PRAISE THE LORD

WE GOT TV 21

Beloved Co-Partners:

The long vigil for Channel 21 is over! *Hallelujah!* On July 21st, the Federal Communications Commission granted the transfer of the license of Channel 21 to Trinity Broadcasting. All praise to His Glorious Name!

God has forged the next great link in His chain of Christian Television which will soon be joined together with your great Satellite Station to sweep this last great world harvest into the Kingdom of God!!

The most exciting aspect of this glorious work of the Holy Spirit is the fact that Jesus said this would be the **LAST GREAT SIGN OF HIS COMING!**

This Gospel...shall be preached in all the world...AND THEN SHALL THE END COME. Matthew 24:14

I have heard preachers and Bible Teachers say for years - "Everything is fulfilled, Jesus could come today." But down deep in my spirit there was that question - Has the Gospel truly been preached to all the world? The honest answer to that question has to be NO. Oswald Smith, the great missionary statesman says that at least half of earth's four billion people wait to hear the gospel of Jesus Christ for the **FIRST TIME!** Simple logic dictates that if the gospel had been preached to all the world, Jesus would have already come and we would be in heaven.

But praise the Lord, this gospel **IS BEING PREACHED!** For the first time we can see how God is going to do it. **Satellite Christian Television!** Doors of opportunity are literally bursting open to us. In addition to Guatemala, Indonesia, Haiti and Israel, new doors are opening in places like Korea, Philippines, Australia, Mexico, Africa and on and on....

Beloved Partners, this particular sign of Jesus' coming is the most powerful and exciting of all the signs to me, because this one pinpoints most exactly the time of His coming. Jesus said this would be the **LAST SIGN** just before He comes to receive us!!! Praise the Lord!

Love Letters From our Family

Dear Paul & Jan: Praise the Lord! Everthing in my life seems to be going wrong. My marriage was just like a road under construction. My job was and still is on strike for 6 weeks. A child who is sick with mental and physical problems. I was at the point of NO RETURN. Trying to sleep in bed at night with all these problems was like sleeping in an ant bed. One night, two weeks ago, I got up (Satan told me to pack my suitcase). While I was getting ready to go, I turned on the television set. The devil was having his normal parties on VHF. Then I turned to UHF which I hardly ever watch. And there I saw someone Praising God on Channel 40. I sat down for a moment and there I stayed on the couch watching and praising the Lord! All night long!!! And every time I started to get up another program would come on and the first thing the minister would say, "Would you like to know God?" My heart cried out, "Yes, Yes! After I accepted the Lord in my heart (4:30 a.m.), one Thursday morning. I said yes, yes, yes, yes, come on in Lord and He did! But I said, "Lord, I still have a marriage problem, a wife who fusses all the time...What am I going to do about my marriage. Before I could turn on the TV set, another program came on. The title was ENJOYING MARRIAGE. Did I sit back down? You bet I did. And enjoyed the show. I had never seen a program on marriage like that before. Now my wife and I are enjoying marriage like we are having our first honeymoon. Paul and Jan, please forgive me for writing such a long letter, But I have found Christ!! And the Spirit is just bubbling up inside! I have just got to tell somebody!! The next morning I got up, my wife thought that I was going to be mad, but oh Praise the Lord I was all smiles!! I had a new heart. She said what happened to you last night? I said I found the Lord, but I also found a new television station, Channel 40 and Jesus is on the air. Praise the Lord!! That same day we both started watching Channel 40 and she accepted Christ the next night and we haven't watched another day soap opera and the devil television show since. Praise the Lord! The only thing she is mad about is I didn't wake her up at 4 o'clock in the morning to Praise the Lord! ...Paul and Jan, we are still rejoicing. Now I don't have to stay awake at night anymore. Because Jesus watches over us while we sleep. The only trouble now is we have trouble getting up. Please send a Bible and any other literature you might have. When I return to work we will send a love offering to your station. Pray for the wife and I and two children. Praise God. F. Holmes, Los Angeles.

1,000,000 PRAYER WARRIORS

A million consecrated, dedicated holy prayer warriors running prayer interference for the expansion program of TBN, will make possible the speedy evangelism of the world by satellite television and hasten the Lord's return.

Prayer Warriors need to know that with no one to shoot down Satan's constant counter attacks, the Leadership of TBN could be overwhelmed by these attacks and the entire ministry collapse.

You can become a TBN Staff Member-at-large, by joining the ONE MILLION PRAYER CHAIN and faithfully keeping your prayer vigil. By this means, in Heaven's Book, you can become a genuine television celebrity, and you can choose and decide your own rank by the faithfulness and length of time of your intercession. Fifteen minutes a day is good but an hour or two or more will certainly increase your eternal rank. Perhaps some of you have felt you could never become important. Here is your chance. The real makers of history have been the prayer warriors.

Our desire is to bind all PRAYER CHAIN MEMBERS into a united, unbreakable fellowship of prayer who will feel themselves an integral part of TBN. Because *prayer is where the action is*, through the prayer program, all prayer warriors may become an essential part of the ministry of TBN. Perhaps you never thought you could become important. By "running prayer interference" for the expansion vision through intercession for the TBN leadership, in Heaven's Book you may become as important to the ministry as Paul or Jan or any other member of the staff.)

The expansion program, with its last-days world-wide vision, can be supported and maintained only by a massive prayer operation. Without it, Satan's vicious efforts to scuttle it COULD be successful. Vast armies of evil spirits are mobilized in the unseen to constantly harrass, oppose, hinder and cripple the fulfillment of the vision. The Apostle Paul says, "We wrestle not against flesh and blood," Phillips translates this Ephesians 6 passage this way, "Our fight is not against any physical enemy, it is against organizations and powers that are spiritual. We are up against the unseen power that controls this dark world, and spiritual agents from the very headquarters of evil." Ephesians 6:12.

Pauls letter cont' from page 1---

Now is the time to pull out all the stops - Now is the time to deliver that final knock out blow to Satan and His Kingdom. Now is the time for Jesus' Body to come together in total unity and love to accomplish the great task that Jesus commissioned us to do. And Praise God - WE ARE DOING IT!!

Thank you for being a part of this last great sign of His coming. Thank you for fasting and praying until Phoenix came through! Thank you for going above and beyond the call of duty into the realm of sacrificial intercession and giving.

But the battle is not over yet! Some of your loved ones are not yet saved - many of our own neighbors are lost without Jesus. Phoenix is not yet on the air, Haiti does not yet have Christian Television - on and on we could point out the needs. So continue to pray, work and give. We'll leave it all behind very soon! All that so many of us hold dear today will be "wood, hay and stubble", when we stand before our Lord.

God bless you, our faithful partners, we love you more than human language could ever express. We are praying for you and your needs. Let us hear from you if we can help you or minister to you in any way. Our PTL Counselling lines are now open 24 hours a day. Praise the Lord!

Until we see you on PTL or in the rapture - remember....

LET EVERYTHING THAT HATH BREATH, PRAISE THE LORD!

Paul

The Miracle Birth of TBN and Channel 40-TV

Plans are underway for THE MIRACLE BIRTH OF TBN, to be put into book form for nationwide distribution. Mr. Dan Malachuk, founder of Logos International, has requested that the timely book be edited by his world-famous organization. It will be more than a documentary on the miraculous beginnings of Trinity Broadcasting Network. It will be a television manual for encouraging and educating others upon whom the mantle of leadership has fallen in the Christian TV realm. It is hoped that other qualified and anointed ministries will be inspired to enter this front line thrust to saturate the air waves with the Gospel Message and give the winds a Mighty Voice - JESUS SAVES!

Reaching Around the World

The Trinity Broadcasting Network Holy Land Fall Tour will be hosted by Paul & Jan Crouch and Pastor Bracy Greer. The eleven day tour will include points of interest in Israel, Syria and Jordan. John Noseworthy, our Tour Coordinator promises this will be a momentous time of inspiration. Paul & Jan will spend three days with the Tour Group in Jerusalem, leading in worship and praise services right on the very spot where praise was first initiated in Solomon's Temple. Bracy Greer teacher and pastor will share his great wealth of Biblical knowledge "on location". Another LIVE SATELLITE broadcast will beam from the Mount of Olives.

There is a special crusade planned for Haiti and Jamaica from August 26st thru September 2nd. The group will be flying National Airlines, Air France. Jan and Paul will be assisted by Jerry & Sandi Barnard, Jacques Fourcand, TBN Counselors and other Christian Missionaries and Workers in an all-out effort to evangelize these needy areas.

The Second Crusade will be in Guatemala City as Manuel Bonilla join Paul & Jan, in a special crusade in November. Manuel has rented a 40,000 seat auditorium for the meeting. The video tapes of "Demos Gloria A Dios", the Spanish version of LET'S JUST PRAISE THE LORD, are shown in 2-hour segments every week all over Guatemala and coverage extends over into Mexico. The response has been tremendous and many have received new life in Jesus through this missionary extension. For this reason excitement is mounting as the day of this Crusade draws close. If you would like to make this "missionary journey" with us, contact John Noseworthy, TBN Tour Coordinator.
