## Beloved TBN CoPartners:

**GOOD NEWS!** Through special arrangements with I.C.I., International Correspondence Institute, TBN is now offering Bible Correspondence Courses. The Word of God says:

*Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.*  
II Timothy 2:25

There are three separate courses available. The first on SALVATION, the second on the HOLY SPIRIT, and the third, on PERSONAL EVANGELISM and SOUL WINNING.

So many of our beautiful partners have said, "We want to know Jesus in a deeper personal relationship." "We want to know the *fullness and power* of the Holy Spirit, we want to obey our Lord and be a *Witness* to others, but we need instruction and direction.

Well, Praise the Lord! You may now have that help through these inspirational, easy to understand Bible Correspondence Courses. Simply write to TBN, P.O. Box A, Santa Ana, Ca. 92711 and request to be enrolled in the course. You may take all three courses (they will be sent to you one at a time until each course is completed and graded), or only one or two as you feel led of the Lord. You may also request the courses to be sent to relatives and friends whom you are praying for.

Beloved partners, the time is growing short. Jesus is coming so very soon. Let's work for Him as never before. The Prophet Daniel said:

*And they that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars for ever and ever.*  
Daniel 12:3

Begin now, to pray for this new ministry through TBN. Let's believe God together for a powerful new evangelistic thrust for the Kingdom of God. Let God speak to your heart about personally taking the courses and then putting truths learned into practice. As you do a beautiful new dimension of God will become a glorious reality in your life. As you develop and grow in the Lord and as you see God do miracles and exploits through your life, be sure to share the testimonies of praise with the rest of your TBN family. We'll be anxious to hear what the Lord is accomplishing through you!

Our special thanks to Pastor George Wood of Newport Mesa Christian Center and to his father, Dr. George Wood, for helping to organize the volunteers and resources on these Bible Correspondence Courses. Please pray for them as they help us lead this significant new department and program of TBN. Help us believe God for the miracle of extra finances which will be needed to carry this exciting new ministry forward. The cost of the courses, new stationery, postage, etc., will be needed, but I know God will supply. If you feel led to do so, slip in an extra dollar or two. If we will all share, the need will be met without being a heavy burden on any one.

God bless you our beloved TBN Partners. We love you and actually feel closer to you than to many of our own blood relatives. But, after all, that's the way it **should** be with this Great Big Beautiful Family of God!

Keep praying, loving, giving, and witnessing 'till Jesus comes, but above all else, remember - Let everything that hath breath, PRAISE THE LORD!

Psalm 150:6

Sincerely, your brother in Christ,

*Paul*

# Dear Friends:

Setbacks come to everyone. What gives a person inner strength during the time of great stress? It is firm faith in Jesus, who is referred to as the Rock or Foundation in our lives.

It is only natural at times to feel overwhelmed by problems and difficult circumstances. In fact, we may find ourselves pressed to the point of giving up in defeat. But at that point, remember — all the resources referred to in the Word of God are at our disposal. Do not minimize yourself. You are a child of God and you must realize that “greater is He that is within you than he who is in the world!” The Bible says “The Kingdom of God is within you.” Think of what that means! God’s power and truth are built right into you if you have received Him as Saviour and Lord.

As you grow and develop in Christ, you will find that adversity can be turned to your advantage. But your growth and development will be stunted until you begin to develop the right attitude towards adversity. There is a responsibility here that rests upon you, for you are the one who must begin to refuse wrong thinking, wrong confession, that become the seeds for wrong action. The Scriptures say, “Thou wilt keep him in perfect peace whose mind is stayed on Him, because he trusteth in Him.” Turn your mind over to the control of the Holy Spirit, drawing upon all the resources of Heaven, and get ready to see mountains move!

## Your Gift of LOVE by Letter

Dearly Beloved,

Praise, thanks and glory be to God for our wonderful miracle TBN and Channel 40: which includes everyone taking part in the work! We love you all because of what Jesus has done in us through you! Oh may He continually enlarge our hearts and increase us in wisdom and stature with God and man.

Thank you for the beautiful TV Guide Special First Edition telling of the Miracle Birth of TBN. As I read the account to my husband, we both cried, and rejoiced, and loved you more. We didn’t know the deep travail of your souls, Paul and Jan, until we read your testimony. The Holy Spirit set us free from a selfish attitude that we didn’t know was present, and He is showing us many things about ourselves that we must forsake.

Everyone of the hosts on PTL are so dear to us; we thank God for His love that comes through to us so loud and clear. It is as if we had known you all your lives. We are so blessed by every program we get to watch, and wish to thank you all for sharing the love of Jesus with us. More love to you all, is our prayer.

Enclosed is our offering. Thank you for the bumper sticker. God bless you in reaching the unreached.

*Milo and Celestine Durrett*

Dearest TBN Staff:

God beless and keep you in your beautiful and very hard work for TBN.

My husband and I have come to the Lord by your love of the Lord. PTL has brought our two children, my sister, brother-in-law and their 3 boys, and in just the last week my mother and father, as you all say on PTL, we’re having a regular Georgia Camp Meeting and that’s really saying something for a bunch of native California “Catholic-costals.” *From Carlene Kennedy, H.B.*

**TBN Rally PROPHECY:  
Jerry Bernard**

You have willed it and there is no end and no limit to what you are going to do.

For the Lord himself would say unto you, the investments of time and money, the investments of life and blood itself that you have made for my cause have been noted by the Lord and has been taken note of even in the record books of heaven.

Fear not, neither seek the applause or the praise of men, for they will not always understand your vision. But believe and know that what I have willed and what I have begun, no man can stop, and no man can detour, and no man can take away, for I the Lord will cause my work to prosper and grow.

And there will be no storm, there will be no great power that will come against my will that will overpower it, for I will accomplish the work that I have set forth to do, for I am the Lord and it is my work, saith the Lord God Almighty!

This is a love letter, Myself and family went to the T.B.N. birthday rally, it was beyond words . . . One way to describe it is Peace blended with anointed love. I am claiming a healing of a blood disease when Brother Dwight Thompson sang stand up and be healed at Angeles Temple. I am witnessing and praising the Lord for it. I went to a prayer meeting Sunday night and told everyone what the blessed Lord has done for me. I also handed out many Channel 40 T.V. guides — and could use more. I also handed out some of the bumper stickers, and our Christian Brothers and Sisters were so pleased. We will be sending our monthly pledge soon for this wonderful love filled ministry. We just love you all so very much. Our prayers are continually with you.

I wanted the Lord to talk to me and He did! Jesus gave me Isaiah, Chap. 12 — All our Beloved in God’s family should read it. Our Father and Lord Jesus are so real — Praise the Lord. My heart is so full of love for you Paul and Jan and all of God’s Family at Channel 40. I had given up on speaking in tongues but received the Baptism of the Holy Spirit and my Heavenly language just the other night. Praise the Lord. God Bless and keep you. Your Brothers and Sisters in God’s (getting bigger) family.

*The Wood Family, Bob, Gloria, David, Tammy and Dana*

P.S. I dedicated my life to Jesus April, 4 ’75 at 9:00 p.m. My wife just a few weeks before that and my children were saved as a result of Channel 40 PTL.

The Lord is in our everyday life and our everyday life is in the Lord. We are growing fast because our depending is completely in Jesus. Our Trust, Faith, Hope, Truth and Life are 100% in His hands. Oh what hands to be in . . .

## TBN'S PROPOSED NEW HOME

**NEWS ON THE NEW T.B.N. PRODUCTION STUDIO:** Many have been asking, "When do you start building that new studio?" Well, we are as eager as you to begin construction, and we are happy to report that the day is getting very close now. It was necessary to have a landscape plan submitted to the Building Department before a permit would be issued. That plan has now been submitted, along with all other necessary plans, and we expect to receive our building permit within the next week to 10 days. When the crews begin construction, we will take our new little camera, Helen, down to the site and you can be a first-hand observer! Praise the Lord!

"Lord, send a **REVIVAL** and let it begin in **ME**."

The words to this beautiful song are flooding my soul right now and I wanna share something very special with you!

My heart is breaking to know that there are members of my own family, neighbors on my street and friends that I know and love and even **PEOPLE IN MY OWN CHURCH** that **DO NOT** know Jesus as their personal Saviour and will be **eternally LOST** — and what am I doing about it? Jesus told us that "we should be witnesses" **Acts 1:8** and to "go into the world and preach about the gospel of Jesus Christ "to all those that are lost". **Mark 16:15**

Our Dwight Thompson (bless his sweet heart) challenged all of the partners at the TBN Rally in Lancaster and let us know that **REVIVAL WILL NOT COME UNTIL SOMEONE LEARNS HOW TO PRAY**.

He related the story of how he was invited to a very large church in the south-east for a Revival. The church had once been one of the greatest churches in the Assemblies of God but at that time trouble was all around — the church had "dried-up" — lost dozens of members was **strif**-torn and God's heart was **BROKEN**.

The first nite he arrived — a sweet little-grandmotherly-prayer-warrior grabbed him by the arm with her cane, slung him around — pointed her cane in his face and said "Sonny, are you the **EVANGELIST**?" He said, "Yes, Mam, I am" She said, "Well, Sonny, do you **KNOW HOW TO PRAY**?" — He said, "I think I do mamma!" She said, "Well, we'll see!"

After about the 3rd nite with nothing happening he felt this same cane grab his arm again and as he turned he was looking into a little finger pointing into his face and he saw **UNHAPPINESS**. She looked at him and said, "Sonny, I thought you said you knew how to pray!" He said, "MAMMA, I do!" She said, "Well then we're gonna pray!"

To make a beautiful long story stort. This little angel said "I have 12 praying buddies we'll meet you tomorrow nite at 6:30 and we're going to **PRAY** for Revival!"

He arrived promptly at 6:00 the next night and there was a circle of chairs with a chair right in the middle. "Mamma" was standing right in the middle tapping the center chair with her cane and guess who sat there!

The beautiful point of this story is: **They began to pray for Revival in that Church!** They prayed and they prayed and they prayed — every night beginning at 6:30 and into the **morning** — sometimes until 2 and 3 o'clock, and as God promises in His Word, "God heard the cries and tears and prayers of His Children **II Chron. 7:14** and he said "If my people that are called by my name will **HUMBLE THEMSELVES** and pray&seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land."

In less than one week **GOD HIMSELF** visited that church and the Shekinah Glory began to pour in. One nite as Dwight walked the isles of the church ministering, God spoke to him and He said, "There is a man here tonight that is the seed of the trouble in this church. As Dwight began to weep God stopped him at one of the rows of seats — He looked down and straight into the eyes of a man. Dwight pointed his finger at this man as God directed him to do and said, "**SIR; YOU ARE THE MAN!**"

That man bolted up out of his seat — fell into the isle — screamed and slithered like a snake to the front of the church, fell across the alter screaming to God for His forgiveness. Others followed, screaming to the alter and began to confess their sins to God!

Before that night was over hundreds came forward crying out to God their Love to Him and for Him to forgive them their sins and **HEAL** their church!

Only the record books of heaven can reveal the true impact of that Revival on those people and on that Church — the Revival went on for weeks — the church was packed to capacity every night, (the bolt on the overflow crowd door — that had once been used — but had long been bolted up had to be pried off — no one even had the key. Columbus, Georgia will never be the same because one little grandma had so much love for the **lost** of her town — she cried out in desperation, "**SONNY, DO YOU KNOW HOW TO PRAY?**"

So, God is saying to me," Jan, do you know how to **pray**," and I'm saying, "Lord, teach me to pray." I want to see my family members living for Jesus, I want to see my neighbors finding Jesus, I want to see my church on fire for the Lord, I want to see **REVIVAL** come to LA and spread to all of the corners of the world.

— and now I know what I have to do. I have to pray — pray daily — and pray earnestly — confess my sins and humble myself and ask specifically — will you join me, partners. Please do.

I believe we can see a **REVIVAL** spread like it did in the book of Acts — I want to be a part of this **REVIVAL** so please pray with me, "Lord, send a Revival and let it begin in **ME!**"
