## 1978-This Could Be The Year

*Beloved TV CoPartners:*

1977 - It started with a glorious New Year's Eve revival - 451 accepted Jesus as Saviour. That same month we filed an application for Channel 22 in Seattle, Washington. Shortly after that we filed for new stations in Oklahoma City and Denver! On Good Friday we jammed the Shrine Auditorium in a history making rally in Los Angeles. May 1st we stood on the Mount of Olives in Jerusalem, Israel and sent the first live satellite Christian program to the United States. In August we went to Haiti for a revival crusade and established the first French language 'Praise The Lord' program. We also filed for Channel 45 in Houston, Texas about the same time.

In our two telethons in the Spring and Fall, God gave TBN over 8 million dollars for Christian Television. We ordered the West Coast's first Christian Satellite transmitter and received delivery on it in November.

You sent us to Guatemala where 80,000 came to hear about Jesus in three great nights of crusade, 10,000 accepted Jesus as Saviour. Our Spanish PTL program continues there each Saturday on Channel 11.

We marched the streets of Hollywood twice with 10,000 excited partners, sharing with all who would listen the love of Jesus Christ. Many accepted Jesus for which we give HIM all the praise.

We are on the air in Puerto Rico every week since December with Spanish PTL.

The application for Channel 14 in Hawaii is almost complete for filing with the FCC.

God gave us another whole TV Station - Channel 21 in Phoenix, Arizona! *Praise the Lord!!!*

We are on the air in Detroit six days a week with 'Praise The Lord'. We also placed PTL on Channel 26 in San Francisco and Channel 53 in Fresno!!!

All of this happened in 1977 - WOW! What a year! This has been truly the YEAR OF JUBILEE!

Beloved Partners, I believe when we get to heaven and look back on the exciting history of TBN we will see that 1977 was *the year* that the glorious End Time Revival began!!!

## Praise The Lord in DETROIT

December 15th marked a milestone in Trinity Broadcasting Network's history as thousands of Detroit, Michigan's residents heard the joyful theme song, LETS JUST PRAISE THE LORD as Channel 62 introduced their first program from TBN. According to Jack Reyberg, the results were good for a 'first night' with seventy telephone calls, four who received Jesus Christ as Saviour and nine who pledged their support for Christian Television. We're thankful for the fine pastors of Detroit who will be contacted soon by the workers there so that each new Christian will find a good church home to encourage and strengthen them in the faith.

"THIS COULD BE THE YEAR!" CONT FROM PAGE 1 →

The danger now would be that we might become satisfied and complacent - but hear the admonition of the Great Apostle Paul:

*Forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus. (Philippians 3:13,14).*

Beloved partners, I believe the best is yet to be! This glorious end-time harvest is just beginning. If we will be faithful and intensify our efforts, this exciting television ministry will explode in a mighty crescendo of praise to our Lord Jesus Christ.

Oh, beloved partners, we dare not slacken our pace, we dare not look back as Lot's wife did. NOW is the time to strike the winning blow for Jesus!

If Jesus tarries, 1978 will be the greatest year yet for Christian Television. Help us claim the final permits from the FCC for our 5 new TV stations, intercede in prayer for the new Satellite expansion across the entire United States and many foreign lands. Continue your faithful gift support as we build STUDIO "C". We can have live PTL around the clock. Pray as we go to Indonesia, Philippines and other lands with Christian Television.

Begin now to claim spiritual victories of your own. Begin to witness to all who will listen to you. Claim loved ones and neighbors for Jesus. Rise and be healed in the Name of Jesus!

1978 could be the year - yes, Jesus may come in that last great climax of the ages! Praise the Lord!

Thank you, precious partners, for being our special family in this exciting end time harvest of souls. Only when we get to heaven will we be able to tell you how much we really love you and appreciate your being our partners.

God love you, we love you, and remember, *Let everything that hath breath, PRAISE THE LORD!*

Sincerely your brother in Christ,

*Paul*
