Psalm 45 Perfume

"All of thy garments smell of myrrh and aloes and cassia, out of the ivory palaces whereby they have made thee glad" (Psa. 45:8).

Psalm 45—a Messianic psalm—gives us a beautiful word picture of our Lord! If you will read the entire text of Psalm 45, you will see that it is an amazing prophetic foreshadowing of Jesus. And, now, inspired by this psalm, we have taken the biblical formula of "myrrh and aloes and cassia," and created this wonderful fragrance into a perfume—the scent of Jesus' own garments! Bottled in a beautiful glass container, and capped with a royal crown, it is a sweet reminder of our precious Savior.

Your pledge to TBN in any amount will bring this unique perfume—a little bit of the fragrance of heaven—to you. It comes with all of our love and thanks for partnering with us as we take the name of Jesus to the nations through your TBN Family of Networks!

A limited quantity of love gifts is ordered each month. If we run out of the gift, a substitute will be sent in its place. The love gifts offered are not for sale. Please do not ask for more than one love gift. Please allow 6 to 8 weeks for delivery. NO PHONE ORDERS, PLEASE. Keep the lines open for Salvation, Prayer and Pledge Calls ONLY. God bless you!

The Resurrection—Russian Icon Reproduction

Another beautiful Russian icon reproduction for you from TBN's collection! Over the centuries, Russian artists depicted stories from the Bible in brilliantly colored paintings called icons. These paintings were displayed in churches, monasteries, and homes throughout Russia.

This reproduction of a magnificent 19th century icon shows Jesus—resurrected in His glory—standing on the empty tomb with His hands outstretched in blessing, while two angels kneel in adoration and worship at His feet. This unique piece of art has been reproduced and placed in a golden frame just for you, our TBN family.

Your Praise-A-Thon pledge in the amount shown above will bring you this glorious depiction of the power and majesty of the Resurrection. Enjoy it this Easter season and throughout the year. It comes to you with our love and thanks for your support of the TBN Family of Networks—taking the wonderful message of Jesus to the world!

Praise the Lord

In the studios of ALFA TV after first taping together.

Sowing and Reaping Around the World

"The fruit of the righteous is a tree of life, and he who wins souls is wise." — Proverbs 11:30

Dad and Mom planted the seeds of Christian television all over the world, and it's amazing to see the fruit that's come out of it. This month we share the story of Finland.

right in that area. We want to reach them. God's not going to forget the Scandinavian area of this world. He loves them too, and He died for them too. And we're going to have the gospel and Christian television there also."

Paul F. Crouch
November 17, 1988

In 1988, TBN was 15 years old, and Paul Crouch looked for every opportunity to take the gospel to the ends of the earth through television. In November of that year Paul and Jan hosted Hannu Haukka, a Finish evangelist, on *Praise the Lord*. Hannu had a unique opportunity to broadcast Christian programming into the Soviet Union. Paul responded immediately to the open door and "on the air" pledged financial support from TBN. Paul also spoke prophetically on the program about taking Christian television into other areas close to Hannu's heart –

"And we're going to pray for Russia and of course his homeland of Finland, and of course Sweden, Norway, and all of those countries

FAST FORWARD to 2013

In late 2013 we were able to renew our acquaintance with Hannu Haukka. With the help of seeds planted

by Paul Crouch and TBN, Hannu had built a large ministry that launched multi-media evangelism campaigns in major cities around the world and, wonder of wonders, Hannu now had a license for a broadcast television station that would cover virtually all of Finland. Hannu asked, "would TBN partner in this opportunity and help again"? We quickly agreed! Alfa TV went on the air December 1, 2013, and is part of the Trinity Family of Networks. And Hannu Haukka's vision for television stretches beyond Finland—in the words of Paul Crouch it's...

"Sweden, Norway and all of those countries right in that area."

TBN planted seeds in good ground and we've seen multiple harvests—harvests in places and at times we didn't even know about! How about you? Plant seeds (prayer, encouragement, finances) in the places God has placed you—in your home, work, church and neighborhood, and begin to

look for unexpected harvests. And we'd like to ask one more thing: consider planting a financial seed in the ministry of TBN. The Trinity Family of Networks reaches vast numbers of souls with 26 great networks in 8 languages through television stations, satellite channels, cable systems, internet streaming, and video on demand! The responses of healings and salvations from around the world are amazing!

"The kingdoms of this world are becoming the kingdoms of our God. And he shall reign forever and ever.' God's word has to come true—the gospel will be preached in all the world!"
