Praise the Lord In My House Are Many....!

*"Let not your heart be troubled: ye believe in God, believe also in me.
In my Father's house are many mansions. . . .!"* JOHN 14:1-2

Yes, dear TBN partners, we too have many mansions! Well, they are not exactly mansions, but it is time to bring you up-to-date on some of the most exciting building going on in the 40 year journey of your TBN!

I think you know that every full power TV station must have a studio to produce local programs—dare we call our studios "little mansions"? We can debate this as we see some pictures on the following pages! Ah, how we love local *Praise* programs, *Joy in Our Town* and in many of our stations local church programs and even Bible teaching and or music programs.

Yes, by last count 37 full power stations are beaming five of the TBN Family of Networks through-the-air free to home antennas. The good news: more and more cable stations are sending more and more of our networks to the home subscribers. AT&T Uverse, Comcast, Charter, and Verizon all carry TBN, the Church Channel, JCTV, Smile of a Child, and the Enlace Spanish language network—with more to follow!

So rejoice, dear partners, as we go to prepare more *little mansions* at home and around the world!

Matt and I have tried to keep you somewhat up-to-date on these exciting buildings, but buckle-up and we'll take you to *mansions* near and far!

I suppose the most exciting is the four story beauty in Jerusalem, Israel! Yes, we have talked about and shown you many pictures, but as you read this letter full bore renovations are underway to create three, maybe four, full blown studios that will speak English, Russian, Arabic, Hebrew, and Farsi—hallelujah! Let's sing Dottie Rambo's song, "*Just build my mansion next door to Jesus!*"

You know what? We just might be next door in the millennial reign of our Jesus! I'm sure we'll be close because the TBN studio is on the "Hill of Grace" looking straight across the Hinnom Valley at Mt. Zion, Mt. Moriah and the Mt. of Olives! WOW! "Walk on Water!" We have produced a few programs like *Behind the Scenes*, but—oh glory—just wait until some anointed Jewish brothers who have accepted Jesus as their Messiah are turned loose! WOW, again!

Ah, but there is more—much more! Go with me to London. Your studio there is looking more and more like a mansion! Three major studios are nearing completion

In My House Are Many...! (Continued from front)

for European programming in English, Arabic, Farsi, and some other major languages including German, French and others. Yes, dear partners, Europe and the Middle East are covered—now we must speak their languages!

Jump on board and drop down to Madrid, Spain. Does it look like a mansion? The outside looks great, but recently Matt and I saw an empty studio room! A set was ordered and *presto*—another *baby mansion* was born! Station manager Pablo Vasquez and the Spanish crew are rejoicing as the final touches are making it speak Castilian Spanish on SEVEN new full power stations as well as covering all of Spain and Europe by satellite!

Dare I take you to Africa? Leo Slingerland is producing both English and native language Swahili programs in a tent! Four cement block walls and he says he can do the rest. So, Nairobi, Kenya and much of East Africa will be covered!

WHEW! Tired yet? Come on back home where a new studio is nearing completion for LIVE CALL-IN Arabic and Farsi language programs. Dr. Raafat Girgis and Pastor Reza

Safa are anxious beyond words to invade those forbidden nations with the light of the true Gospel!

Finally, we have found a new home for St. Joseph/Kansas City, Missouri. Major renovations are underway. Next: the Quad Cities of Davenport and Bettendorf, Iowa and Moline and Rock Island, Illinois never had a studio, but we found one in Moline. Please be faithful with your Praise-a-Thon pledges and gifts—the bills are pouring in and remember: we do not borrow, we pay as we go!

Next month I'll be able to tell you about another big full power station that will soon be ours—and in a state capitol. Stay tuned!

**Yes, sing it with me one more time:
Just build my mansion next door to Jesus
But now for the best part:
And tell the angels I'm coming home!**

Praise God, we may be going home soon, but until then let's keep our *little mansions* beaming the love of Jesus to the whole wide world!

Yes, 40 years and counting! That is lots of love—for Jesus and for you!
