

# ASK... and I will GIVE THEE HEATHEN for INHERITANCE

## Beloved TV Partners

It's up! It's in place! It's ready to go! Praise the Lord, on March 20th, the giant Earth Satellite dish was hoisted into place. It's gleaming white frame is tilted skyward at an unusually high angle as it will soon begin to probe and search for its target. That target is a tiny bird shaped package of highly sophisticated electronic equipment 17 feet long, floating in stationary orbit, 22,000 miles above the earth. By the time you read this newsletter, test transmissions will already be underway! **PRAISE THE LORD!**

Beloved partners, your prayers, your tears, your fasting, your giving has made possible the most powerful, the most penetrating gospel voice in all the world. Together, we are helping to literally fulfill Bible prophecy. This, without doubt is the most exciting moment to be alive in all the history of the world. The only time that will be greater is that moment when the trumpet will sound and we all rise to meet our Jesus *in the air!*

As I sat one morning reflecting on the awesomeness of it all, the Holy Spirit reminded me of some things which we must not lose sight of. It would be easy to get caught up in the excitement and newness of Satellite Communication and miss the highest purpose for its existence. The Lord led me to the second Psalm:

*Ask of me and I shall give thee the heathen for thine inheritance  
and the uttermost parts of the earth for thy possession. (Ps. 2:8)*

One thousand years before Jesus was born the Holy Spirit spoke this prophecy through King David. And, while its truth relates generally to all generations since it was spoken, there is a unique and powerful relation to this generation... to YOU and to ME! God has given us this mighty tool of Satellite to reach HEATHEN with the gospel of Christ. The Holy Spirit knew that this generation would have the ability as no other generation to fulfill this prophecy. He knew that even the most remote island jungle would be touched by this miracle. *Praise the Lord!* No one will be left out! *This gospel shall be preached...in all the world!* (Matthew 24:14).

## **APRIL 12-16**

*7-9 am and 8-12 midnite*

The Detroit area is going to experience a power-packed, Christ-exalting, devil-chasing TRINITY TELETHON April 12 through 16. You precious ones who have never experienced this time of hilarious giving have a real treat in store. Begin praying now and ask the Lord what He would have you do to bring Gospel Television to your area.

Jan and Paul Crouch will host the "celebration" along with John Wesley Fletcher, familiar friend of the former "Cap Time" ministry and forerunner for the present "Praise the Lord" programs.

Evangelist and singer Dwight Thompson, who ministers several times a week in his own program, will be joined by his lovely wife Zonelle for these programs. Dwight and Zonelle are Monday night hosts for the "Praise the Lord" series.

Nationally known singer Roger McDuff will be on hand and may even sing his famous version of "New Shoes." We're asking the entire family to pray for this Telethon and believe God with us for the expansion of Christian Television in the state of Michigan.

(Have your bread and juice ready for the communion service.)

### Paul's letter to you CONTINUED from page 1 < <

But there is another truth here which we cannot overlook. The Holy Spirit says, *ASK! Ask of me, and I will give thee the heathen...* John Wesley said, *God will do nothing except in answer to prayer.* What a tragedy it would be to raise the money, file the F.C.C. application, agonize for the license, build the giant dish, even sign it on the air, and **then**, forget to **ASK!**

Oh beloved partners, lets **ASK!** Ask God to complete the chain and to give us the Heathen. Lets ask the Lord to give us our unsaved loved ones. The Word of God that saves them may reach them through Satellite! But, we have to **ASK**. We have to pray, we have to intercede. *Praise the Lord*, we are going to see a steady, growing stream of souls coming to Jesus as this mighty tool of evangelism is saturated with our prayers, as we **ASK** God for the heathen of this world! Very soon, mounted on the PTL program set will be our new 'TOTAL SOULS' indicator. On it the total will change every time a person calls in to accept Jesus as Savior. Around the clock, 24 hours a day that little indicator will be clicking away, the number growing larger each day - *Hallelujah!* Thank you from our hearts for being our partners in Satellite Evangelism. Jan and I count you as our dearest and closest family. You are making this great miracle possible by your continued prayers and gifts for your television ministry. Let's keep going! Let's even increase our efforts. Jesus will soon come to take us home, where we will meet the **HEATHEN** who have been redeemed from every tongue and tribe, and nation, standing with us before the Throne of God, singing the praises of the Lamb. By faith we can hear Him say:

*Well done good and faithful servant...enter thou into the joys of the thy Lord. (Matthew 25:21).*

*I love you too, you little sweetie pies!  
Thank you for being our family - Thank  
you for YOUR love to your TV Station! Jan*

*Paul*

*PS. Without YOU  
we could never have  
come this far - we're  
a team + we need YOU!  
I need YOU - Your sis, Jan*
