VOLUME 42, NUMBER 10

Broadcasting from TBN's new studio in Jerusalem.

Taking the Name of Jesus to the World!

Exciting News From Your Trinity Broadcasting Family of Networks

“But how shall they ask him to save them unless they believe in him? And how can they believe in him if they have never heard about him? And how can they hear about him unless someone tells them?” (Romans 10:14, TLB).

“From the very beginning of time God has asked each succeeding generation this penetrating question: ‘How shall they hear?’ ‘Hear what?’ you may ask. Knowledge of the one true and living God — Creator of heaven and earth and all that is therein!” – Paul Crouch Sr. (January 2004)

For 42 years the vision and mission of TBN has been to answer the question, “how can they hear about him unless someone tells them?” You, our faithful TBN family of partners, have been a vital part of giving a voice and platform to thousands of powerful preachers, teachers, and ministers of the gospel enabling them to take the life-changing message of Jesus’ love to the world. And because of YOU, over 36 million souls—that we know of—have come to faith in Christ.

So, what is your Trinity Broadcasting Family of Networks doing to respond to the challenge of Romans 10:14? We’ll give you a brief “around the world” update on where God is using this great Voice to touch the hearts and lives of people across the earth. Let’s “buckle-up” as we go on a whirlwind trip!

We’ll begin our journey with an update from the United States where just over the past few months TBN has aired life-changing evangelistic events such as Joel and Victoria Osteen’s America’s Night of Hope from San Francisco;

the great Luis Palau CityFest outreach in New York City; the powerful Megafest conference with Bishop T.D. Jakes from Dallas, Texas; and the dynamic ministry of Greg Laurie at the Harvest Crusade in Anaheim, California—just to name a few.

TBN’s newest network, TBN Salsa, is taking the country by storm as it broadcasts its unique line-up of English-language programs geared to reaching second and third generation Hispanics with the message of Jesus’ love. Launched this past June, TBN Salsa can be received for free on sub-channel 5 on all 38 of TBN’s over-the-air TV stations across the U.S.

The news from TBN’s 2nd Chance prison outreach is thrilling as it continues to proclaim the Name of Jesus to those in prison. Through the faithful gifts from you, our partners, TBN 2nd Chance has donated satellite receiving equipment to hundreds of correctional institutions across the country bringing TBN, the Church Channel, JUCETV, and Enlace to nearly 1 million inmates.

Then there’s the Smile of a Child children’s network and JUCETV youth network that continue to influence young lives with God’s truths through innovative and entertaining programs. Both of these impacting networks can be seen free-through-the air over all 38 TBN stations across the country on sub-channel 3, as well as on many cable systems and satellite providers. (For more information go to www.smileofachildtv.org and www.jucetv.com).

TBN—The #1 Christian Network in the World!

Taking the Name of Jesus to the World!

Next it's on to Europe and the TBN UK studios in London. In January of this year, TBN UK began broadcasting on Freeview channel 65, which reaches 95 percent of the households in England, Wales, Scotland, and Northern Ireland. Richard Fleming, TBN UK's operations manager, reported that since launching on Freeview they have been receiving on average over 50,000 viewer contacts a month!

There was the exciting news from one of TBN's newest ministry partners in Europe: TBN Polska. For about the last year, Matt and the team have been working with a group of pastors, evangelical leaders, and others to develop a Polish language Christian network. This past August TBN Polska took its first steps to becoming a full network when it began broadcasting a block of Polish language programs that reaches across Poland and Europe via satellite. One of the Polish pastors, Wojtek Wloch, said of the new network, "We know that the country is really hungry for God and we are hungry for His move here. People have been praying for Poland for a long time, and now is the time and we have great expectations."

Another new TBN ministry outreach in Europe took place this past August with the premiere broadcast of TBN Francophone, our French language Christian affiliate. In cooperation with the Federation of French Protestant Churches in Israel, programs for this new programming partner are being produced from TBN's studio in Jerusalem, Israel and are being sent from Jerusalem across Europe via TBN's great satellite hub in Madrid, Spain.

It would take a whole other newsletter to tell you about the awesome work God is doing across the Middle East through the Al Horreya Arabic language channel, the TBN Nejat Farsi

language network, and TBN's affiliate network in Pakistan, JCTV Pakistan. Then there's the powerful outreach throughout Latin America and the United States through the Enlace TV network—TBN's Spanish language affiliate, and the massive broadcast outreach of our affiliates in Brazil: Rede Boas Novas and Rede Gospel. And let's not forget TBN Pacific reaching Australia, New Zealand, and the islands of the Pacific; TBN-Asia with its satellite hub in Manila, Philippines that broadcasts to the great "10-40 window" of the world; and TBN's outreaches across the African continent via satellite and through our affiliate networks in Uganda, Tanzania, Namibia, and Zambia.

We rejoice knowing that the gospel is going around the world—but precious partners, our job is not nearly done! Yes, God has given us the tools to take the message of Jesus to the whole wide world. Satellite, the Internet, and mobile devices have enabled us to reach billions—but we need YOUR help! Your prayers and faithful giving to TBN are making the difference between heaven and hell for countless multitudes around the world. Please help us today with your best love gift and be one of the workers God has called in this day and hour to bring in the great harvest of souls into His kingdom.

"The harvest is great, but the workers are few. So pray to the Lord who is in charge of the harvest; ask him to send more workers into his fields" (Matthew 9:37-38, NLT).

Report From Tonga!

TBN is impacting the South Pacific nation of Tonga. Barry Taukolo of Doulos TV said that in addition to airing Christian programs for the entire family, the network offers an employment program that trains up to 500 people a year. Barry said that participants are mentored for job success, plus given spiritual training to be strong Christians in the workplace and in their families. Our *Love Gift* to you for October

China Cry Movie DVD

"...whosoever shall call upon the name of the Lord shall be saved." — Romans 10:13

Our love gift to you for October is a DVD of the TBN-produced feature-length film *China Cry*, which tells the unforgettable true story of the late beloved Chinese-American evangelist Nora Lam. Born into a wealthy family in China, as a young Christian woman Nora suffered severe persecution under the Communist regime, refusing to deny Christ even as she faced physical abuse and risked the loss of her unborn child. The dramatic account of Nora's imprisonment and struggle, her miraculous deliverance from death by firing squad, and her escape to freedom make this a movie you'll want to share with family and friends. An awesome resource for witnessing!

TBN Reports

News from the TBN Family

Motivational speaker Nick Vujicic (pictured with Jan Crouch) gave the keynote address for a VIP event June 29th at TBN's Holy Land Experience during the CBA's

International Christian Retail Show in Orlando, Florida. Nick, who has appeared several times on TBN's *Praise the Lord*, is the author of the best-selling book *Life Without Limits*, which recounts how he overcame being born without arms or legs to live an independent and fulfilling life while serving as a role model to others facing adversity. During the VIP event Nick shared his moving testimony and the joy he has of sharing the message that God can use anyone, despite their disabilities, if they will simply surrender their lives to Him. "When you come to the knowledge and revelation of how much God loves you, and your true identity," says Nick, "who better to tell you what He wants you to do than the One who made you."

TBN's full-power stations across the nation are doing their part to get youngsters in their communities ready for the upcoming school year.

In Oklahoma City, KTBO, Channel 14, partnered with Faith Church to provide school supplies to 5,000 area children. In Kansas City, station KTAJ, Channel 16, teamed up with Grace House in its outreach to provide clothing, backpacks, and school supplies to over 600 needy children. And in Tulsa, KDOR, Channel 17, worked with the Pamela Smith Foundation, which blessed over 300 kids with the clothes, backpacks, and school supplies they will need to get a successful start this school year. "We're privileged to be able to reach out to our community in this way," said KDOR station manager Craig Nelson. "It's as big a blessing to us and our partners as it is to the kids and families we're able to help."

TBN's prayer department received an incredible 80,887 prayer requests from viewers and others throughout the world during the month of July. During that same period TBN's prayer partners led 552 individuals to first-time faith in Christ or to re-dedication of their lives to the Lord, and another 619 people contacted TBN to give thanks to the Lord for answered prayer. "Since the first day TBN went on the air in 1973, our prayer team has been manning the phones, agreeing in prayer with individuals for salvations, healings, broken relationships, finances, and many other needs," said prayer department supervisor Ms. Robbie Mickley. "Over forty years—and 36 million decisions for Christ—later, our prayer warriors continue to play a crucial role 24 hours a day in TBN's global outreach."
