Asia is Calling!

“For this cause have I raised thee up, for to show in thee my power; that my name may be declared throughout all the earth.” – (Exodus 9:16)

“We are seeing the great miracle of Christian TV moving into the last great population areas of this world . . . . Together, we see our purpose and destiny from the Lord.”

— Paul Crouch: September 2000

Taking the Gospel to the nations of Asia has been a part of TBN’s vision since the early days of the ministry. We first started planting seeds there in 1977—just four years after TBN was started—when we began working with evangelist Mel Tari to produce an Indonesian language version of Praise the Lord that was broadcast in Jakarta for several years. Shortly after, TBN partnered with the late Chinese evangelist, Nora Lam, to produce Mandarin language Praise that was aired in Hong Kong and Taiwan. In the year 2000 and again in 2003, Dr. Crouch traveled to China and laid the groundwork that helped bring TBN into certain areas of the country. Today, the Gospel is being broadcast into Mainland China by satellite, the Internet, and mobile devices.

The April 19, 2014, edition of the London Telegraph reports that “The number of Christians in Communist China is growing so steadily that by 2030 it could have more church goers than America.”

In 2007, TBN’s outreach to Asia greatly increased when we expanded our reach to all of Asia through our satellite uplink station in Manila, Philippines. Now serving as the broadcast hub for all of TBN’s Asian operations, the Manila facility uplinks to three satellites with TBN, the Church Channel, the Smile of a Child children’s network, and the JUCE TV youth network—blanketing the entire Asian continent 24/7 with the Good News of Jesus. TBN’s outreaches to Sri Lanka and India have resulted in thousands of satellite dishes donated and distributed to churches, Christian leaders, schools, villages, and orphanages.

But there’s even more to come as exciting new doors continue to open for the TBN Family of Networks to reach the nations of Asia. A few months ago, Matt, Laurie and the TBN team traveled to Hong Kong and Taipei, Taiwan. There they met with leaders of Asia is Calling!

local Christian television networks staffed by dedicated believers who are committed to taking the Gospel to their countries and to Chinese populations worldwide. The first stop was in Hong Kong, where the team met with members of Creation TV, who have been broadcasting in Hong Kong for the past 10 years. They recently went on the air on a secondary channel of a TV station in the San Francisco area. Creating and airing innovative programs that touch the hearts and lives of viewers, Creation TV recently produced a series of faith-inspired films that will be released in 3,000 theaters throughout Mainland China. Please pray for God’s guidance and wisdom for TBN and this wonderful group of brothers and sisters as we explore possible ways of working together for the Kingdom of God.

The TBN team then traveled to Taipei, Taiwan where they met with representatives of Good TV. Producing and broadcasting Christian television programs in Taiwan since 1998, Good TV’s mission is to “share the faith of Jesus Christ” to the global Chinese community. Matt and the team met with Good TV CEO, Tony Tseng and Sr. Vice President, Dick Yu and discussed possible ways of partnering with Good TV to effectively take the message of Jesus to Taiwan and beyond.

Yes, each one of us has a purpose and destiny to declare the name of the Lord throughout the earth. And, one of the ways that you can fulfill this purpose is by supporting TBN with your prayers and giving so that together we can take the message of Jesus’ love to our family, friends, and communities—to a world in need of His saving grace and power.

“The Gospel is going to go into the nations of the earth. It’s going to happen from Los Angeles, like it has been for 40 years; from New York, from London, from Jerusalem, from Asia, and from all of our studios . . . . We’re going to link the world together and we’re going to see a great final harvest.” – Matt Crouch

"All the earth shall worship You and sing praises to You . . . ." (Psalm 66:4 NKJV)

Matt and Laurie were on hand as TBN joined with Joel and Victoria Osteen to broadcast America’s Night of Hope from the 51,000-seat Yankee Stadium in New York City. Grammy Award-winning recording artist Israel Houghton, Dove Award-winning singer/songwriter Cindy Cruse-Ratcliff, and the Lakewood Church worship team led the packed-out stadium in praise and worship. Joel gave a powerful, life-changing message broadcast worldwide on the TBN Family of Networks: “The label God has for you is ‘Forgiven,’ ‘Restored,’ ‘New Beginning,’ ‘Beauty for Ashes,’ and ‘Joy for Mourning.’”

Watch Joel’s dynamic ministry on TBN Sundays at 5:00 PM, Mondays at 9:00 PM, and Thursdays at 5:30 PM, and on the Church Channel every Sunday at 9:30 PM and Saturday at 9:00 PM (all times Pacific).
