"I am not a prophet, but to claim a piece of Jerusalem for TBN is a dream come true! Yes, dear partners . . . your TBN studio and land is ours in Jesus’ name! From this four story building you can almost touch Mt. Zion, Mt. Moriah and the Mt. of Olives. But for good measure, God gave us a piece of Mt. Givat Hananya, which in Hebrew means THE HILL OF GRACE!"

– Paul Crouch: January 2013

TBN’s partners and the Crouch family have had a long history of loving, supporting, and praying for the nation of Israel. Over the past 42 years, Paul, Jan, Matt, and Laurie have hosted dozens of TBN tours to the Holy Land—bringing thousands of partners to visit that sacred land. And from the earliest days of TBN’s ministry, Paul dreamed of bringing Christian television to Israel. In fact, some of our long time partners may remember him back in the early 1980s showing an artist’s rendering of the proposed mobile TBN TV station broadcasting from somewhere out in the middle of the Sinai desert! Over the years, he and Jan met with numerous Israeli television officials and nearly every Israeli prime minister—from Menachem Begin to Benjamin Netanyahu—seeking permission to get a license for TBN to build a TV station. But while the meetings were always well received and cordial, the doors remained closed.

For a time it seemed that the vision to bring Christian TV to the Holy Land was an impossible dream, but as always God was working behind the scenes in the most amazing ways! Today, thanks to you, our precious family of partners, not only does TBN blanket Israel with the Gospel on the Hotbird satellite, but the Church Channel, Smile of a Child and JUCE TV networks are also being broadcast across the nation. And we’re even reaching Israel’s large Russian immigrant population—about 1 million people—via the AMOS-3 satellite, which beams TBN Russia and the Russian language Smile of a Child network throughout the country. Then, there’s TBN’s Al-Horreya network, carried on the Hotbird and Nilesat satellites, and TBN Nejat, also on Hotbird, that are reaching Israel’s Arabic and Farsi speaking population!

“O Jerusalem, I have set intercessors on your walls who cry to God all day and night for the fulfillment of his promises” (Isaiah 62:6-7 TLB).

O Jerusalem!
Taking the Message of God’s Grace to the World...

Paul and Jan at the very first LIVE Praise the Lord program broadcast from the Mt. of Olives in Jerusalem.
The prophecy of Isaiah 56:8 is coming to pass before our eyes!

“For the Lord God, who brings back the outcasts of Israel says, I will bring others, too, besides my people Israel” (Isaiah 56:8).

Another miracle took place a little over two years ago when God brought to pass a nearly 40 year dream and vision Paul had for building a TBN studio in Israel. While he did not live to see the studio’s full completion, Paul traveled to Jerusalem several times and taped a number of his Behind the Scenes reports from the balcony of the studio overlooking Mt. Zion, Mt. Moriah, and the Mt. of Olives. On more than one occasion he exclaimed that TBN would be there to videotape Jesus’ return on the Mt. of Olives! But what was especially significant is that the new studio is located on Mt. Hananya — or the “Hill of Grace.” Renovations are nearly completed and once the studio is fully up and running, this beautiful facility overlooking the Old City of Jerusalem will be used to produce a variety of programs for TBN and our affiliate networks and ministry partners — taking the message of God’s love and grace to the whole wide world!

We’re already using the studio to produce exciting programs! Just this past May, TBN was on hand to cover the historic Empowered21 conference, a meeting of about 4,500 Pentecostal and Charismatic delegates from around the world who gathered in Jerusalem to pray and seek the Lord for a fresh outpouring of the Holy Spirit in the 21st century. The conference featured many of today’s top Christian leaders and we’ll be broadcasting these powerful and anointed services on TBN over the next several weeks. Matt and Laurie had the joy of doing more than 50 interviews with guests that included Marilyn Hickey, Morris Cerullo, David Mainse, Jentezen Franklin, George Wood, Daniel Kolenda, as well as pastors of the largest churches in Argentina and Indonesia. These thrilling testimonies will be aired on Praise the Lord and TBN’s Inside the Family of Networks program — so stay tuned. You won’t want to miss what the Lord is saying to His body through these dynamic ministers of the Gospel.

These are truly the most exciting days the body of Christ has ever known! The message of the Gospel is going out across the earth at lightning speed, and God has positioned YOUR TBN to take His Word and proclaim it to every inhabited continent on the planet. And, we’re able to do this only because of the faithful prayers and support of partners like YOU! Please continue to pray for...
TBN— and then send your best love gift today that will be used to help us tell a lost and hurting world about Jesus’ amazing love, forgiveness, and grace.

P.S. We’d love you to join us for the “Grace Israel Tour 2016” taking place February 22-March 2, 2016, with hosts Matt and Laurie and their special guest Pastor Joseph Prince. TBN’s affiliate network, JCTV-Pakistan, broadcasts the Gospel of Jesus Christ 24/7 across Pakistan and the entire Indian subcontinent—even reaching into parts of Africa and Europe with the message of God’s love in the Urdu language. All together more than half a BILLION people are now able to receive Christian programming in their own language!

Earlier this year, TBN’s partners provided the funds for JCTV-Pakistan to build a much needed new studio. Pastor Javed tells us that the studio lights, generator and air conditioning units have been installed and they are already producing programs. He expressed his thanks to the TBN family, “I am again grateful for your love and support. We started recording this week. On the 27th we inaugurate the new studio and offices by anointed men of God. My heart is rejoicing and thankful to God and you for your generous support.”

Please remember to pray for Pastor Javed and the staff and team at JCTV-Pakistan.

Powerful programs are being produced to touch hearts with the love of Jesus.

Ask Me For Anything:
Proven Biblical Principles of Giving and Receiving
by Dr. Paul Franklin Crouch, Sr.

“God wants to give to you, and He won’t let you outdo Him in the giving department!” — Dr. Paul Crouch

Did you know that in order to get, you have to give? For 40 years TBN founder Dr. Paul Crouch, Sr. shared with the TBN family of partners about the vital keys he learned concerning God’s principles of giving and receiving. He shared these “spiritual nuggets,” as he liked to call them, on his Behind the Scenes program and in the many articles he wrote each month for the TBN newsletter. This month it is our joy to bring you a collection of these important truths about biblical stewardship, tithing, sowing and reaping, and the rewards of godly giving that Dr. Crouch lived and taught through the years. Ask Me for Anything is a gold mine of faith-building content straight from the heart of one of God’s generals that will challenge you to new levels of godly giving — and receiving!

WGTW TV-48, TBN’s full-power station in Philadelphia, is impacting the community in many ways. Station manager Michal Curry (pictured) related that recently she was picking up some canned goods for WGTW’s outreach to a local food bank. At the checkout she struck up a conversation with the cashier, Ella, who asked Michal about all the items she was purchasing. When Michal informed her that they were for the local food bank, Ella recalled that there was a time in her life when she had to use the food bank to feed her children. Michal explained that she was the manager for the local TBN station, which helps to sponsor the food bank. With excitement Ella responded: “Oh my! I love TBN! When I had nothing — I mean nothing — I would send in $10 a month, every month. TBN kept me from killing myself.” Continued a grateful Ella: “It makes me happy to see that $10 going towards feeding the hungry. Thank you!” Thank you, Ella — and all our faithful TBN partners!

In May KAAH, TBN’s full-power station in Honolulu, Hawaii, partnered with the group Movie to Movement to provide 100 free movie tickets to families of Down syndrome and special needs children to see the new faith-and-family movie Where Hope Grows, which features a young man with Down syndrome in a key role. Station manager Cheryl Witbeck explained that TBN and KAAH hosted an event for the families at the movie’s opening night at Honolulu’s Regal Dole Cannery Theater. Among those on hand was 2015’s Miss Hawaii Princess United States Aubrey McKenzie (pictured), who has Down syndrome. “The entire event was a blessing to the families who received the tickets, as well as to those who sponsored it,” said Cheryl. “KAAH and TBN were thrilled to be a part.”

TBN’s Nejat Television network continues to reach out to Farsi-speaking individuals throughout Iran and the world. TBN Nejat founder Reza Safa said that millions have come to Christ through the network, and he receives many testimonies of lives changed. One of those came from Zahra, an Iranian woman who was a drug addict, along with suffering from cancer and arthritis. One day while Nejat was playing on her TV set at home, Zahra heard Reza say: “A woman with stomach cancer and arthritis is being healed by Jesus.” The next day Zahra went to the doctor, who declared her completely healed from cancer and arthritis. That same day Zahra gave her heart to Jesus and was completely healed from 12 years of opium addiction. Praise the Lord!
