GO QUICKLY AND TELL!

And go quickly and tell his disciples that He is risen from the dead. . . Matthew 28:7

Mary wanted to tell! She had seen Him — **HE WAS ALIVE!** Everyone who met Jesus as He walked this earth was different. And almost without exception they wanted to tell about their meeting. Even when Jesus would forbid them to tell of His healing power they just couldn't help it — **THEY HAD TO TELL!**

Anna was a little 100 plus year old prophetess who lived in the Temple. When they had brought the baby Jesus to the Temple, she told everyone in and around the house of God the good news of a Redeemer.

The woman at the well ran into her city and told everyone — *Come see a man. . .*

The scriptures tell us that some of wicked King Herod's own household were believers in Jesus. They had to tell a little differently, by contributing to the support of Jesus' ministry.

Joanna, Chuza's wife (Chuza was King Herod's business manager) Susanna, and many others were contributing from their private means to the support of Jesus and His disciples (Luke 8:3).

Yes, some gave financially to help Jesus and His disciples with His earthly ministry.

One very sobering story from scripture is the rich man who refused to help the beggar Lazarus who sat at his gate. When he died the Bible says he "lifted up his eyes in hell, being in torment." He pled with Abraham to allow someone to go and **tell his 5 brothers** the way of salvation so that they would not have to go to hell — **HE WANTED TO TELL**, but now it was too late!

Beloved Partners, if you have met Jesus, you will want to **TELL** someone else about Him. Our pitiful dying world is groaning, aching, for someone, anyone, to tell them how to be saved, how to be healed, how to go to heaven!

WILL WE TELL THEM?

The wrenching question today with over 4-1/2 billion on planet earth is **HOW?**

Well, the **GOOD NEWS** is **IT CAN BE DONE!** Jesus would never give us an impossible task. The first century Christians led by the Apostles literally took the Gospel to **THEIR WORLD**. They walked, rode horses, sailed on leaky wooden ships, gave their very lives to **TELL** of Jesus and His Power to save.

In the Apostle Paul's day the best means of travel was a fast horse. You could travel about 100 miles a day at best. At this pace you could have made it around the world in about one year. So we could say that the world was 25,000 miles or one year in diameter.

Today the fastest means of communication is television and radio beams. They travel at the speed of light — 186,000 miles per second! At this speed an electromagnetic wave (TV-radio) can circle the earth about 7 times in **ONE SECOND!** **PRAISE THE LORD!** Our world is now 1/7th of a second or about **ONE FOOT** in diameter compared to the Apostle Paul's world!

Yes, Jesus gave us the tools to carry out the commission He gave to us.

CHRISTIAN TELEVISION is one of those powerful ways that we can — **GO QUICKLY AND TELL!** OH, beloved partners, **LET'S GO! WE CAN DO IT!** As you pray for and support **YOUR CHRISTIAN TELEVISION NETWORK**, we can **TELL** the whole world some day about the love of Jesus Christ! Jan and I need you now more than ever as we begin construction on Channel 20 — Seattle/Tacoma! We need your prayers and support as we reach out now to Hawaii and Alaska. Also, many are coming to us asking help to build more Christian TV stations.

We need your help as we begin filing for new non-commercial stations across America — 100 strong!

We need your help as we build the budgets again, May 16 thru 22, for the many wonderful TV programs which bless so many 24-hours a day.

Thank you for filling out the pledge renewal form at the back of this newsletter. Please let Jan and me hear from you — without you there would be no Christian Television.

We love you, are praying for you and are waiting to hear from you!

TOGETHER WE WILL GO QUICKLY AND TELL!

Paul
