ALL FLESH SHALL SEE IT!

YOU are going to see the **GLORY OF THE LORD!** Mr. ANDROPOV, leader of atheistic Soviet Russia is going to see the Glory of the Lord! Every living being on Planet Earth will be touched by and will be aware of the Glory of the Lord.

And the glory of the Lord shall be revealed, and all flesh shall see it together: For the mouth of the Lord hath spoken it. (Isaiah 40:5)

Beloved Partners, we are on the threshold of the most awesome and glorious moment on earth! The **PERSONAL** revelation of **GOD ALMIGHTY HIMSELF** to this **HIS WORLD!** Every atheist, humanist, every destroyer of human life, every doubter and defier of God, every fool who has said in his heart, **THERE IS NO GOD** — is about to **SEE THE GLORY OF GOD!**

Already the Holy Spirit is beginning to reveal this Glory in many parts of the world. Arthur Blessitt who is in Europe this summer phoned a few days ago absolutely ecstatic over what he is seeing. "Paul", he said excitedly, "as I witness to people on the street and ask if I can pray for them, they begin weeping for no apparent reason. Then, as they pray the sinner's prayer to receive Jesus, they break out in heavenly tongues!"

Beloved Partners, The Spirit of the Lord is beginning to reveal the Glory of the Lord to our world as promised in the Book of Joel. These and other reports from many other places are just the **BEGINNINGS** of the mighty deluge that is **ON THE WAY!** Naturally we want to know when and how, and what will happen as the time for God's full revelation of Himself to the world approaches. God's Word gives us a few clues as we read of Moses. Moses saw, just the receding Glory of God on Mount Sinai. When he came down from the mountain his face shined so brightly from seeing God's Glory, they had to cover his face with a veil! The priests who dedicated the Temple of Solomon saw the Glory of God enter in the form of a cloud. The Glory was so powerful they could not stand on their feet, but fell prostrate before the cloud of his Glory. What would have happened if the cloud were removed and the **FULL** Glory of God had been revealed? Time does not permit us to look at the experiences of Isaiah, Ezekiel, Elijah, Stephen and many others who **SAW** the **GLORY OF GOD.**

Oh Partners — did you hear the Word of God? You and I are going to **SEE** the **GLORY OF THE LORD!** "How will we see it?", you ask. Just as we read throughout scripture, God's Glory will take many forms. God is God! He will sovereignly reveal Himself in many ways. Already reports are coming from Russia that signs are mysteriously appearing in the skies telling them to repent and receive Jesus Christ as Savior! Reports continue to reach us from reliable, credible brothers and sisters that human appearing beings are giving witness of Jesus Christ and then disappearing into thin air! One such report made the CBS news not long ago as numerous motorists reported picking up a hitch-hiker and after receiving a witness of Christ the being disappeared out of the auto while moving at driving speed! Strange? Perhaps, but not without Bible precedent. Read the account of Philip as he left the Ethiopian Eunuch which he had just baptized. Acts 8:39. Signs and wonders are promised by Jesus Himself in John 14:12.

One of the great ways I believe God is revealing His Glory and will reveal it in a far greater way is through Christian Television. A recent guest on the **PRAISE THE LORD** program told how his TV set kept changing channels back to Channel 40 without anyone touching the set! As a result he gave his heart to Jesus. And this is just the beginning — I believe the day will come when such Glory will be released through the TV screen that people will be overwhelmed just as the priests in Solomon's Temple! I believe people will be healed en masse as the Power and Glory flow through anointed servants out through the air ways! I see by faith 100,000 souls saved in one night as the Holy Spirit flashes the convicting Glory of God from Coast to Coast!

But that's not all — Isaiah says:

AND ALL FLESH SHALL SEE IT TOGETHER (Isaiah 40:5)

We have already talked about the three earth orbiting satellites which we will one day link together and bathe the whole planet with the message of the Glory of God. And that day is not far away. Just a few days ago I sat with a TV network executive and began the process of sending Christian Television to great Britain via satellite! Europe is opening, Africa is opening, Asia and the rest of the world is opening to Christian Television! Glory to God!

We are building your first foreign station in the Caribbean NOW! The Sinai Station is on the way! And NOW — DBS. . . . What is DBS you ask?

DIRECT BROADCAST SATELLITE

is the new generation of satellite which will beam directly to your home and will be received on a small roof top dish. Are you ready for some exciting news?

We have already reserved a channel on the first RCA DBS satellite which is scheduled for launch next year!

The next step will be INTERNATIONAL DBS satellites which will cover the world with JESUS! HALLELUJAH!

ALL FLESH WILL SEE IT TOGETHER!

Partners, we really are on the home stretch! The finish line is clearly in view. We're GOING TO MAKE IT! How I plead with you to stand tall with Jan and me as we near the final goal. Oh, lets not miss the mark now. We're too close to VICTORY! You and I are responsible to God for a great part of the harvest of this world. Please don't think — someone else can do my part now. The reward that awaits us for faithful service cannot even be imagined by man.

Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him. I Corinthians 2:9

Jesus said if ye love me, keep my commandments, and that Greatest Commandment is to:

Go ye into all the world and preach the gospel to every creature. Mark 16:15

Will you go with Jan and me and all your TBN Family? Together we are a **TERRIBLE ARMY!** Together we are pulling down the strongholds of the enemy. Together we will **BRING BACK THE KING!**

Please let us hear from you this month.

I am asking you to do two important things right away. . . .

1. Send your regular love gift for October to help us keep your TBN on the air 24-hours a day.
2. Fill out your PRAISE-A-THON renewal slip for next month.

NOVEMBER is **PRAISE-A-THON** month and our great week of **PRAISE-A-THON REVIVAL** will be November 14-18.

By renewing your basic Praise-A-Thon pledge by mail you will free the phone lines for more ministry and salvation calls. You may still want to phone in for special projects and challenges but your mail renewal will help us a great deal.

Thank you, thank you, thank you, for your love, tears, prayers and financial support which keep your TV witness going around the clock. Read some of the exciting testimony letters that Jan has included to encourage you and bless you for your many efforts on behalf of your TBN.

Please know that Jan and I along with your whole TBN Family are praying for you and agreeing with you for all your needs and the desires of your heart. We love you!

OUR LOVE GIFT TO YOU

A beautiful blue and white neon night light is our small way of saying thank you for keeping TBN on the air this month of October. It is twice the size of regular night lights and also swivels to work in any kind of electrical outlet. Let this little light guide you in dark places and remind you to pray for the soul-winning ministry of Christian Television.

It will be on the way to your home for your love gift of any amount large or small. Jan and I do love you and appreciate your support especially during these exciting and fruitful days of reaching out to those in darkness.

WE ARE CHANGING OUR WORLD!

Thank you partners for 24-hour a day Christian Television from.

Dear Paul & Jan,

Thank you so much for the wonderful programs you have on TBN. As a new Christian having recently accepted the Lord Jesus as my savior, your interpretation of the scriptures is very important to my understanding the word of God. Every night as I watch TBN, I get a better understanding of the Bible and God's love for us.

Being a career military man, I find your interpretation of current events in the Middle East, Central America and in Asia most fascinating. Military planners are always anticipating what will happen (where) next. I know the answer. Christians have always known the answers. It is written in the most popular Book of current events — the Bible!

Many people think it is not right to be a Marine and Christian at the same time. But what better place to witness for the Lord than in the midst of sinners? Many young adults, away from a stable, protective family for the first time, fall prey to the many traps Satan has set for them with drugs, alcohol, lying and lust of flesh. Thanks to TBN and a few Christian Marines for showing us the light. I once had an older Marine say that square pegs (we Marines) could not fit a round hole (Christianity). He was wrong. The secret is to make the hole bigger (open our hearts to them and let God witness to them through us)!! It is so fulfilling to witness to people who are reaching out — trying to find out where they fit.

Many times over the last twenty years the Lord has come to me and said, "Come, follow Me. I have what you are looking for." But I always said, "Not yet. Later. Right now I'm having fun and not ready for You." In Japan last year I was drunk, about one drink from blackout, and He said, "Are you still having fun?" Later, in the Philippines, while waiting for my second V.D. shot, He said, "Follow Me, I'll show you happiness." Once again, I didn't yield to His offer. After returning to California, one night I found myself in Orange County Jail. I had reached the bottom of a long fall from the values instilled by my parents.

That night Jesus Christ came again and said, "Come." That night I said, "Yes, Lord. I accept you as my savior." Now I have the happiness He promised. He is my best friend and my love for Him grows stronger every minute.

Thank you TBN for being there when I needed guidance in prayer. I go to Church

now and watch your network nightly. It's good to see something beneficial coming from a TV set. Usually I don't turn the TV off until TBN goes off the air. I'm afraid I might miss something. Thank you and Praise the Lord! Born Again,

Dear Paul & Jan,

Until I find a church home I am sending you the enclosed \$25.00 as my tithe. You and the whole TBN facility have been more than a church to me, more than a life-saving force to. There isn't enough time, words or paper to say what you have done for me. How I bless God for the miracles he has brought to my life, more often than not using you as an instrument.

I first started watching Channel 40 in 1973. I can remember pictures of Jan and all the painting and cleaning the original buildings. Many times when I thought I would go mad with the weight of my problems, I would call for prayer and a gentle counselor would bring peace to my heart. I should have capitalized Gentle Counselor because it was indeed the Holy Spirit working through those beautiful people on the phones.

How do I thank you for the PTL program or Ken Copeland or Dwight Thompson or any of the others? How can you thank someone as they deserve to be thanked for your life, your mental health, your very soul.

May God protect you and forever hold you in His loving arms.

Your grateful sister in Christ,
Jean

My dearest bro. Paul and sis Jan,

God bless you and all the prayer partners for the constant blessings you bring to me and so many others. Not too far back I became very suicidal and had the privilege of calling TBN for an instant healing. Praise the Lord! I'm no longer suicidal. I've received Jesus into my life and it makes all the difference.

I have many needs: I'm on SSI only and I am considered permanently disabled — five major back surgeries — Polio in my right foot and leg. And most of the time no food in my apartment to eat. But I just thank God that although I'm in debt to about \$1,200 I am so rewarded with TBN and all of its programs. What a blessing! Oh, what a joy! Jesus is my food. Keep up

the good work, Paul and Jan, if you only needed to reach one, Praise God, you've reached ME!

Thank you—Abundant Blessings

Philip

Dear Jan & Paul & Staff,

Thank you for dedicating tonights service and fellowship to all of us prisoners. I love you all and pray that what you have sown will return unto you a hundred fold according to His Holy Word. Amen!

Jan, when you started crying for us, I had to pray right then for the Lord Jesus to touch you and let you know that He is here and has us well in hand and that you shouldn't worry about us or be burdened for us because His yoke is light, and He takes our heavy burdens for us, remember? And then Paul spoke to you what he spoke and then I watched through the program as that special peace that He gives just permeated your whole being. And I praised Him for all of us, for His Word is Him and He is the Word made flesh that dwelt among us. And now he lives within us. And we pray in agreement with His Word, in faith knowing that heaven and earth will pass away, but His Word will never pass away.

I know confidently that God will do what He says He will do, and that no matter what happens I can praise Him and worship Him in freedom and liberty from death and go on to better things rather than concern myself with things here, and can prepare myself through the Holy Spirit teaching me the Word and knowledge of God and His will. And knowing that I am a child of the Lord God Almighty according to his will. I know that they can't kill a Christian; they can only *transfer* them to Jesus. So dear handmaiden of the Lord; know in your heart that through the grace of our Lord Jesus Christ from October last year to now I have gone from no hope to eternal fellowship with the Father through Jesus by the Holy Spirit. And through TBN and the teachings presented by all our family of God through your ministry and the Word and Holy Spirit I have now no bondage or oppression. . . . Just Jesus in me, which is all in all. Thanks to you and your staff and all the partners supporting Jesus, I know many others are saved and edified also.

With His Love,
Randy
