

# Together we're breaking boundaries! The Gospel is flooding the Islamic world!

*The light of the Gospel of grace won't be stopped from going into the dark places where it's needed most.*

We live in volatile, tumultuous times. Fear of war in the Middle East and exported terrorism dominates the news. This is why TBN's mission of taking the Gospel of grace to the nations is so vital in this hour; and the part you play in carrying out this mission is more critical than ever before.

## **You're on the Front Lines With Us**

Though you may never personally set foot in the Middle East, your connection to the vision of TBN makes you an emissary for Christ on the front lines. This month I wanted to share the news of an amazing breakthrough we've had

in our mission to reveal Jesus to the Islamic world and free people from the shackles of religious bondage. As our partner, you need to know the strategy the Lord has given us!

## **Blanket Coverage**

Many people mistakenly believe that all Muslims are Arabs and all Arabs are Muslim. The fact is, a people of many languages make up the Islamic world—and one of the most prevalent is Turkish. That's what makes this new breakthrough so exciting.

Two strategically important networks are being added to the TBN Family of Networks. The Kingdom SAT (Arabic) and Kanal Hayat (Turkish) networks are two powerful beams of Gospel light that will penetrate the strongholds of Islam and dispel darkness. Now, because of your support, these two new networks will provide complete coverage of

SENDING THE HOPE AND GRACE OF JESUS TO THE WORLD!

The transforming Gospel of Jesus Christ will cover virtually every home across the Middle East . . . that's what makes this new breakthrough so exciting!

the entire region.

Now, the transforming Gospel of Jesus Christ will cover virtually every home across the Middle East. In the words of Isaiah:

*The people who walk in darkness will see a great light. For those who live in a land of deep darkness, a light will shine (Isaiah 9:2 NLT).*

### **The Power of Partnership**

This breakthrough in reaching the Islamic world came as a result of partnership. First and foremost, our connection with you has made this expansion into new territories possible. Second, God has given us strategic relationships with powerful ministers of the Gospel who have the same vision we do.

We've partnered with friends like Joyce Meyer and Dr. Michael Youssef, whose ministries were instrumental in the early development of these networks. Now that these networks are "joining the family," the impact they have can rise to a whole new level.

We're counting on your continued partnership going forward as this strategy unfolds.

### **One Gospel in Many Languages**

Think about it. With these exciting new developments, together we will be delivering messages of hope and grace in every major language in the Islamic world—Arabic, Farsi, Urdu,

and Turkish! Why is this so important? These languages cover the main regions where ISIS and Al Qaeda originate!

We are walking right into the enemy's camp and gathering a harvest of souls through the saving power of the Gospel. Walls are going to come tumbling down in the Middle East. And your monthly support of our outreaches means you're right there with us making a difference.

### **An Unstoppable Signal Bringing the Unstoppable Gospel**

The news is full of stories of Christians in Muslim countries being persecuted for standing for Christ. Violence and fear have been the weapons used to silence those who would share the love of Jesus with Muslims.

This is where you and TBN have the greatest impact. Now that we have the satellites and signals covering all of the Middle East in every key language, we can't be stopped. There's nothing the enemies of the Gospel can do to stop a TV signal that runs 24/7 in a region in which even people in the poorest and

most remote areas tend to have satellite dishes.

This is why your support at ANY level is so vital right now. Every gift—any gift—you share with TBN makes you a very real part of carrying out this mission.

### **A New Approach**

This is truly a new season in outreach to the Muslim world. God has given us the wisdom to approach ministry from a vantage point we didn't have 20, 10, or even five years ago. When it came to ministering in Muslim territories in the past, the "America knows best" approach was predominant. Ministries would go in with the goal of Americanizing the region.

But now God has given us a vision of utilizing the people and tools in the region to have the greatest impact. They know the culture and people best and can help us present the Gospel strategically. They're literally helping us help them.

*This is truly a new season in outreach to the Muslim world. God has given us the wisdom to approach ministry from a different vantage point we didn't have 20 years ago.*

### The Shift Is Happening

You and I are right in the midst of a great shift. The grace revolution will be televised. People all over the Muslim world will be touched through the Gospel. And you and I get to be a part of it.

I want to thank you because none of this would have come to fruition if it weren't for the faithful prayer and gifts of partners like you.

### A Final Word

I want to close out this month's newsletter with a word of encouragement aimed to meet you wherever you are in your life. There are some things God wanted me to tell you:

#### DON'T FEAR THE THINGS YOU SEE COMING UPON THE EARTH.

*Jesus said He'd never leave you or forsake you. He said He's given you power and NOTHING will by any means hurt you. Make sure you claim your protection in Christ daily. (See Psalm 91.)*

#### GOD'S GRACE IS TRULY SUFFICIENT.

*Wherever you find yourself weakest is the exact place where God wants to reveal His strength. He just needs you to come to Him and admit you can't do it in your own strength. Go to Him and receive the strength to do what you can't. (See 2 Corinthians 12:9.)*

#### GOD MEETS ALL OF YOUR NEEDS.

*Jesus meant it when He said He was your Shepherd and you would not lack. That means it's His will you don't go lacking for ANYTHING. If you've neglected this promise, pick it back up, and don't let it go. (See Psalm 23.)*

Laurie and I love and appreciate you. We pray that God's best manifests in a surprising and wonderful way in your life!
