

## Meet Reza. Once a Muslim, Now a Middle Eastern Faith Warrior

*“There are people doing tremendous things for God. People whose stories need to be heard.”*

When I look at how far TBN has come in carrying God’s Word to the nations of the world through television, I often find myself thinking about the people God has connected us to in order to make that happen. Behind the many logos of the TBN Family of Networks are some extraordinary individuals.

This month, I want to introduce you to one gentleman in particular—Pastor Reza Safa. He’s one of the reasons TBN has made notable inroads in some key Islamic countries. You need to hear his story!

### How a Muslim Met Jesus

I remember when my dad and I interviewed Reza Safa for a *Behind the Scenes* segment from our studios in Madrid, Spain. I recall being amazed and inspired by the details of Reza’s journey from Islam to Christianity. And how he eventually came to be the director of *TBN Nejat*, which broadcasts the Gospel to millions of Farsi-speaking Muslims across the Middle East.

This sweet, confident, Middle Eastern man was so happy to be sitting with us in our Madrid studio and to have the opportunity to share his amazing testimony with my father and our partners.

Reza had grown up a Shi’ite Muslim in Iran and was very

antagonistic toward Christianity. However, while he was away from home in Sweden, someone gave him a copy of the Bible translated into Farsi. From the time he was a child, he had been taught the Christian Scriptures had been corrupted ... but he decided to crack it open anyway. The words he read pierced him to the center of his soul.

He found himself fascinated by all the accounts throughout the Gospels

of Jesus healing people. He read and reread those same healing stories for hours each day. He wondered, *Could this be true?!* The idea that it was *absolutely* true—history word-for-word—was more than he could fathom.

He passionately told me and my dad about the moment he simply asked, “Jesus, are You the Son of God the Bible speaks of? Reveal Yourself to me, and I’ll give You my life.”

The next morning he heard the voice of God speak to him for the very first time—audibly! The Lord said one simple thing: “Reza, your sins are forgiven.”

For the first time in his entire life, he felt peace. After 30 years of following the rituals of Islam and feeling disconnected from God, his life was changed when Jesus showed up and revealed Himself clearly.

“After He spoke,” Reza told Dad and me, “it was what I felt that let me know Jesus was real. I no longer felt guilt. As a Muslim I always felt guilty when I failed at praying in the morning. But that morning when I heard God tell me I was forgiven, I fell back asleep and had the best sleep I had ever had!”

### Conversion Leads to Radical Service for the Lord

Eventually, Reza left Iran and moved to Madrid to follow the call of God. He started a church for Iranian expats and refugees and served as pastor for a season. This prepared him for the next big step into God’s destiny for his life—creating the first Farsi-language Christian network aimed straight at the hearts of the Iranian people.

He started small, but eventually Reza’s faith to follow God led him to my father and TBN. It was a divine connection. What started small has now become a major force for the Gospel. *Nejat TV* is the most-watched Christian network broadcasting to the Middle East, with Reza serving as TBN’s managing director.

What I love about this story is that Reza was simply someone God touched with His transforming hope and grace. That love freed Reza, and now he is being used mightily by God to free others in his homeland and beyond.

How mightily? Iran is the fastest-growing evangelical region in the world. One of the last things Reza told my father during our interview was—because of our broadcast efforts—an estimated 50,000 Muslim youth receive Jesus every month.

That’s when Dad said, “Things are changing, and people in the Middle East are hungry for Christ!”

Things are changing. That’s why it’s

so exciting that *TBN Nejat* is currently delivering amazing, uplifting, Jesus-honoring content in Farsi—the native language of more than 60 million souls worldwide. A good deal of this powerful ministry content is delivered by former Muslims who understand the culture, speak the language, and know how to communicate to those steeped in Islamic culture and traditions.

We couldn't be more thrilled to have Reza leading *TBN Nejat*, and we're so

grateful for his commitment to sharing Jesus with the world. Together, we're making a tangible impact on a vast, previously unreached region.

#### **One Person Can Make a Difference**

Yes, Reza's story is proof that one person, transformed by an encounter with Jesus, can make a tremendous difference. That's why I want to thank you for your ongoing prayers and gifts of support that make you a vital part of

high-impact efforts like *TBN Nejat*.

You're a key part of this new chapter in Reza's amazing story. And you're making countless other stories like his possible as well. Thank you!

# Victories & Breakthroughs

Here's what happens when you fill up on hope and grace every day—another reason we broadcast faith-filled messages 24/7 ...

While I was in the hospital, TBN was on cable daily. Your programming restored my hope. I was healed, and now I am grateful to be back home safe and in health.

I watch TBN every day. With my background in the Catholic Church, I never thought I'd find myself listening to non-denominational preaching of the Word. But I am so grateful for your broadcasts. As a third grade teacher dealing with the challenges of working in a public school, TBN is a lifeline that keeps me going. It gives me the spiritual armor I need to face the challenges of each day!

—Marlene B., Plano, TX

I want to say thank you from the bottom of my heart. Because of TBN, today I am born again. You showed me who Jesus really is and how much God loves me. As I continued to watch TBN, now I have a burning desire to share the Gospel with others who are lost. God bless you.

# AUGUST 2016 <sup>TBN</sup> REPORTS

## 1,000,000 Prayers Annually

Prayer is at the center of all TBN does. For more than 40 years, intercessory prayer has been one of the main avenues we use to pour out God's hope, grace, and encouragement to everyone who calls or writes.

Today, TBN gets calls and letters from all around the world on a daily basis, and we are blessed to pray for over a million people on average each year. Thank you for helping us reach the world through the power of prayer!

## TBN España: Breaking Down Barriers

TBN España, our outreach in Spain, was born on a small piece of land in the center of Madrid's telecom district in the late 1990s. At that time, no one knew it would grow to what it is today. For more than 10 years, TBN España has reached not only Spain, but also all of Europe, part of the Middle East, and beyond. In fact, this strategically located network has become one of the key distribution centers for sending TBN programming everywhere. It also continues to produce quality local features, including their own live *Praise the Lord* program.

TBN España continues to be an integral force to send TBN's signal of grace and hope to Spain and to the entire world!

***Please continue to pray for similar breakthroughs  
for our other TBN networks.***
