The Reason for My Hope: Salvation
by Dr. Billy Graham

“The truth about hope is God-born. It begins with the moment of spiritual awakening, the moment you recognize that you are a sinner and need divine intervention in your life. It is the beginning of a journey to understand the amazing depth of God’s love for you and the marvelous wonder of the work that Jesus completed on the cross for all of humanity. It is a tremendous tool that will strengthen your faith and inspire you to witness to others. Read it and then pass it along to your unsaved family and friends.” – Dr. Billy Graham

To Israel with Love!

“With whom shall I send . . . ? ” is God’s question to His Church. Are we challenged with the greatest need — and the greatest opportunity — to take the Gospel to the nations of the world. Over the past 40 years, you, our precious TBN family of partners, have helped answer this call. Together, we have taken the name of Jesus around the globe on a scale never before imagined. In Moscow, as we are challenged with the greatest need — and the greatest opportunity — we have been and are working to reach our own nations with the Gospel. The team returned with glowing reports on what God is doing around the world because of the love, prayers, and support of our faithful partners.

The impact of our dollars at TBN and we were able, because of their support of the vision and love for their partner, to take the Gospel to the nations of the world. They aren’t saved there anymore, there are full blown trees and they are in full bloom with fruit.” – Matt Crouch

The team’s first stop was Spain where revival is in the air. From Spain, the team traveled to England and visited most of the United States and Canadian studios. Many of the renovations are finished and the main studio is now being used to produce programs. TBN’s Al-Horreya Arabic language network, and TBN Nejat TV Farsi language network will also be using this strategically located studio to produce programs for the Middle East.

Polish Christian leaders who have a burden to reach their nation. Please hold them up in prayer as they work to create a Christian television network that will proclaim the name of Jesus across Poland.

POLAND: In this country of over 38 million people, less than two percent of Poland’s population are evangelical Christians. In fact, there are more evangelical Christians in Saudi Arabia than in all of Poland put together. Please pray up with a group of pastors and other leaders who want to see their nation come to know the Lord. Please pay special attention to Poland.

The team's final stop was in Hong Kong where they met with Christian leaders to discuss ways of expanding TBN’s coverage there. Much prayer and wisdom will be needed for producing Christian television programs that will be aired around the world.

NEW DELHI, INDIA: For several years, TBN has placed thousands of television receiving sets in churches, villages, orphanages, and homes in India. While in New Delhi, Matt, Laurie and the team met with Christian leaders to explore ways of expanding TBN’s coverage there. Much prayer and support will be needed to reach this culturally diverse nation of over 1.2 billion people, with over 700 languages.

In Hong Kong, the team met with representatives of Creation Church in Hong Kong. They have recently produced several Christian-themed faith content motion pictures and have received permission from the Chinese government to play these movies in 3,000 theaters throughout Mainland China.

As God asks us, “What is the state of your prayer life?” When you support TBN, you are helping to give hope, love, and salvation to a lost and hurting world. Be a part of God’s effort to invade the hearts of young people and children and help YOUR TBN reach the nations for Jesus!

Global singing sensation Susan Boyle will join Matt & Laurie to discuss her upcoming tour and how your support helps her mission.

*Thank you for your prayers and support! We look forward to sharing more moments with you.*
