## "Behind the Scenes" with Paul Crouch

Beloved TBN Co-Partners:

We are moving into the home stretch! Your new production studio for TBN and Channel 40 are nearing completion. What was only a beautiful dream of faith a year ago is now a glorious reality: All praise to our Wonderful Lord and thanks to you faithful partners. Yes, the walls are up, the roof is on, the siding is on and now the interior is taking shape. God has done and is doing the quickest work we have ever seen in the history of Christian Television.

God is in a hurry and so must we be! The hour grows late — much work remains to be done. Millions still wait for the life-giving message: JESUS SAVES! And until that trumpet sounds, we will continue to flood the television airways with Jesus' love for lost humanity.

I know that God is in a hurry because what has taken other generations years to accomplish, God is doing in months and in some cases weeks through TBN's 100% Christian Television.

But, even more important, God is moving all of the persons, places and things into final position for **HIS GIANT NETWORK!** That 4th Network is coming into being — Praise the Lord! Many Christian ministries are being purged and refined as God prepares to fit all the pieces together — Satan is fighting tooth and toenail in the most vicious onslaught ever against the work of God and especially against Christian Television. Pray now as you have never prayed before. Exercise your spiritual authority and bind the Power of the enemy! (Matthew 18:18) Now is the time to take the offensive and attack the devil's strongholds. Praise God . . . "the weapons of our warfare are not carnal but are mighty to the tearing down of strongholds". (II Corinthians 10:4)

Jesus never told us to "Hold The Fort"! He did say, "Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you." (Luke 10:19) Glory be to God — we have all that we need to conquer in His Name. Claim that lost son or daughter . . . **NOW** in Jesus' Name! Snatch that alcoholic husband out of Satan's grasp, **NOW** in Jesus' Name! Receive your healing **NOW** — in Jesus' Name!

Yes, God is in a hurry because Jesus is coming. We haven't long to work. Your new TBN Studio will enable us to double our output of Christian TV production. This will help feed the network which God is creating. Already San Diego, Phoenix, Dallas, Indianapolis, Chicago and Seattle are receiving TBN programs. Our High Adventure program is now on a great network of over 400 cable TV stations! Praise the Lord! 1976 will be **THE YEAR** for Christian Television explosion. Pray for it and watch for it because it is coming! God has shown many of His servants this will be the year of **HARVEST**.

As Jan and I earnestly sought the Lord during the birth of TBN, God burned this scripture indelibly into our souls:

*Say not ye, There are yet four months, and then cometh harvest; behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest. And he that reapeth receiveth wages, and gathereth fruit unto life eternal: that both he that soweth and he that reapeth may rejoice together. (John 4:35, 36.)*

Pray for your TBN and Channel 40 earnestly — this is a spiritual battle and we will win it on our knees.

Are you ready for this final chapter of Earth's history! Are you ready for Jesus to come? If you are not sure, pray this simple little prayer now:

*"Dear Father in Heaven, I believe your Son died for my sins. I open the door of my heart and I receive Jesus as my Personal Saviour. I believe that His precious blood is washing away my sins. Thank you, Lord for saving my soul and for making me Your Child. Amen.*

God bless you — write to us if you have accepted Jesus and we will send you some Christian literature and a Bible if you need one. Begin now to share your testimony with others as you confess Jesus with your mouth.

God bless you our beautiful TBN Partners. If we can minister to you in any way be sure to call us on the PTL Program.

And, always remember — **"LET EVERYTHING THAT HATH BREATH — PRAISE THE LORD!"**

Sincerely your brother in Christ,

*Paul*

# Thank You for Your Love & Your Letters

Dearest Jan and Paul:

How we love you more each day for your faithfulness and obedience in Christ, Praise God for Jesus and all of you.

This miracle of TV television has changed all of our lives in our family. At least one dozen souls have been saved and rededicated because of your love for Jesus.

Prayer with your phone counsellors have sustained and strengthened us. Please accept our praise offering. You truly lift up Jesus!

Channel 40 is a bright light in a dark world. We pray with you always and pray for souls to be saved. When the Holy Spirit fills you it is as if He also reached out and fills us. We glorify God together. In Christ our Lord we love you.

Lorna Addis, Covina, CA.

Hi Sis Jan:

Just a few lines to let you know that we give God all the praise and glory for OUR Channel 40. My brother-in-law told me that when you come on the air my whole face lights up. I really love watching and listening to you and Paul. We were watching you and Paul the night we accepted Jesus as our personal Saviour. Since then four of my brothers-in-law and their families have been saved. My niece, Karen Steward accepted Jesus Thursday night watching PTL with us. We just love Jesus so much.

The Tobler Family,  
Fontana, CA.

Dear PTL:

Hello my friends — I love you so much. Your program blesses our home. We thank you for coming into our lives. Jesus is so wonderful.

Bill & Penny Aggas, Oxnard, CA.

Dear Paul & Jan and TBN Family:

We just love all of you and thank God for our Channel 40. We have such a hunger in our hearts for the things of the Lord and for the last two years have really been spiritually fed. Every time we turn on Channel 40 we feel like our spirits are being fed filet mignon. Praise God!

Mr. & Mrs. Dan Albrecht, Anaheim, CA.

Dear TBN:

Praise the Lord for Channel 40! We are both up in our 80's and don't get to go to church at night much and if it hadn't been for 40, we would be very lonely.

God bless all the Partners and you all at the station, too. Rebecca H. Nier,  
Gardena, CA.

Dear Paul & Jan:

What an inspiration TBN has been to us. We have really enjoyed all the Bible Study programs as well as the PTL Club. I used to rush into the house to turn on my favorite "soup opera" — but now I switch on Channel 40 to learn more & more about Jesus.

Praise the Lord! Our lives have a brand new meaning now that we have rededicated our lives and been born again. Every day is a new day to do God's Will. Mrs. Otie Murdock, Pico Rivera, CA.

Dear TBN:

First of all, we want you to know how much TBN has meant to us. We haven't been watching too long, but we have already been blessed by your wonderful programs, especially PTL! My husband Bob accepted Christ one night while watching PTL, then a few weeks later I did too! (The night Pat Boone was on). We have since both received the Baptism of the Holy Spirit and are happier than we've ever been before!!

When my husband received the baptism of the Holy Spirit — he must have praised God for Channel 40 at least 4 times! He was so elated and happy I guess he just had to thank God for YOU, who had such an important part in our coming to Jesus and inviting Him into our lives.

Thank you, TBN Family, for all you've done for us, Love,  
Bob & Liz Stockton, Van Nuys, CA.

Dear Paul & Jan:

Praise the Lord! again for PTL. We watch it every night and have been blessed so much by it. Words of ours cannot express the joy we experience at learning God's love and mercy from the TBN people and the guests we have seen on some of your programs, i.e. George Otis, Pat Boone, Pastor John Avanzini, Pastor Hinkle to name a few. We both received salvation through Channel 40 and we pray every day for Christian TV to extend.

Don and Marjorie Wittig, South Gate, Ca.

### WELCOME TO NEW TBN SALES MANAGER AND MARKETING DIRECTOR

Tony Babaloni from the childrens CAP'N ANDY series, has joined the ranks of the TBN Staff as our Sales Manager and Marketing Director.

Known to his wife (Fran Ferrara), four children and two grandchildren as Vince Sanada, Vince was born into a closely knit Italian Christian family and found the Lord as his personal Saviour at the tender age of 7 and followed Him in the Waters of Baptism at the age of 13. You will find the entire Sanada family actively involved in their church's ministries.

A business and music major, Vince opened his own Italian Deli and Sandwich Shop and was quite successful. It was during this time that the CAP'N ANDY ministry was born along with the character, *Tony Babaloni* (the funny man with the horrible Italian accent) played by Vince Sanada. (You can see this program weekly (check TV log for your area). Approximately a year ago the Lord called

Vince to sell his business and enter into full-time Christian service.

As Network Sales Manager and Marketing Director, Vince Sanada also quarterly publishes the CHANNEL 40 TV GUIDE, produces and coordinates KPTL (Kid's Praise The Lord) in addition to coordinating several other programs while continuing to play the role of *Tony Babaloni* on the CAP'N ANDY series, and performing at birthday parties and church youth crusades.

Vince Sanada unlike his counterpart, *Tony Babaloni* functions in a very vital role for TBN. He ably assists the local pastor or church to see their dream of the local church service televised and has also worked with various ministries to share the message of hope with our viewers in Southern California, San Diego and Arizona. In addition, the local business man has welcomed Vince to come by and talk with him about advertising in our CHANNEL 40 TV GUIDE. Vince can be reached at the TBN business number, 714/556-0830.

# Welcome to Phoenix

This is our first opportunity in our Newsletter to welcome many thousands of new PTL Partners from Phoenix into our Trinity Broadcasting family.

In fact, we are changing the name of our monthly newsletter from TBN NEWSLETTER to TRINITY BROADCASTER so as to broaden the scope and appeal to Arizona and later on to Seattle. As many of you know, we are building a new TV station, Channel 22, in Seattle.

So, from all of Southern California — to all of Arizona

## Welcome, Welcome, We Love You!

Thank you for joining our great big beautiful TV family. Together we will see God do even greater miracles as together we work, pray and give to the Lord Jesus Christ. If we can ever minister to you in any way, be sure to call us on the PTL Program at 9 p.m. (273-1477)

Dear PTL:

How wonderful to first see the program last Wednesday evening. Then when it was live right here in Phoenix — WOW!

So marvelous to hear of God's healings, etc. Thank God for your joyfulness and openness on the air. It's very contagious. I hope everyone — "catches it"!

We want Phoenix to be the start of a great revival here in Arizona. We believe this.

JoAnne Cordon,

Dear Family:

A great big welcome to the TBN and especially the PTL program!

The PTL program is outstanding. I tried to call so many times but was unable to get through — it was good to hear the announcement that more phones were going to be available.

The Lord has certainly answered prayer in the recent development of your involvement in Channel 21. You can just feel the presence of the Lord during your PTL Programs and this is so needed.

Helen Farmer, Phoenix, AZ.

Dear PTL:

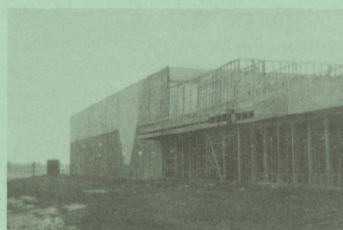

I have never been so turned on for God in my life.  
Carol Conroy, Phoenix, AZ.

Our New  
TBN  
Home

It has been exciting to watch the formation of the "new home" for TBN, Miracle after miracle has taken place as the walls have gone up. God has quickened the hearts of the right men to come along just when needed and to add their craftsmanship to our new home.

The building is about three-fourths completed! By January 10th we will be ready to install the roofing and dry wall. With the glass installed, the rain will no longer be a problem. The inside will progress very rapidly and we should be settled in March.

Our chapel is receiving intense priority. We are working on a special assignment for the interior design. The hopes and dreams will come to fruition within the next few months! Oscar Cole — Construction Superintendent
