The HEAVENS Declare the GLORY OF GOD!!

God has given one of the greatest miracles todate in the short history of Trinity Broadcasting Network. On Feb. 17th the Federal Communications Commission granted the Construction Permits for your new EARTH to SATELLITE transmission and receiving stations both in California and Arizona. ALL PRAISE TO OUR HEAVENLY FATHER!

Together we have the glorious privilege of helping to fulfill an exciting prophecy found in Psalm 19: *The heavens declare the Glory of God; and the firmament (atmosphere) sheweth his handiwork.* (verse 1)

Satellite transmission literally rains down on the whole earth from the very edge of the first heaven described by God as the firmament or atmosphere as we call it today. But the prophecy goes on....*Day unto day uttereth speech, and night unto night sheweth knowledge.* (verse 2)

God knew that we would have day and night, 24 hour Christian Satellite Television Transmission. Praise the Lord! There is more..... *There is no speech nor language where their voice is not heard.* (verse 3)

No one will be left out! Praise God we can now literally bathe the whole world with the glorious news that Jesus Saves!

Earth receiving stations are springing up all over the planet. The world's hunger for communication and knowledge has caused the most explosive development in the history of mankind. Even in remote and primitive areas of the world, television is becoming common place. Jan and I stood on the streets of one of the poorest countries of the world, Haiti, just a few months ago, and saw hundreds of people standing in community parks. There in the center was a large TV set and for hours faces were literally glued to the screen. Partners, this world is wired for picture and sound, we can now preach the Gospel to them via international satellite TV transmission. Praise the Lord! But there is even more in this prophecy: *There line is gone out through all the earth, and their words to the end of the world.* (verse 4)

Even in the little things God's Word is true and accurate to the smallest detail. TV satellite beams always travel in a perfectly straight line! They are like a beam of light, in fact if our human eyes were tuned to the same frequency we would actually be able to see the UHF television beams. And now, Praise God, riding upon these television beams will be THE LIGHT OF THE WORLD - JESUS!

Phoenix Praise The Lord TELETHON and OPEN HOUSE

March 26 - April 2

March 26 is a SPECIAL DAY for Arizona partners as it marks the beginning of our Spring Telethon. All your TBN FAMILY will be on hand to sing, shout and (jump) our way to the top of our 1978 Budget for Channel 21. Many hosts and programmers will join Jan and Paul for the week of live telecasting. Roger McDuff, Jerry Barnard, Dwight Thompson and Spirit Song will make the rafters ring with their glorious singing. We expect many local pastors and ministries to take part, too. PASTORS McHATON, LOFTON, FOSTER, PRICE, GREEN AND MANY MORE.

The OPEN HOUSE with the grand finale on Sunday, April 2nd, beginning at one p.m. By the end of that day we trust our budget of \$30,000 per week will be increased to \$40,000 a week. This will enable your viewing hours to expand from just 1 p.m. to midnight daily to 7 a.m. to midnight daily. Praise the Lord! We'll do it!

We bought two VTR machines which are valued at \$240,000 for the miraculous amount of \$84,000. This will be one of our main telethon projects. Another project will be the cost of the land on which your station is built, \$45,000.

We will be adding special missionary projects similar to the MONEY that was raised for the Indian Missions during our last telethon. Please begin praying NOW that there will be a record breaking response with souls saved and believers encouraged in the Lord.

Pray + ask Jesus just how much He wants you to pledge to your Ch. 21. He will tell you - + if everyone does that - THE NEED IS MET!

MIRACLE In No. Calif!

San Francisco was 'invaded' by two hundred Soldiers of The Cross as Arthur Blessitt joined Jan and Paul Crouch, John Noseworthy and TBN Partners on the 'Hallelujah San Francisco' march. Boxes and boxes of Chick Tracts as well as Bibles and Arthur's stickers, were the ammunition and the dynamite of the Gospel did its work. Our adversary, the enemy fled as the three hundred who were born again forsook the devil's forces and they joined the Lord's Army.

Every phone booth, bar, porno shop and parlor was invaded by this great 'Love Force'! Men and women of every ethnic background and age group were witnessed to and received a round of live ammunition of God's love. "Jesus loves you brother and we love you too", were so powerful that the entire area was astonished at this "new" approach. The attack had begun at Union Square and then our forces scattered in every direction ending up at the San Francisco Hilton. People were praying in the bars and on the street. Others, curious, came to get a piece of the excitement. A precious German boy yielded to the Lord along with 300 others.

The strongest resistance came from a man who was turning the air blue with cursing and crying out against the TBN forces with a loud voice. He was finally overcome by the Power of God and was one of the first to go to the front for total surrender when all the combat units regrouped for a rally in the San Francisco Hilton.

San Francisco has not been completely won, but, PRAISE THE LORD, the Captain of our Salvation surely led in this campaign and TBN has made a beachhead landing there. If you prayer warriors will martial your forces and call in reinforcements, we will take the entire area for God. *Hallelujah!*

Northern California has experienced its first Miracle TBN Telethon with a Grand Total of \$160,000 pledged. Although the telethon only lasted a few hours each night for five nights, the Holy Spirit moved on our beautiful partners from the very first night, February 1st. Calls came from all over the San Francisco Bay Area and San Jose area as Channel 26 viewers joined us with great enthusiasm to support the 'Praise The Lord' programs. Fresno, Modesto and Clovis also responded wonderfully as they met the needs for the programs viewed on Channel 53 Cable.

One sweet little Grandma called in and said, "I've been praying that God would wake up all the Christians up here"! Many called and asked us to thank the Southern California partners for helping them until they could have their own telethon and pay their own bills for TBN programs.

The Telethon was televised from the auditorium of Faith Temple (Kenny Foreman, pastor) in San Jose. The final night was climaxed by several miracles right there in the church service. *Thank you - beautiful people - we sure do LOVE you! Pent + jpn*

PAUL'S LETTER - CONT FROM PAGE 1 ←←←

One of the most exciting aspects of this prophecy is the fact that this generation is the only one that could possibly be the fulfillment of it. Only in the last few years with the development of satellite communication, could we literally send these "LINES or BEAMS out through all the earth". Only we have the glorious privilege of sending God's Word, to the end of the world! Praise the Lord!

And beloved partners, YOU are a vital part of this powerful end of the world ministry. We are HIS BODY - marching arm in arm through the whitened Harvest Field! By His Grace and Power we will gather in this precious harvest of souls before the awful day of judgment is outpoured. By the Power of God's Holy Spirit we will put to flight the forces of our arch foe, Satan! We are VICTORIOUS NOW, in Jesus' Name!

Rejoice Christians - Rejoice! Your Satellite Television Station is on the way - ANGEL I is already up there in heavenly orbit!

In just a few more days THE HEAVENS WILL DECLARE THE GLORY OF GOD in a glorious new dimension. Rejoice - and again I say unto you, REJOICE!

God bless you, we love you and appreciate you...and remember:

Let everything that hath breath, PRAISE THE LORD!

I Love you, too, you are our special family! Jan Paul

Exciting News From 21

Exciting new programs are in production in the KPAZ Studio for Arizona viewers. Gospel Echo's Pastor, Charles McHattan is teaching in a series entitled, "Family Workshop". This program will be scheduled five nights a week.

The second program is a children's program, "COM-N-SEE", with talented Chris Parker presenting Bible Stories with puppets. Reverend Parker is a Spirit-filled Free Methodist pastor.

Our counsellors report 131 new babies last month and many, many beautiful praise reports come in daily through the mail and phones. One dear lady was suffering with high blood pressure at the stroke and heart attack level. Through a Word of Knowledge over the 'Praise The Lord' program, her need was revealed and healed. Her doctor later substantiated the report. Her blood pressure was down to normal.

Another unusual answer to prayer occurred when a distraught husband called the station concerning his wife who had wandered out into the rainy night after brain surgery. A short time later, he brought her in safe and sound, praise the Lord for helping him through Channel 21! *Our beautiful Ch. 21 is so special! We Love you all!*

1000 Calls In DETROIT

We have received glowing reports of God's gracious move in the Detroit, Mi. area through "Lets Just Praise the Lord" over Channel 62. The head counselor, Emit Hassen, has received more than 1,000 responses from the viewing audience in the short time they have received Christian television. Many salvation and dedication slips have been joyfully filled out by the counselors there and many have called our local station also. Letters have arrived in our mail room since the first program signed on the air and we give the Lord all the glory for His mighty work of grace in hearts and lives.

Among the marvelous healings and miracles was a recent cancer victim whose doctor has given a clean bill of health since the prayer of faith was prayed during the program. A tiny baby was rushed to the hospital gravely ill, but after prayer the child was released without treatment, thanks to the GREAT PHYSICIAN.

The 'Lets Just Praise the Lord' programs are televised from 7:00 to 9:00 a.m. Monday through Friday and from Midnight until 2:00 a.m. on Sunday. The counselors on duty there have had many deliverance victories. Let's continue to pray for Detroit and trust the Lord to touch the countless lives in the surrounding area.
