Beloved TBN CoPartners:

Shout for joy, O barren one, you who have borne no child; Break forth into joyful shouting and cry aloud, you who have not travailed; For the sons of the desolate one will be more numerous than the sons of the married woman, says the Lord. Enlarge the place of your tent; Stretch out the curtains of your dwellings, spare not; Lengthen your cords, and strengthen your pegs. For you will spread abroad to the right hand and to the left.

Isaiah 54:1-3

This beautiful, powerful promise was given to TBN by the Lord through two of our faithful partners many months ago. When this message came we hardly dared to believe that it applied to TBN. At that time we were barren - we had no TV station - we had no permanent home - we had no thoughts of reaching into other cities with 100% Christian TV.

But, praise the Lord, less than two years after this glorious prophecy came forth, God has created literally out of nothing a powerful TV station, Channel 40! We who were barren do indeed, *break forth into joyful shouting!*

We, who had no permanent home to house this beautiful miracle of God, are witnessing the rising walls of a gorgeous new studio home at the corner of Michelle and Chambers Road in Tustin! And since the Holy Spirit is in a much bigger hurry than we were, He has given us a new Glendale Studio fully equipped and going strong, for good measure! Glory to God!

We are literally *enlarging the place of our tent*, as the Scripture said.

The third part of this prophecy is just now beginning to come to pass:

You will spread abroad to the right hand and to the left.

As this newsletter is going to press, Jan and I are flying to Phoenix to inquire about another Christian TV station! The application for our new station in Seattle is going full blast! We have a formal offer on a TV station in San Francisco which we will know about soon! We are sending many of our TBN programs to Jerry Barnard for Channel 4 in San Diego! The Chicago Christian Station will be on the air by Christmas and we will be sending TBN programs there as well!

Praise the Lord — We are *spreading abroad to the right and to the left*, just as the prophecy said we would!

Beloved partners - lift your hands with me right now and let us **PRAISE THE LORD!**

for this glorious miracle of God. We cry out with the Psalmist of old —

*This is the Lord's doing,
it is marvelous in our eyes.
Psalm 118:23*

Pray for your TV Station and ministry now more than ever before. We are entering into a dimension of Spiritual warfare we have never experienced before. Satan's power has been unleashed against us as together we are harvesting the souls of men and women, boys and girls. There are days when it seems we cannot go another step - it would appear that all is lost - but Oh! How faithful He is there to lift and encourage, to re-direct, yea even to chastise so that we will remain on the right path for His Glory!

RECENTS GUESTS ON CHANNEL 40 - Rex Humbard, Bill Severn

Beloved TBN Co-Partners: (continued from page one)

Many of you will remember a few weeks ago as Pastor John Hinkle of Christ Church in Los Angeles shared with us the marvelous vision God gave to him as he drove home late one evening after a thrilling PTL program on Channel 40. Pastor Hinkle said that the Spirit of God came mightily upon him and gave him a message so astonishing we are still tingling from it. That night on PTL we had seen over 200 telephone testimonies pour in of instantaneous miracles of healings! Tumors were disappearing, cancers were gone, arthritis, heart trouble, broken bones were healed by the Power of the Living God!

But the message that came to John Hinkle from God as he sped down the Santa Ana freeway was this:

What you have seen tonight, you will see Me multiply 100 times. I will link together 100 stations which will praise My Name and release My Power to this Nation!

Dear Father! Can it be? Dare we believe to see your mighty power do a miracle this immense?

How did Abraham react to the mighty promise of God to Him?

He staggered not at the promise of God through unbelief; but was strong in faith giving glory to God; and being fully persuaded that what He had promised, He was able also to perform.

Romans 4:20-21

Yes! God will do it, if we will dare to trust and believe Him for it! Many of you will join Jan and me as we fast and pray for God's leading and direction as we all move together into the next phase of this tremendous ministry through Spirit-anointed, Christ-exalting Television.

The hour is coming when millions will cry:

The harvest is past, the Summer is ended, and we are not saved. Jeremiah 8:20

Yes, that will be their cry **UNLESS** we accept the call and arise to meet the challenge of this hour! There is an old hymn I remember singing as a boy on Sunday nights as my Father gave the altar calls . . .

What the world needs is Jesus, just a glimpse of Him . . .

Beloved partners, let's give this world that glimpse of our Jesus:

The night is far spent, the day is at hand: Let us therefore cast off the works of darkness and let us put on the armor of light. Knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed.

Romans 13:11-12

Sincerely your brother in Christ,

Paul

Dear TBN:

Praise the Lord for the miracles of salvation that are taking place in our station Ch. 40 as well as the healings and outstanding speakers you have on nightly even if it means going to bed late, it's worth while for the blessings of the Holy Spirit are so great you hate to miss out on them. Late in Nov. of '74 I called in for prayer for a brother that wasn't expected to live due to a liver problem from alcohol and in intensive care for over a week, and after prayer God spared his life. Praise God. Now when the Doctors see him they tell him Mr. Sotelo what are you doing here — you were already gone. My prayers are still with you and your beautiful ministry.

Angie Flores, Pico Rivera, Ca.

Dear Sisters and Brothers in our Lord Jesus,

I am enclosing a check for \$30.00 to assist in your wonderful work that you are doing. It so marvelous and my prayers are always with you and all the devoted ones who help on Ch. 40 to bring in souls to our Jesus. God bless you all. I'll be sending more love gifts as I earn it. I, only 80 years young and a 'rairin' to do something for the Lord in any way possible.

Blessings to you all and to all 'our TV Station."

"And the Lord is my shepered I shall not want."

Dear Brothers and Sisters:

First of all I want to praise God for Channel 40 and all of the good folks. The old saying of **LIFE BEGINS AT 40** has some new meaning and merit. **LIFE GETS BETTER WHEN WE LISTEN TO CHANNEL 40.** Praise God. Enclosed for TBN is a check in the amount of \$10.00 and I hope it will multiply one million fold.

Russell Steen, Long Beach, Ca.

Dear TBN Staff;

Your station would be worth the monetary cost if only one soul were saved, but . . . Praise the Lord, you are reaching more for Jesus than you know. I have been dealing with neighbors about Jesus, and by getting them to watch Channel 40, you are planting and watering seeds (both). Our Catholic next door neighbors now watch PTL nearly every night, plus some of the great Bible teaching on your station.

Now for my praise report. While watching PTL about two weeks ago, my deformed (since birth) nasal passage was opened. The surgery for this problem is extremely dangerous and the surgeon who knew my case history so well died some time back. My only answer was prayer. The Lord has given me the Baptism of His Spirit and healed me of arthritis (3 forms), permanently damaged nerves (a partial healing), deformed mastoid and now this nasal passage. When my nerves are completely healed and my left leg is healed, I will be totally well for the first time since birth.

How I thank God for your program. If you have an extra TV guide for Channel 40, it's the only TV guide I need. Would love receiving one.

May the Lord be with each and every one of you.

Your friend in Christ,

Mrs. Roberta Chandler, Whittier, Ca.

Dear Friends:

In the face of such an onslaught of depressing and discouraging news concerning the economic condition of our nation, the Lord is very busy seeing to it that His Work prospers and goes forward — as never before in the world's history! What a joy to find ourselves a part of God's program — and how necessary to be on our guard against taking on the spirit of this world.

I believe it is time for you and me to daily remind ourselves who we are, and what our birthright in Christ really is — at this present hour.

Galatians 3:29 states: "If ye be Christ's, then are ye Abraham's seed, and heirs according to the promise." Do you know what that promise to Abraham's seed is? Get your Bible now and carefully read Deuteronomy 28. The first verse says, "If you will listen diligently to the voice of the Lord your God, being watchful to do all His commandments which I command you this day, the Lord your God will set you high above all the nations of the earth." The Living Bible continues in verses 2 - 6; "These are the blessings that will come upon you: Blessing in the city, blessing in the field, many children (spiritual ones, too?) ample crops, large flocks and herds; blessings of fruit and bread; blessings when you come in; blessings when you go out! He will bless everything you do! He will open to you His wonderful treasury . . ." (verse 12)

Often the blessing begins with our mouth when we confess "out loud". David said, "This day will the Lord deliver thee into my hand!" One of the most astonishing things I have discovered in the Bible are the positive declarations of His words.

Are you on a fixed income? When your check comes, lay hands on it and ask the Lord to cause it to go further . . . and then EXPECT a miracle! Don't limit God in any part of your thinking or your confession. He delights to bless you — give Him the opportunity by just asking in faith believing.

Paul Toberty
