I rest my case!

And, finally, all of Canada is rejoicing since we entered into a partnership with Leon Fontaine and the Miracle Channel network, which reaches 4.5 million homes across Canada. *Praise the Lord* and *Behind the Scenes* will be aired in prime time on the Miracle Channel, and some excellent new Canadian programs, including the weekly ministry

program *Leon Fontaine*, will be aired on TBN and the Church Channel!

So, dear partners, with over 80 satellite footprints covering this whole wide world, and now 26 networks—ah, don't you see it? We must speak in tongues! Yes, the tongues of the nations!

A powerful word of prophecy came to Jan and me many years ago during TBN's infancy. The word was—

“Enlarge the place of thy tent, and let them stretch forth the curtains of thine habitation . . . for thou shalt break forth on the right hand and on the left . . . and thy seed [Matt] shall inherit the gentiles . . .”

Isa. 54:2-3 KJV

Matt in Brazil with Samuel and Andre Cãmara of Rede Gospel TV.

Glory be to God Most High! Jan and I, along with many of you, have lived to see this most precious seed come to pass! Come on, let's sing Psalm 89:1 together:

“I will sing of the mercies of the LORD forever: with my mouth will I make known thy faithfulness to all generations . . . Yes, I will sing of the mercies of the LORD”.

Yes, Jan and I heard that *tongue*—so let's keep *singing!*
