"1979" THE YEAR OF WITNESS!!

Beloved TV CoPartners:

1979 is being directed by the Lord as our greatest year of WITNESS! Jesus said:

→ And ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth. (Acts 1:8) ←

Praise the Lord, as we unite together through this great TV network which God has raised up, we can literally sweep around this earth and be those WITNESSES which Jesus has commanded us to be!

If Jesus tarries, here are some of the exciting things that we will all do TOGETHER this year!

March 20-30, we will take another group to the Holy Land for eleven days of WITNESS! Pray for our Hallelujah Jerusalem as we tell the GOOD NEWS of the Messiah--Jesus! We will send our third great satellite broadcast LIVE from Mount Zion and link all of you, our precious partners, together with us and Israel. This time we will be using TWO satellites--one to send the signal from Israel to America and our U.S. satellite which will cover North America with the glorious LIVE two-hour "Praise the Lord" program from the Holy Land. Some of you will be led of the Lord to go with us; others of you will be led to intercede and pray for God to make our witness powerful and effective! Praise the Lord, whether we go or stay, we are united together as ONE with the precious body of Christ and with one another as HIS WITNESSES!

Plans are moving rapidly for our new orphanage and clinic in Haiti. How Jan is pressing us to move and begin caring for her BABIES who are suffering so severely in that dark land. We will visit Haiti again this year sometime to get this project fully underway. Jacques Fourcand has just returned and will give us a full report on the land which the government has offered to us for this work. Praise the Lord! We will be WITNESSES in Haiti in a brand new way this year. Of course, our weekly "Praise the Lord" TV program continues in both French and English as it has for the past two years.

This will also be the year for massive WITNESS in Indonesia! We will begin with our Indonesian "Praise the Lord" program in Bali and later expand it to the entire country by satellite. In June, we will move to Jakarta, the capitol city of Indonesia for a great evangelistic crusade with Mel Tari and a Hallelujah Jakarta! We expect

Fast and Pray for OKLA. CITY

As many of you know, we were not the high bidder for Channel 25 in Oklahoma City. We placed our bid for 3 million dollars, but the John Blair Company of New York City bid three million five hundred thousand dollars. God has closed this door so we now know He wants us to hold on for Channel 14! This is the original channel which we applied for, so pray that God will speedily work out our competitive process with the Outlet Company of Providence, Rhode Island so that we can proceed to build this new Channel 14 for His Glory and 100% Christian Television. We will be able to build our Channel 14 for approximately one million dollars so we can see the Hand of the Lord working in this whole process.

1979 will be the year for Oklahoma City!! Pray, Pray, Pray! We will let you know the moment any news breaks on Oklahoma City.

Love Letters From our Family

Dear Paul & Jan,

Praise the Lord! I enjoy your programs so much. It has brought me so much closer to God. I have a wonderful miracle to share with you. I called in and shared it with a sister counselor Saturday but I also want to put it in writing.

My 15½ year-old son left home. He was involved with drugs, not going to school and just far away from us, his parents. Wednesday night, the nineteenth, I was watching TBN and felt a strong urge to call in a prayer request for him. I spoke to a brother counselor and we prayed for his healing (Ask and ye shall receive when two people agree on anything). After I spoke to him I felt so good and knew Jesus was going to answer my prayer.

I admit I got impatient and expected him home the next day. Then I stopped and told myself, "You're rushing God, have patience and let him do his work." So I started praying for patience. Then on Friday the twenty-first, at 1:30 in the afternoon, a knock came at my door and there was my son, "Mom, I'm home and I love you." I told him I loved him too and had prayed Jesus would send him home.

We had a long talk that night and the next day he and his two friends went down to the clubhouse and were offered pot by a boy. They all said no. He told me when he came home about this and he said with a bewildered look on his face, "Mom, I can't explain it but I just feel different inside." (He had told me the night before that while he was gone he had taken something with his two friends and they had all had a bad trip.)

That was when I asked him what night he had his bad trip and was so very scared. He said Wednesday night at almost the same time I had called in my prayer request. I told him this and his eyes got big and said, "Mom, it's working!! I'm going to straighten out. I know I can. Oh, Praise the Lord! I'm so thankful God loves us so much. Pray for us please! I know we will have our trials and tribulations but I have faith God will see us through them.

I'm enclosing a love gift to TBN. I only wish it were more. God bless all of you connected with the network. I love you all! Praise the Lord!

Dear Paul and Jan,

Just a note to thank you for obeying the Lord regarding Channel 21. A whole new dimension of faith has been opened up to us through watching and listening. Our faith has moved from our head to our heart. For the first time, I really KNOW God loves ME. Not because of anything I am doing but just because I am ME.

Have to tell you the Lord told us to double our pledge this telethon. We obeyed. My husband got a raise and two weeks later his raise was doubled.

We gave because the Lord said to, knowing He would provide the means, but never dreaming anything like HE did. No words are adequate to express the praise the Lord is entitled to.

Praise the Lord for Channel 21 opening the door to the joy and blessings God wants to give us. Love in Christ, Gwen and Charles Ashbrook, Phoenix, AZ 85031

DESTINED FOR THE THRONE

Paul F. Bilheimer

CHRIST'S EXALTATION AND THE CHURCH'S ENTHRONEMENT

When Christ took His seat in the heavens, He proved conclusively that Satan's devastation was complete, that he was utterly undone. Hell was thrown into total bankruptcy. Satan was not only stripped of his legal authority and dominion, but by an infinitely superior force he was stripped of his weapons also. But this is not all. When Jesus burst forth from that dark prison and "ascended up on high," all believers were raised and seated together with Him. "But God...brought us to life with Christ.... And in union with Christ Jesus he raised us up and enthroned us with him in the heavenly realms." (Ephesians 2:4-6 NEB)

IDENTIFIED WITH CHRIST IN HIS EXALTATION AND ENTHRONEMENT

We are not surprised that *He* is exalted and enthroned in the heavens. What is difficult for us to comprehend is that *we* have been exalted with Him. Yet if "he that is joined unto the Lord is one spirit," (I Corinthians 6:17) it cannot be otherwise. We are not surprised that "all things have been put under *his* feet." "What we have failed to comprehend is that as part of Him, His Body, all things are also legally beneath *our* feet. What we do not realize is that He is "the head over all things *to the church*." (Ephesians 1:22) This means that *His Headship over all things is assumed and held for the benefit of the Church* and is directed toward His purpose for her. *We have underestimated the supreme importance of the Church in God's economy. She is the center and motive of all His activity from all eternity.* He does nothing solely for His own sake. She is included as a full partner in all His plans. The Church is His Body, the fullness of Him that fills all things everywhere. *He is not full or complete without His Church which is His Body.* This is true only because of God's voluntary self-limitation. In the absolute, God is wholly self-sufficient. He needs nothing and can be served by no one. Yet He has chosen voluntarily to limit Himself in order that the Church may become His judicial equal. It is true that the Body cannot function without the Head. It is just as true that the Head, by His own choice, cannot function without the Body. Both are equally important to the accomplishment of His plan.

AFFIRMATION OF IDENTITY

We need constantly to remind ourselves of our identity by affirming: "Because I am a part of Christ, 'accepted in the Beloved,' I hold the same place in the Father's bosom as He does. Because I am a part of Christ, the Father loves me as much as He loves Christ (John 17:23, 26). Because I am a part of Christ, I have His wisdom--because He is made wisdom to me (I Corinthians 1:30). Likewise I have His righteousness. My righteousness is as good as His in the eyes of the Father because it is *His* righteousness. Because I am organically a part of Him, because Head and Body are one unit, *all that Christ is and has is accredited to me.*"

THE UNLIMITED POTENTIAL OF THE CHURCH

All of this is assurance that it is God's intention that the Church militant should walk in the same life, power, and divine liberty as Jesus walked. "As the Father hath sent me, even so send I you." This "even so" suggests that we are sent under the same circumstances, with the same authority, and with the same resources as the Father sent the Son. *God does not set any arbitrary limits to the Church's use of divine resources.* He has made available all that He is to a believing Church. "Of his fulness have all we received." (John 1:16) "And to know the love of Christ, which passeth knowledge, that you might be filled with all the fulness of God." (Ephesians 3:19) *All limitation is on the part of the believer.* One saint realized the full potential of walking with God, clear up to translation. What one man did by faith, it is conceivable that others may do. God has given us the keys of the kingdom of heaven, but He does not compel us to use them. He waits. The rest is up to us, His Church. In His triumph over Satan He has given us the needed weapons. How well we use them is our responsibility and may well determine our rank in the Bridehood.

100,000 to attend this crusade so please pray, pray, pray for miracles of salvation, healing, and deliverance!

We have been invited to come to the huge women's prison in Fronteria, California, for an evangelistic rally. Jan and I with Spirit Song will have the joy of ministering the love of Jesus to over 800 inmates. We will be His WITNESSES in prison during February of 1979! PTL.

In April, we move back to the Shrine Auditorium for our GOOD FRIDAY Rally--two great services at 1:00 pm and 6:00 pm. We will dramatize again the crucifixion of Jesus, adding for the first time his walk up the Via Dolorosa with his cross. Bring unsaved loved ones and friends as we WITNESS together the death and resurrection of our JESUS!

In July, we will bring again the great international convention of the Full Gospel Business Men's Fellowship from New Orleans. Oral Roberts, Demos Shakarian, and others will share the Gospel in a unique way to reach men and women, boys and girls for Jesus. Jan and I will be there to host your PTL program from New Orleans and bring you all of the exciting events LIVE VIA SATELLITE!

October plans call for another great witnessing crusade in Honduras with Manuel Bonilla. For over one year, we have been sending Spanish PTL to this needy Central American country. Now is the time to "PULL IN THE NET" and bring them to Jesus. Pray for your TBN team who will travel to Honduras to be your representatives and Jesus witnesses this year! PTL!

Of course, May and November will bring our two great weeks of telethon and this year on November 23, we will have another great Thanksgiving WITNESSING RALLY at the Anaheim Convention Center! Come believing and if you can't come--pray for a great night of soul-winning and miracles.

Beloved Partners, 1979 could be THE YEAR! Yes, Jesus could come before another year rolls by! Let's be HIS WITNESSES this year as never before--around the world with TBN and next door to that lost neighbor.

Please continue to be faithful with your prayers and regular monthly love gifts and pledges to your TV ministry. WE CAN DO ALL THESE EXCITING THINGS AND MORE--as we are faithful to the pledges we have made to God. Please know that Jan and I are praying for you more intensely than ever before. We love you, love you, love you, more and more as we unite body, soul, and spirit in Jesus to fulfill HIS glorious command,

"YE SHALL BE MY WITNESSES"

In 1979!

them come in; I want my house to be full.
