Your Trinity Broadcasting Network "ON THE MOVE" for Jesus

Beloved TV CoPartners:

The floor is finished, the walls are being formed, equipment is ordered and on the way - Studio 'C' will be ON THE AIR this Fall! *Praise the Lord!* TBN is doubling its size so that we can produce more and more 100% Christian Television programs. *PTL!*

With Studio 'C' we will be able to produce live 'Praise The Lord' programs around the clock. With our satellite station now on the air we need to feed the various time zones 'LIVE', and with Studio 'C', this will be possible. In addition, it is becoming more and more feasible to feed our foreign language 'PTL' programs via Satellite from Studio 'C'. Some day, your Spanish and French 'PTL' will be flashed by international satellite to the four corners of the earth!

We are working now to finish up the final details on the Indonesian 'PTL' program. Mel Tari is helping us plan a great Television Crusade in Jakarta this Fall, which we are believing the Lord will initiate your television ministry in that great nation of 130 million souls. Pray for Mel, he has delivered the first two TV programs to the Indonesian government TV station and the word is - THIS FALL. *← Christian Television in Indonesia! PRAISE THE LORD!* Doors are opening wide in the Philippines, Korea, India, Europe, Africa, Central and South America. As recently as one year ago, many of these doors were closed tight, but today, they are opening wide - just like the iron bars of the Macedonian Jail opened to Paul and Silas in Acts, chapter 16! *Praise the Lord!*

→ Continue to pray for OKLAHOMA CITY! Events are moving rapidly there for your new TV station. Jan and I traveled to Providence, Rhode Island, last month to meet with officials of the Outlet Company, our competitor for Channel 14. We were told that they will not withdraw their application and proposed that we let them build the station. In return they would give us 25 to 30 hours per week for Christian Television. We have not agreed to this proposal and are asking you to help us pray through on what we should do. In the meantime, a station is coming up for sale in Oklahoma City which may be the key to breaking this deadlock! Pray, pray, pray - God is moving - it is very clear that things are CHANGING in Oklahoma City. *PRAY!* In fact, a Christian College there has offered to allow us free use of their TV Studios for Christian Television! *PTL!* Praise the Lord, we are going to HAVE Christian Television in Oklahoma City!

TBN's Growth is EXPLODING into Every Corner of the USA

The Trinity Broadcasting Network's growth is exploding into every geographical corner of the United States. Satellite coverage is the reason, Christian television is the purpose, and expansion is so rapid that any report you receive today is outdated tomorrow. In an effort to help keep our partners abreast with their station's increase, we are listing the systems that we know receive our programs via satellite and some of the cable stations that are picking up Trinity's programs.

Phoenix, Arizona, Satellite Station, KPAZ-TV, Channel 21, relays to local towns plus cable systems in Apache Junction, Avondale, Cashion, Cave Creek, Congress Junction, Coolidge, Flagstaff, Gilbert, Glendale, Globe, Goodyear, Mesa, Miller Valley, Peoria, Prescott, Scottsdale, Sun City, Tempe, Whipple, Wickenburg, Youngtown, and Yuma.

Tustin, California, Satellite Transmitting Station, KTBN-TV, Channel 40, covers most of southern California towns and cities in Los Angeles, Orange, and Riverside counties with areas as far away as Mohave receiving our 24 hours of Christian television. Some reports come from as far north as Eureka, Redding, and Sacramento, whose cable stations have picked up our taped portions of "Praise the Lord" shown in San Francisco Bay Area Cities and San Jose area on KEMO-TV, Channel 20, Monday through Friday from 9 to 11 am and Saturday and Sunday from 12 midnight to 1 am. "Gloria A Dios" is shown Saturday at 3 pm.

Clovis Station KAIL-TV, Channel 53, reaches Fresno with the taped "Praise the Lord" programs every evening from 9 pm to 11 pm.

San Diego Cable #4 shows "Praise the Lord" from 8 to 10 pm Wednesday and Thursday via satellite. Our Ridgecrest Translator Station 53 is transmitting to Ridgecrest and the Lancaster Palmdale Translator is reaching far across the Antelope Valley on Channel 62.

Juneau, Alaska, will be carrying our programs soon.

Various towns in Connecticut have picked up the SATELLITE programs and cable companies from Bridgeport and New Haven have contacted TBN and Crested Butte, Colorado.

Florida stations that will be carrying the full 24-hour schedule are located in Homestead, Dade County, and a cable company in Fernandina Beach is also making plans. We have had inquiries from Bonita Springs and Sebastian and Stuart, Florida, as well as Augusta, Georgia.

Illinois has many cities viewing TBN programs from Chicago, WCFC-TV, Channel 38. Decatur Cable #6 is showing our children's programs from 10:30 to 12 on Saturday mornings. Peoria's Channel 3 will carry full 24-hour Christian television as will Rockford's WORF-TV-UHF #39.

There have been reports from Alton, Illinois; Idaho; Princeton, Indiana; DeMoines, Iowa; Cablevision of Owensboro, Kentucky; and CATV in Baton Rouge, Louisiana, who will be showing some of our programs in the future. A cable station in Shreveport, Louisiana, is also interested.

Detroit, Michigan, Channel 62 airs "Praise the Lord" Monday through Friday from 7 to 9 am and Sunday from 12 midnight to 2 am. Ann Arbor, Iron Mountain, Heron, Port Huron, Sylvan Lake, Royal Oak, and Union Lake have called in.

We have heard from St. Paul, Minnesota; Nebraska; New Jersey; New Hampshire; Albuquerque, New Mexico; Oklahoma; and Eagle Point, Portland, Roseburg, and Salem, Oregon.

Lancaster-Circleville, Ohio, will have 24-hour Christian TV soon according to Americable Associates.

"Praise the Lord" is viewed from 12 midnight to 2 am Monday through Friday in Nashville, Tennessee, WZTV, Channel 17. We have reports from La Follette, Manchester, and Paris, Tennessee; Billaire, Dallas, El Paso, Houston, and Longview, Texas; Buckley Seattle, Spokane, and Tacoma, Washington; and Appleton, Wisconsin by Carolyn Beckmen

PAULS LETTER CONT FROM PAGE 1 → → →

We are still working on the special project to bring live weekly prophecy reports from the Holy Land by Satellite. Arrangements have been worked out for the transmission part of the project but we are asking the Lord to help us with just the right person in Israel to gather the fast breaking news events and send them to us. Please pray for this need - I believe this exciting program will be the means of bringing thousands of souls to Jesus. For example, Roy Blizzard has just returned from Jerusalem. He reports that the Israeli government has begun full blown excavations on Mount Zion, searching for the location of the Tabernacle of David. To Bible believing Christians and especially students of prophecy, this is gloriously exciting news! Amos 9:11 predicts this important event prior to the coming of Messiah.

Beloved partners, we are on the home stretch! Jesus is coming so very soon. The signs and the seasons are unmistakable; earthquakes are an almost daily sign, famine, pestilence, wars and rumors of wars - our newspapers read like the Book of Revelation! And added to all these dramatic signs are the personal testimonies of people like Dr. Richard Eby and Betty Malz, who have been permitted by God to have a glimpse of Heaven and to hear the Voice of Jesus. The warning in every case is simple: Yet a very little time remains - I am coming VERY soon!

Beloved partners, we must reach them before the awful storm breaks upon the world. In these final twilight hours, we will gather the golden harvest of souls. Praise the Lord - the Word is going out, loud and clear by television, by satellite and by the Power of the HOLY SPIRIT!

→ Will you help? I'm asking all my partners to pray more, witness more, give more until HE COMES! The burden grows heavier upon Jan and me as Trinity Broadcasting continues to go forward with breathtaking speed! Pray for us that strength and wisdom will be given daily for the monumental tasks that lie ahead. Please be faithful with your love gifts and pledges for Christian Television. Costs are increasing daily, bids on Studio 'C' are increasing substantially from original estimates. We need you, our precious family now more than ever before. Jan and I will be lifting you and your needs to the Lord daily on PTL! Please write to us indicating your needs and prayer requests. We will place them before the Lord on the 'Praise The Lord' program. From there they are moved to the Prayer Chapel where they remain for many days and are lifted to God in prayer by others of your Television Family.

God bless you and meet your every need in Jesus' Name. We love you and thank the Lord for you every day.

Please mark your special love gift for Studio "C" and send to my Personal attention. God bless you. Paul

Our LOVE Gift to YOU

The Love Gift for the month of July is the exciting book by our own Dr. Richard Eby, Caught Up into Paradise. Send your contribution today and receive your copy with our love.

Sweet precious angels - all of the telethon gifts have now gone out in the mail - so if YOU did not receive YOUR special gift - it is our JOY if you will let us know! WE love you and want you to have all the little gifts we buy just for you! So let us know OK? Promise? Jan!

How to get TBN Satellite Television in your Hometown

In answer to all the requests we have received at TBN concerning the proper procedure to bring Trinity Broadcasting programs to your loved ones in other states, we have outlined a few simple steps they can follow that should bring prompt results. Send a copy of this article to every person who you know would be interested enough that they would really follow-up on these instructions. It might mean that they would be able to watch Trinity programs immediately or within a short time.

CALL all CABLE TV COMPANIES in your area and ask if they have a satellite receiving dish.

YES: If the answer to the question is yes, tell them about the wide variety of clean, wholesome family-oriented programs we have at Trinity that are available free of charge via satellite. Twenty-four hours of children's programs, music, variety, Bible studies, and interviews can have the best influence on any town. If the manager is still interested, give him our name and address and contact TIM FLYNN immediately at (714) 832-2950. *Please get the complete information on the satellite cable station before calling Tim - station name - mgr's name - address - phone, etc.!*

NO: If the answer to the question is no, prepare papers for signatures, addresses, and phone numbers of all those who would be willing to subscribe to the local cable station if TBN Christian TV programming was available.

(1) Call your pastor for permission to get your church family's signatures after church Sunday morning.

(2) Call local Aglow and Full Gospel Business Men's Fellowship International chapters and enlist their help in gaining signatures (reminding them that

NOTE → Demos Shakarian is one of the three men on TBN's board!)

(3) Contact all fraternal organizations, prayer, and Bible study fellowships with whom you are affiliated.

(4) Contact any relatives or friends who would sign your petitions for Christian television as an alternative to the violence and filth on secular TV.

Then
★ Take these 300 or more signatures with you to the station manager or representative and if he then says he is interested, call Tim Flynn with the name of the station manager, address, and phone number. If the manager still is not interested, call all the people on the lists and find out how many would be willing to help buy a satellite receiving dish if Trinity would help. AND WE WILL - They are less than \$30,000.00!

NO DISH: If your local television station does not have a satellite receiving dish, ask the station manager if he would be interested in buying one if Trinity would help so they could receive our programs. If the manager is interested in buying a dish and receiving Trinity Broadcasting programs, call Tim Flynn at once. Then get at least 100 signatures as described above and take to the manager.

★ Even if you see your city listed in our paper, please call and tell your local station that you are very interested and you will help get your friends and relatives to subscribe to their station if they will use programs from Trinity Broadcasting Network of California transmitted via satellite 24 hours a day! *Thanks!*

*My sweet sweet family -
Thank you for being JUST THAT
our family! Paul's little Mom +
my lil dad are already in HEAVEN -
but JESUS gave us YOU to be our
PAPA and our MOM and WE NEED YOU!
WE need your LOVE and YOUR prayers!
Sometimes we get so scared + feel
so alone with this heavy burden - but
then YOUR letter or YOUR call will
come and we KNOW YOU'RE with us!
Thank you for helping a little extra
this mo. - Paul has a cement bill
for \$200,000.00 on his desk - I know
you will - it's for YOUR STUDIO "C" -
We Love you and need you so much! Jan*
