

## 2016: Year in Review

# A Gospel Outbreak of Global Proportions

*“Looking back on what God has done through TBN makes me grateful ...”*

It has been a remarkable year at TBN! We’ve seen advancements in spreading the Gospel through Christian television take place on a worldwide scale, and we’ve experienced a few miracles ourselves. Just look at everything your support of TBN has accomplished ...

### **A Triumphant Breakthrough in Africa**

Africa is at a pivotal spiritual point; its people are hungry for the life-giving message of hope and grace. For years, we’ve dreamed of returning to that great continent and establishing a permanent broadcast in the region.

In 2016, God answered our prayers. Through a connection with DStv, the largest digital satellite TV service in Africa, the message of Christ is now streaming 24/7 across Sub-Saharan Africa.

*TBN in Africa* features well-known ministers from around the world, as well as plenty of local talent, continually bringing the Gospel to the nations of Africa.

### **Miracles in God’s Holy Land**

This year’s Grace Israel Tour was wonderful beyond words. Together with Joseph Prince and 1500 of our faithful partners from around the world, we traveled to the land where God’s message of Grace walked.

We held five major events in some of the most historic

*We realized the most effective way for us to reach the underserved youth was to unite.*

and strategic locations in Israel. One of the highlights was going to the Sea of Galilee—the very place where Jesus walked on the water and calmed the storm with His spoken word. At that service, Pastor Joseph reminded us, “You don’t fight *for* victory; you fight *from* a position of victory because Jesus has already won!”

Perhaps the most unforgettable moment was when we had 400 of our partners get baptized in the Jordan River—the very river where Christ Himself was baptized!

We’re already planning next year’s trip—the Hillsong Worship Experience Israel Tour. Look in this newsletter for more information; we’d love to have you join us.

### **The Launch of the Hillsong Channel**

Speaking of Hillsong, another miracle initiative this year was the launch of the *Hillsong Channel*. In terms of outreach and expansion of the Kingdom of God, this may have been the biggest milestone our partners helped us achieve.

God has long had it on our hearts to effectively find a way to reach millennials. The answer came through a relationship with Brian Houston and Hillsong, with churches in 15 countries on 6 continents and a global attendance of nearly 100,000 weekly. We realized the most effective way for us to reach the

underserved youth was to unite.

As a result, the *Hillsong Channel* launched in June featuring the latest from Hillsong’s global conferences, exclusive interviews, thought-provoking documentaries, and empowering programming for all ages. Ever since, people all around the globe have had a front row seat and an inside look at all things Hillsong and the ability to freely receive from their powerful ministry gifts.

### **TBN Polska**

After a few years of planning to bring the vision of *TBN Polska* to life, the process was finalized this November and our newest member of the TBN family of networks is now live 24/7. This was a huge victory because we’re now bringing the message of Jesus to a place where less than 1% of the population are evangelical Christians.

Because of the faithful support of our partners, *TBN Polska* has its own production building and a passionate and creative team, and they are now producing their own programming to impact the region for Christ!

### **My Mother Sees Jesus Face to Face**

Finally, when I think about the many memorable moments in 2016, I can’t help but end by reflecting on my wonderful mother, Jan Crouch. This year, she received her promotion and transitioned into heaven.

As I look back on the many things we accomplished this year—more than I can even mention in this limited space—I’m grateful because I know the vision my mother and father had is continuing.

I can rest knowing that while you and I are here walking with Christ, she is in heaven holding Dad’s hand, looking directly into the face of the Jesus she followed by faith all those years. I want to thank you on her behalf, because everything she did at TBN was for you, our partners.

### **The Best Is Yet to Come**

I’m SO excited and full of expectation at what’s going to happen over the next year. In 2017, I look forward to an even wider expansion of the Gospel and to hearing more of your testimonies of God’s grace.

Together, we’ll continue to grow, continue to see His love and peace impact our lives, and continue to grow in the knowledge of our Lord together. Laurie and I thank you for your faithfulness in prayer and support in 2016 and beyond. We say it often, but it’s true: Together we truly are making a difference!

## VISION RESTORED THROUGH THE MESSAGE OF FAITH

**After a catastrophic tornado, TBN Partner Shanda Tripp was trapped under a destroyed house.**

*"The rescuer—my Good Samaritan—pulled me out, and that was the last thing I saw. I later found out I had broken my ribs. The marrow in my bones released into my bloodstream and collected in my eyes as poison. I couldn't drive a car. I couldn't feed my children, and I COULD NOT read my Bible! That's when I developed such an appreciation for Christian television.*

*"I had TBN on constantly. I remember watching ... and I don't remember what the sermon was ... but when they*

*were praying for the sick, whatever they said, I did it. I needed a miracle. I believe the Lord touched me that day.*

*"I kept hoping that I would wake up with 20/20 vision. That didn't happen, but then slowly my vision began to come back! When I went to the seven-week checkup, I had 20/20 vision!*

*"When someone who believes God can come into your living room through television and pray with you—that is awesome. I can declare Jesus is a HEALER because TBN was there for me!"*

**This is #MyStory.** – TBN Partner, Shanda Tripp
