

From the Birthplace of Grace Your TBN is a Beacon of Hope.

Through TBN, you're standing with the people of Israel in their hour of need.

I've been to Israel many times. I've traveled there regularly with my dad since I was a kid. It's how I came by my deep love for the land, its people, and its rich history. Today it is one of my favorite places on the planet. Of course, it would be, wouldn't it? It's the birthplace of grace!

That fact alone makes it the most appropriate spot on earth for broadcasting the Good News of Jesus.

You're the Reason Israel Does Not Stand Alone

Early on, my father instilled in me a desire to see the Gospel preached to Israel, *from* Israel—and we've made some significant steps toward that goal. When I look at what is happening on the world stage, I realize my father was

SENDING THE HOPE AND GRACE OF JESUS TO THE WORLD!

TBN is *in* Israel, and we stand with Israel. We know its significance. We know it is the birthplace of our Savior. We know this miracle-nation plays a key role in God's redemptive plan for the ages.

right to make sure TBN put down deep roots there. Our Jerusalem roots have only deepened in the years since we first established a presence in Israel.

That presence and our strong connection to the place make us keenly aware that Israel and her people urgently need our support right now. The tiny nation faces enemies all around and within. Ordinary citizens now fear being stabbed or run over as they walk the streets.

The fact is, the people of Israel increasingly feel isolated, targeted, misunderstood, and hated. What's worse, they also feel abandoned by their closest historical friends and allies. But ...

TBN is *in* Israel, and **we stand with Israel**. We know its significance. We know it is the birthplace of our Savior. We know this miracle-nation plays a key role in God's redemptive plan for the ages. And we will not stand by silently in her moment of greatest need.

That's why we need you to stand with us right now. You can help send the message to the people of Israel that millions of Believers are *for* them and care about them.

You Have Made an Impact

You may not realize this, but if you have given a love gift to TBN in the last couple of years, you have already touched the nation of Israel. Your generosity helped fulfill one of my father's final dreams—the creation of new TBN studios in Israel.

It's truly amazing, because right in the heart of Israel, the TBN studio is a beacon of light, capturing programs that present the Gospel of Jesus to people all over the world—Jews, Arabs, Christians, and many other tribes and tongues. These studios exist only because of the offerings of faithful TBN partners. But now we must do more.

I'm truly excited because soon we will be commemorating the gifts of every TBN partner who helped this dream become a reality. How?

We will be laser engraving copper nameplates featuring the names of every wonderful saint who gave to help TBN establish this Gospel beacon in the heart of the Holy Land. And we will place these nameplates on the Jerusalem studio walls as a lasting memorial!

(Laurie and I would love for your name to be there!)

Taking It One Step Further

On many occasions I've stood on the balcony of TBN's Jerusalem studios overwhelmed with awe at the reality that I was staring right at Mount Zion—the site of so much redemptive history. In those moments I am reminded that together we are literally continuing the mission Jesus launched in Jerusalem nearly 20 centuries ago. But I also realize there is more we can do.

The Gospel was born in Israel. And we need your continued support to make sure the Gospel's life-transforming power can flow there to a greater degree than ever before.

Your generous love gift to TBN today will make you a part of all of that and so much more. You'll be helping us continue to lift up the wonderful Name of Jesus from our studios in Israel. We'll also continue to boldly declare the truth about Israel and to rally support for her people from all over the world.

Other Exciting Things on the Horizon

Besides our ongoing satellite outreach from Jerusalem, we have other great events coming up in Israel. We'll be traveling back there at the end of May for the *Jerusalem Encounter*. This power-packed event is going to feature a number of

amazing ministers, including Francis Chan and Jentezen Franklin.

While we're there, we'll also do a special taping with O.S. and Susie Hawkins. And we're going to conduct a special Passover Seder Table service from our Jerusalem studio balcony. It promises to be a

beautiful and moving event that reveals how the words and elements of the Jewish Passover pointed to Jesus all along.

I know this is a lot of information, but we want you to know about everything you're a part of as a TBN Partner!

Please let us hear from you soon. We

value our connection more than we can express. Laurie and I love you and pray God's blessings over you.

MAY IS Healing Month

From the resources we offer to planned special programming, all month long we'll be focusing on the healing power of God. God wants you to freely receive the healing He has for you, and we want to pray for you on our special Day of Prayer for Healing on June 9th to celebrate all that God has done.

Send us your prayer request by using the enclosed insert or emailing prayer@tbn.org.

6 Months Later... **TBN Still Stands with Paris**

In the wake of the Paris terrorist attack in November 2015 and the more recent attacks in Brussels, Belgium, TBN has continued to be a voice of encouragement and hope through TBN Europe. Currently, TBN Europe provides some programming in the French language, but much more is coming! In fact, we hope to launch a full, 24-hour French language network in the not-too-distant future. "TBN Francophone," as it will be called, will provide encouragement and hope to French-speakers in many nations.

Upcoming Conference Schedule

Each year, TBN is deeply involved in numerous high-impact events around the world. Below are just some of the conferences we'll be bringing you in the months to come.

Forward Conference June 23–25
