French Praise The Lord Program "on the air" in Haiti!

Beloved TV CoPartners:

In my name shall they cast out devils; they shall speak with new tongues;....They shall lay hands on the sick, and they shall recover. Mark 16:17,18

As this newsletter goes to press, Jacque and Gladys Fourcand are in Haiti making final preparations for our Soul Winning Television Crusade. With them is the first French language 'Praise The Lord' program which will be aired just prior to the Crusade and then weekly after we return from Haiti!

Praise the Lord, you are our partners in this new great thrust into the whitened harvest field. Continue to pray for us as we go in obedience to Jesus' command in Mark, chapter 16. Satan has already began his vile counter attack, but, 'Praise God, we have the victory already in Jesus' Name!

We will give you a full picture report on PTL just as soon as we return.

OKLAHOMA CITY: Continue to pray for Channel 14 in Oklahoma City. We are faced with a competitive hearing at the F.C.C. for this Channel. However, we are moving forward full speed in Jesus' Name! We expect to close escrow on 35 acres in Northeast Oklahoma City which is the site for the thousand foot TV Tower, within the next two or three weeks. We expect to have our construction permit by the end of this year. You precious partners in Oklahoma City, keep praying and praising God for your new Christian Station. We in California are praying and agreeing with you! *Praise the Lord!*

PHOENIX: GLORY!! By the time you read this report, KPAZ in Phoenix will be **ON THE AIR!** Thank you Jesus! Continue to pray for us as we move on into this new dimension of Christian Television and Possess the Land! Phoenix Partners, we really need your support **NOW** as never before to get up and get going. Our monthly budget for everything including the payment of the Bond interest will be about \$30,000 per month. This is a big step of faith for all of us, but our God is able, and because of that we are well able to possess the land!

We're only taking 200 this time and over 100 have already signed!

Exciting plans are being made for our next big Holy Land Tour in October. The tour, hosted by Bible Teacher, Pastor Bracy Greer, will leave the Los Angeles airport on October 10th for 11 power-packed days in Israel, Syria and Jordan. Brother Greer's fine teaching ability and knowledge of the history and geography of Bible Lands will enable him to make each beautiful site come alive with 'on location' teaching. Amman, Damascus, Petra, Arumah, the Dead Sea, Haifa, Allenby Bridge, Jericho, Samaria, Galilee, Capernaum and Nazareth, are a few of the geographical locations that will be visited.

Jan and Paul will spend *the* days in Jerusalem with the tour partners. Inspirational worship services will enhance the beauty of the Upper Room, Gethsemane, the Garden Tomb, etc.

The Second Satellite Special will highlight the tour with Roger McDuff and other TBN hosts and teachers in a night to remember atop the Mount of Olives. Arizona and California partners will view the program live and have a part in worship and praise that will extend halfway around the world. JOIN MAYOR TEDDY KOLACK AND 200 beautiful PARTNERS.

If you plan to make this tour, be sure to send in your \$100 deposit to assure you a seat to: John Noseworthy, Tour Coordinator, c/o TBN.

Join us for a TRIP of a LIFETIME! The McDUFF Bros. might go, too!

Audrey & Her Kids!

Audrey Mieir

See! I will not forget you. I have carved you on the palm of my hand.

Isaiah 49:15-16

The TBN Adoption Program segment of the afternoon LETS JUST PRAISE THE LORD with Audrey Mieir, is shown every other Tuesday from 3 to 5 p.m. Our amiable hostess works in conjunction with the Orange County Adoption Agency and the Foster Parent Program in an effort to place children in responsible, loving homes.

Carol Papay of the Adoption Bureau reports that nineteen children have been shown for adoption on the program and five have found homes.

Marilyn De Cesesare informs us that forty children have been shown and seven have been placed in foster homes. She feels the exposure of the Foster Home Program to the TBN viewing audience has been "extremely beneficial and has done immeasurable good".

I'LL NEVER BE LONELY

Words and Music by AUDREY MIEIR

Lonely days and lonely nights
filled with despair,
caused me to long for
someone to care.

Then I heard Christ say to me

"This promise I've made:

Lo! I am with you,
now, and forever,
be not afraid."

Love Letters From our Family

My Beloved Brother & Sister: Oh!! How wonderful it is to know Jesus. Three months ago I was reborn again with the beautiful blessing of the Holy Spirit and thanks to Channel 40, you see, I'm a TV repairman and I own a small shop in Bell Gardens. One day I had just repaired a TV set and decided to leave it on Ch. 40 to make sure there was nothing else wrong with the set, I was deeply moved by your program that I just had to get involved. After saying the sinner's prayer, something happened, I began to cry, I cried and cried, and then my whole life changed - and it's still changing for the best! Oh! Jesus is so beautiful, there is no words for the way I feel, that joy and love that He has given me for everyone - even my enemies, which I pray for every night. "Oh, how I love my Jesus". Thank you, Brother Paul for your wonderful letter, by the way will you send me my birth certificate and a large print Bible. By the way, here is my monthly pledge of \$10 and another money order for \$65 which has a story of its own which I will tell you in my next letter, I'm sure you will use it where it is most needed. I have three or four sets playing at the same time while I am checking them out and I put them all on Ch. 40. Boy! You should see or feel the spiritual power it builds up in my little shop. Receive God's blessing with all my love. A. Lorigo, Downey, Ca.

10,000 at Hallelujah Hollywood*

The glittering Sunset Strip came alive the night of July 29th when thousands of turned on TBN partners joined Arthur Blessitt, Jan and Paul Crouch for a Victory March! Hollywood and Vine was the location and "Jesus Loves You", the theme, as men, women and children, shared their faith with the local citizenry.

Traets, Bibles, Christian papers with headlines such as, "Christ Is Coming", were distributed throughout the area. Arthur's stickers reading, "Smile, God Loves You", were worn by many, but even more important was the glow on the faces of the marchers which transmitted the same message with an added postscript, "We Love You Too!" 10,000 JACK CHICK TRACTS AND OVER 75,000 JESUS STICKERS WERE GIVEN!

The LOS ANGELES TIMES carried an article and picture of the event in their paper the following morning, but they missed the main attraction. The most important happenings were the many who received the Lord into their hearts and lives. They are however recorded accurately in Heaven.

All down the Hollywood Boulevard were miracles, too numerous to mention. A crippled man leaped out of his wheel chair, healed by the Power of God! Those who were nearby joined him in crying and jumping for joy, clapping their hands and praising the Lord unashamedly.

Another miracle took place when a casual bystander asked, "What language are you praying in?" When given the Gospel message and the Baptism in the Holy Spirit explained, he immediately received the Lord and after prayer he wept and cried, "I feel so different! I feel so light!" He had laid down his load of guilt and sin at the foot of Calvary and as others pressed around extending Christian love, he exclaimed, "This is fantastic!" The flood of love that united the whole group of witnesses that night was so dynamic that many were swept into the Kingdom by its irresistible tide.

A few of the transformations that took place were the Jewish lady who received Jesus as her Messiah and the drunken man who was sobered and delivered through the power of the Holy Spirit. Then too there was the Hollywood Director's wife who had come to the Strip to shop and who went home that night with "the Pearl of Great Price".

There were many who stayed on into the wee hours of the morning, witnessing and praying for those who were hungry for the Bread of Life. Rich and poor, young and old, regardless of their station in life or appearance were given the Good News. Only eternity will disclose the entire story of what really took place. No doubt the precious ones who refused our lovely Lord are the object of prayers and intercessions even now. The little drunken lady that turned away hurting, when she heard of THE WAY, the blind man who fought so hard and lost because of his inner conflict...the homosexual who caught a glimpse of freedom only to remain fettered...or the prostitute who saw true Love in its absolute.

Hollywood and Vine will never be the same, nor will the Christians who made such a strong frontal attack on Satan's territory. Some had their first experience in giving out the dynamite of God that could explode into a chain reaction of atomic proportions. It was truly a HALLELUJAH HOLLYWOOD time and its results are infinite!

Paul's letter cont. from front page!!

SAN FRANCISCO - FRESNO: Calls and letters of support continue to increase from your area for which we praise the Lord, however, we are still short of the funds needed to pay the monthly air time bills for Channel 26 and Channel 53. Please pray and continue to spread the word to others about the PRAISE THE LORD program in your area. A few weeks ago, Pastor Jim Spillman and I stood on Coit Tower Hill in San Francisco with 10 of our PTL partners. We planted a little stone from Mount Calvary which Jim had brought back from the Holy Land. We claimed the Bay Area for Jesus that day. Pray for a great breakthrough as Pastor Kenny Foreman helps lead the live PTL programs on Channel 26. We are also claiming a whole TV Station for Jesus in the Bay Area. Pray, Pray, Pray....Seattle, Denver, Houston, Honolulu.

Applications are pending on Seattle and Denver. We could have construction permits in these great cities before the end of this year. We will file for Houston, Texas TV Station before the end of September. Pray. We have formed Trinity Broadcasting of Hawaii (TBH) and are preparing our application for Channel 14 in our 50th State! Praise the Lord!

Beloved Partners, Let's Go! Let's pull out all the stops. The Finish Line is in view! We are going to make it! Your family IS going to make it! Those unsaved neighbors and friends and relatives are going to make it as we claim them in Jesus' Name! Begin to exercise your God-given authority NOW. Jesus said we are to cast out devils, we are to speak with new tongues, we are to lay hands on the sick! Praise God, WE ARE DOING IT!

Jan and I love you all more than ever as we feel the uniting power of the Holy Spirit working mightily in us and this beautiful television ministry. Thank you for being our partners as we press toward the mark of the high calling of God in Christ Jesus.

Paul

For I was hungry and ye gave me meat: I was a stranger and ye took me in, Naked, and ye clothed me...

And the King shall answer and say unto them...

as you have done it unto the least... ye have done it unto me!
