TBN SATELLITE 100% CHRISTIAN

Are you ready for your incredible space flight? The count down is on at Trinity Broadcasting! In just about 120 days you all will be blasting off with Jan and me into outer space! Praise the Lord! By then, the engineers tell us we can have your 100% Christian Television Earth to Satellite station **ON THE AIR!!!**

I have just returned from Atlanta, Georgia where Tim Flynn, Carl McMillan and I attended the International Earth Satellite Symposium. Over 200 delegates attended and for 3 days we dived into the most exciting new frontier in the history of mankind. Many TV station owners and operators were there and we learned to our great joy that earth **RECEIVING STATIONS** are springing up literally all over the earth! Over 200 are already built with hundreds more on order! This means TV stations around the world are equipped to **RECEIVE** the TV programs which we will send to the satellite! In fact, the day we turn the big switch on our Satellite Station, we can be on 150 to 200 Cable TV Stations besides all of the regular TV stations which we will purchase time on for our Christian TV programs.

Then, we will link all of our other Trinity Broadcasting Stations together via Satellite (ultimately 7 in all) into a great Christian Television Network - Los Angeles, Seattle, Phoenix, Denver, Oklahoma City, Houston and Hawaii will be joined by **LIVE SATELLITE** in gigantic **PRAISE** to our Lord Jesus Christ! Glory!

My feet will hardly stay on the ground as I dream of the day that all the other Christian Broadcasters will join together into that last great thunderous voice as we cry out to all the world - *Whosoever will let him come and drink of the water of life freely!*

Praise the Lord that day is coming soon and then Jesus will come - we will literally take our space journey as we rise to meet Him in the air. We will pass that little satellite in the twinkling of an eye!

Beloved partners that day is almost here - Jesus said, "Be ye ready for in such an hour as ye think not the son of man cometh!" (Matthew 24:44). Continue to pray as never before - tell your neighbors, friends and loved ones to get ready....Jesus is coming soon!

Help us continue to send the message out loud and clear - at the speed of light, via TV and satellite - **PRAISE THE LORD!**

Thank you for being a vital part of this last hour miracle. With your faithfulness in prayer and love gifts to your TV ministry we will send the message literally around the world. We can hasten the return of our Jesus!

LET EVERYTHING THAT HATH BREATH - PRAISE THE LORD!

Paul

A PLEA FOR 1,000,000 PRAYER WARRIORS

If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways, then will I hear from heaven, and will forgive their sin, and will heal their land. II Chronicles 7:14

We believe that the PRAYER CLOCK is the most important piece of equipment in the TBN Armory! We recently witnessed the most glorious event of its kind, probably in all history - the TBN Telethon. The massive outpouring of love and treasure was nothing less than a divine phenomenon of supernatural proportion. It had all the earmarks of a celestial invasion, a mighty inundation of the Holy Spirit. Only His personal and specific operation could account for the glorious, spontaneous and miraculous outpouring of sacrificial giving. It was convincing evidence, not only of divine intervention but it was also a resounding vote of confidence by the corporate constituency of TBN, in the conduct and policies of the leadership and management. During the telethon (and for days following) the entire area seemed to be basking in the very breath of God. *Hallelujah!*

But this alone, as unutterable as it is, does not guarantee the success of the stated objectives. The 'gates of hell' will not leave this glorious triumph unchallenged. Already Satan and his hierarchy are busy devising counter-attack schemes to defeat the God-inspired objectives of the telethon. Believe it or not, without a massive increase in prayer warfare, he could succeed. Human ingenuity and resources alone are no match for him.

THE IMPORTANCE OF THE PRAYER CLOCK: The power generated by the prayer warriors who have pledged to pray daily for the objectives of TBN is the only power that can prevent satanic sabotage of those objectives. The power of the Holy Spirit that is released alone by believing prayer is the only power which binds and prevents the success of Satan's hellish schemes. When prayer ceases, he acts unhindered. The more believing prayer there is, the less effective is Satan's work. The less prayer the more he succeeds. As Jack McAllister says in a recent issue of EVERYBODY, "A few raindrops don't bless the earth, but millions do. A few of the sun's rays don't warm the earth, but millions do. So it is with prayer."

The cumulative prayers of all the prayer warriors of the TBN Prayer Chain can be so devastating to Satan and his hosts that their effort to defeat the expansion program will utterly fail. Satan's strategy will be aimed first and foremost at the leadership. Only those who have faced the awesome responsibilities of a work like TBN can understand the constant crushing pressure of decision making, of the loneliness of leadership, the blazing of new trails, of living under the searing glare of public scrutiny, of the frequent misinterpretation of motives, of the devastating judgmentalism of the sometimes well-meaning but uninformed, and of outright accusation.

These constitute some of the 'fiery darts' which Satan hurls. Only the 'shield of faith' can quench these darts. Prayer warfare in behalf of the otherwise defenseless leadership can shoot down these demon launched missiles and shelter your leaders under a strong umbrella of divine security.

By keeping your pledge of daily prayer for TBN and its dedicated Staff, you are 'running interference' for them while they 'carry the ball.' And think of it! To the extent that you are faithful in prayer warfare, your eternal reward can be as great as theirs. *Hallelujah!*

We strongly urge everyone to whom the Spirit has revealed the magnitude and importance of this end-time opportunity to get the gospel to the ends of the earth as represented by TBN and its mind staggering expansion program, to enlist as a prayer warrior. If you have not already done so, please send your name and address with your prayer pledge and the period of time of day or night you will devote to prayer.

He that receiveth a prophet in the name of a prophet shall receive a prophet's reward. Matthew 10:41

Don't Waste Your Sorrows

A Sequel to

DESTINED FOR THE THRONE

I am not writing about love because I feel qualified. Far from it. On the contrary, I wish to take this opportunity to confess, with penitential sorrow, to my wife, my children, my relatives and friends, to any of our erstwhile parishioners, to former school faculty, staff, students, and beloved radio audience into whose hands this book may come, that I have been utterly at fault in this matter of love. God has dealt with me very sorely during many years of severe discipline, heart-searching, and chastening, to show me the truths set forth in this volume.

Although it has been agonizingly painful, I would not have missed it at any conceivable cost. My gratitude to God for His faithfulness and patience with me knows no bounds.

The greatest regret I have is that I have been so slow a learner. My greatest joy is that God did not give me up.

Love Letters from our Sweet Partners

54 yr. old!

81 yr. widow!

Beautiful letter!!

17 years in prisons!

Dear Paul & Jan: Where have you been? I want you to be on TV and I want to come over with you. I missed you. Paul was on a big trip for our satellite. I helped pay for it. Jesus took good care of us last week when some robbers tried to get in our house and an angel was taking care of us and it was outside by the front door and we are saved from the crooks. I love you. Crissy Bayer (5 years old)

Dear Paul & Jan: Enclosed is my ten dollar check to help pay for just a bit of 'dust' on the ground where the big dish will be placed to beam the message to the satellite that will go around the world that "JESUS SAVES". That was precious when Jan walked over that ground in your shoes, Paul, then she anointed the ground with oil. Who else but Jan would think of doing that! I only wished I could send a good sized check, but I am an 81 year old widow, my tithes go to my church, my missionary offering goes to my son and wife who are missionaries in New Guinea. I am one of your prayer warriors and I love you dearly. Mrs. Eleanor Huestis, Gillmore

Dear Jan & Paul: Praise the Lord for you beautiful people and Channel 40, and just everything! For about 20 years I have experienced suicidal depressions, have been in 3 mental hospitals. Am also disabled. My husband had cancer of the lung, heart and brain and hung himself. My daughter went on a path of self destruction... I was just about as far gone as I could go. A friend came to my home and turned on Ch. 40 I left it on, but was in my bedroom except to drag out for a drink of water (unable to dress or wash). But one day or nite (last February) as I went for water, I heard Jan's voice in my ear and I stopped a moment and listened. Your voices would catch my ear. Finally I remember going over and sitting down and listening and watching the joy and tears. I reluctantly said aloud the sinner's prayer and followed your direction to go to the phone and call. It was days before I realized that my 55 year burden of guilt and sin had finally been lifted. And it was so simple! But it is gone. Praise the Lord. I have finally found Him and He is blessing me so much. My daughter came home again but she brought a wandering homeless young man. He finally got to listening to Ch. 40 with me and asking questions about the Bible. He gave his cigarettes, drink and pot smoking and all that goes with it to the Lord and he found it so easy. PTL! And through this my daughter has ceased struggling and returned to Jesus. I love Him so much. We love you all. A new babe in Christ, Dolores Aure, Canoga Park

Dear Paul & Jan: I have spent 17 years of my life in the roughest prisons in California for using narcotics. For 26 of my 38 years I used some sort of drug both in and out of prison. Channel 40 and your lovely staff have not only allowed me to quit using narcotics and all other drugs, they have shown me a whole new life as a follower of Jesus Christ. I was saved a few months ago and baptized in the Holy Spirit with a lovely prayer language a few days after my baptism. I don't think I've shed a tear since I was a baby; now I can't stop the tears of joy I shed each day as I go out to the neighborhoods to speak to other addicts and young boys & girls who are headed in the wrong direction. I've never been so happy in my entire life. I'm filled with a love and inner joy that finds me praising God in prayer more and more each day.

I haven't had any luck as yet in finding employment, but I'm sure God has a plan for me. Whenever things get a little rough for me, I just take it to the Lord in prayer and I've found that God answers prayer. Not only did God heal my addiction, He healed my attitudes, my whole way of life. I've had a bad leg for years that caused me to limp. My leg is completely healed. I've worn glasses for years and my eyes were so bad I kept needing new glasses with more powerful lenses. My eyes are completely healed. I don't need glasses any more. Praise God!

I would like a Channel 40 schedule if its possible and also a Bible. As soon as I obtain employment I will start to support my TV Station. God bless all of you at Channel 40 and I look forward to world wide TV coverage of the gospel as all of you do.

Robert Cameron, Temple City

Dear TBN: Here's my check for \$10 which I pledged to you during the recent TBN Telethon. I hope and pray that my small donation can help to keep the message that Jan & Paul Crouch is spreading kept on the air. I'm not a religious person, and I never have ever claimed to be. But, I do know that what I saw on TV was the most beautiful outpour of love, kindness and warmth I have yet to see on TV. And when I saw all this, I knew that somehow I should help keep this love on the air. Anyway, here is a little something to help you keep going with your message of love. Paul Audelo, Azusa
