NO TURNING BACK!

Beloved Partners:

Ten years ago, a Christian brother said to me, "TBN will never make it! You are heading this whole ministry in the wrong direction." Later in this letter I want to talk to you about your directions, dreams and goals that you are holding on to — but first:

As we enter the tenth year of YOUR Christian Television Network we are seeing the completion of the FIRST PHASE of this exciting, soul-winning ministry. In a moment I'm going to unveil the next explosive phase which we will be right in the middle of when the **TRUMP OF GOD WILL SOUND!** The first phase was the establishing of SEVEN full power TV stations from coast to coast. By the time you read this newsletter, STATION NUMBER SEVEN will be under construction!!! PRAISE THE LORD!

For just a moment, let's RE-LIVE that first tiny TBN step...

"On May 28, 1973, in Southern California, in a poorly lit converted warehouse, with one TV camera, a few makeshift props and a lot of prayer, God began one of the most exciting and powerful television ministries of this century. To even call those first feeble efforts a "NET-WORK" was stretching the meaning of the term beyond its limits. But by "FAITH" we named it **TRINITY BROADCASTING NETWORK!**"

Some of you precious "OLD TIMERS" still remember that first telecast and have worked, prayed, cried and laughed with Jan and me through the years of indescribable battle! Beloved Partners, we now...

STAND ON THE LAUNCHING PAD LIKE THE MIGHTY MISSILES ON CAPE CANAVERAL!

Praise God, the smoke, steam and FIRE of the HOLY SPIRIT is pouring out of every fibre and pore of our beings!

FIVE, FOUR, THREE, TWO, IGNITION!!! NOW where are we going you ask? I too, asked the Lord for new direction a few months ago as we began to see the completion of PHASE ONE of TBN's ministry. Little did I realize that I would receive a great part of the answer in the little West Texas town of Uvalde. I was invited to speak at a great Christian Rally there along with Ken Copeland, Roy Blizzard and Dr. Don Whitaker. While there I met a group of Christians who had a burden to bring Christian Television to their community. To my surprise they had already filed an application with the FCC and had received their CONSTRUCTION PERMIT for Channel 30, licensed to Uvalde, Texas. Their question was simple and direct — "Brother Crouch, will you help us build our station and

my bible, so I bought him one of his own. He loves to read it and now he's witnessing to everyone who comes to work with a problem (he's a photographer, so he meets a lot of people with a lot of problems). He hasn't touched a drink or gone near a race track. We've taken up bowling as a hobby. I can't even begin to explain the personality change, it's truly a miracle. I've never known any peace of mind since I've married him. I never saw him sit for 5 minutes to read anything, now he'll sit for hours and read and reread just a few Bible pages at a time till he completely under-

stands it, because he never read the Bible in his life (I did, but had fallen away from it years ago).

He would never discuss anything with me before, now we can sit for a few hours and discuss everything. Now he never stops amazing me with the good things he says and does. Keep us in your prayers. I'll keep praying for you both.

Dear Friends,

How we love TBN. It is the best thing that has ever happened to our town. We receive it over cable T.V. The programs are so encouraging. And here at the office we talk to all the patients and encourage them to watch it too.

Enclosed is our Love Gift. Praise the Lord for all of you.

Love in Jesus,

Dr. and Mrs. R.E. Reilly
Dalles, Oregon

Begin now praying for a special time of Revival in your town at your local TV station. Pray for us, support us with your love gifts as we travel from town to town and come see us every nite LIVE!

REVIVAL is coming to YOUR TOWN! The whole TBN family will be coming for five nights of Revival! Come, be a part of salvation, healing and Holy Ghost Revival!

It is so hard for little hungry children to wait! But, because of you, Paul & Jan went to Haiti to help feed these little ones and passed out 20,000 Bebes and Machines - in the Name of Jesus for you! Don't forget to pray for our babies.

Every day 500 little angel Haitian children get a good balanced meal because YOU care. Jacques & Gladys feed these angels in Jesus' Name for YOU everyday. Continue to help us feed our babies.

Thank you for continuing to pray for our own JOY TO THE WORLD host, Arthur Blessitt and family as they go to Europe as Ministers-at-Large. TBN paid their home rent for one year in advance. Thank you for loving the Blessitts! We will be reporting about them as they call us! Arthur is going to be our TV liaison for Europe.

Paul was in Washington, D.C. recently to attend the meeting of the U.S. Congressional Advisory Board of which he is a member. Pray for Paul as he serves on YOUR behalf on this vital position.
