I SEE GOD MOVING . . . FROM SINAI

We start the new year with an exciting report from Jerusalem! In December I met with Mr. Mordechai Zipori, Minister of Communications for the State of Israel. For over three years we have been praying and believing that in God's time we will have a powerful TV station on the border of Israel and Egypt that will cover the Middle East with God's Peace. I could feel the lift and support of your prayers. After the usual security check I was ushered into the Keneset (Israel's capitol building) to meet with Mr. Zipori for the third time. With a great enthusiasm the Minister of Communications looked me in the eye and said: "Mr. Crouch, my answer is YES!" He went on to explain that we are working with a new and slightly different government. Since Mr. Begin resigned, a new Prime Minister, Mr. Yitzhak Shamir has taken the post of leadership. By the way, I was able to meet with Mr. Shamir briefly. This was totally a miracle which I did not even expect to be possible. I also was able to renew my friendship with Mr. Harry Hurwitz who was a guest on our PTL program and was attached to the Israeli Embassy in Washington, D.C. Mr. Hurwitz is now Personal Advisor to the Prime Minister and miracle of miracles, was able to meet with me as we spoke to Mr. Zipori about the Sinai Station. What a special help and blessing he was at that meeting! That night, Mr. Hurwitz spoke to our tour group at the Hilton Hotel. He said that Israel has no better friend than TBN! How kind everyone was to us in Israel — believe me . . . God is working everything out in HIS time! Mr. Zipori did ask us to help him as he now takes our formal request for the station to the new Prime Minister. He asked if we could get a brief letter of endorsement from our President Reagan. He said, "I'm not saying you HAVE to get this letter, but it would be a great help to me in presenting your request to our Prime Minister." I assured him we will do everything possible to get the letter from President Reagan and I am confident that we will have it soon. Please pray for special guidance as we approach those close to the President to secure the letter.

Beloved partners, it is not IF we are going to have the Sinai station, it is only WHEN we will have it! Pray as never before — someday soon we will THROW the most glorious and important switch in the history of TBN . . . God's glorious word **WILL BE FULFILLED** for all the world to behold:

I see God moving across the DESERTS FROM MT. SINAI. His brilliant splendor FILLS THE EARTH AND SKY: HIS GLORY FILLS THE HEAVENS, and THE EARTH IS FULL OF HIS PRAISE! What a wonderful God He is! From HIS HANDS FLASH RAYS OF BRILLIANT LIGHT. He rejoices in HIS awesome power. Pestilence marches before him; plague follows close behind. HE STOPS. He stands still for a moment, gazing at the earth. THEN HE SHAKES THE NATIONS, SCATTERING THE EVERLASTING MOUNTAINS AND LEVELING THE HILLS. HIS POWER IS JUST THE SAME AS ALWAYS! Habakkuk 3:3 (LB)

Glory be to God! We are helping to fulfill **BIBLE PROPHECY** as we move toward final victory in Sinai! Keep **PRAISING THE LORD** just as the Children of Israel did. The same God that parted the waters, fed them in the wilderness, brought water from the rock, led them and defeated all their enemies is **OUR GOD TODAY!** Partners, PRAISE HIM — He is doing the same for us if we will only keep trusting in HIM.

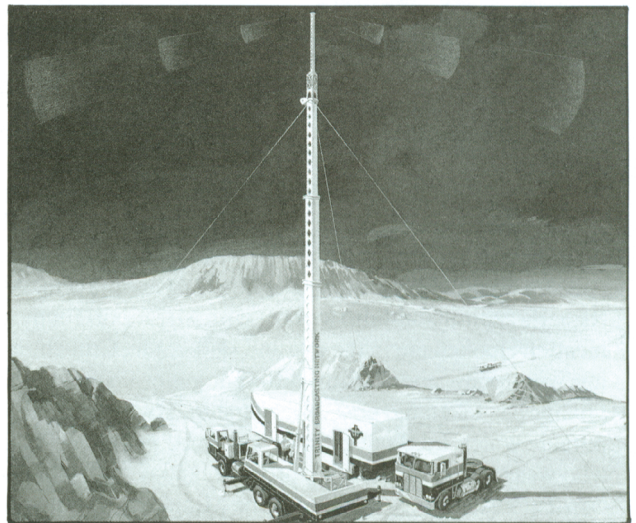

Of course we must keep praying and rejoicing for the Tacoma/Seattle station — Channel 20 is over half completed! Nevis/St. Christopher is also well under way. Both will be on the air early in **1984**. Also applications for sister stations are waiting FCC action in seven major new cities! Two of them will probably be approved by the time you receive this newsletter! Praise God!

Beloved Partners, there is no question, God is increasing the tempo of harvest at breath-taking speed! Everything is moving right on schedule. All Jan and I need is the continued assurance that **YOU**, our precious partners, are standing firm and strong with us. Please let us hear from you this January. Your prayers and gifts of love keep us going. Please know that we are doing our best to keep 24-hour a day Christian Television coming into your home to bless and lift you and yours. You are also on our entire TBN Family prayer list. Keep sending your needs and requests to us for 24-hour a day prayer. Jan and I do love you and are praying for you. Thank you, again, for being our partner in this great final harvest of souls until Jesus comes!

Who Will Write Your Will?

When dad passed away he left no will. He did not intend to place that kind of burden on Mother and we five children. Dad was so typical of God's people—we were looking for the coming of the Lord, we were preaching the Gospel—surely we would all be alive till the trumpet of the Lord would sound! But Dad was called home. He did not leave anything we would call an estate today; a car, personal things, a few acres of land in South Dakota, but oh, the extra heartache for my dear mother. I wanted to help out but I was only seven . . .

I learned a lesson from Dad's experience. Today if the Crouch family, Paul, Jan, and our boys are called home, EVERYTHING goes to Trinity Broadcasting to keep preaching the Gospel via CHRISTIAN TELEVISION.

You see, if you do not write a Will, the state will do it for you, and I doubt if they would write it the way you would want it. Of course a Will is only the beginning. Our estate planning department keeps up with all the new laws and can help you and your attorney provide for your loved ones and for the Kingdom of God in many different ways.

We are stewards of the things God has entrusted to us. Someday just as the Parable of the Talents (Matthew 25:14-30) proves, we will all give an account to God. I want to know that if I go on home before Jesus comes, my resources will go on working for God. How about you? TBN's services are offered to you without cost. We are here to serve you and the Kingdom!

Please write or call JACK FINDLEY, director of our STEWARDSHIP DEPT. at P.O. Box A, Santa Ana, 92711 or (714) 832-2950.

LETTERS FROM YOU, OUR PARTNERS

November 29, 1983

Dear Mr. Crouch:

I was glad to be on your program on Channel 40 to tell about the Billy Graham Plaque Dedication.

You have a great listening audience. I had so many people write to me and stop me in the hallways, or at meetings, to say they watched the program. We had a great turnout of the crowd because you know as you were there. I think many of those people came because of the program.

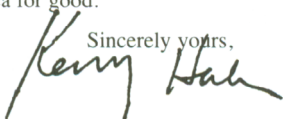

I am so pleased that you personally came, and I know Billy Graham appreciated your support.

By the way I saw Franklin on your program the following evening.

There is a great work to be done by Christian people in controlling crime and rehabilitating those who have been in jail or on probation. I am glad you challenged the Christian people to get involved, to register to vote and to be good citizens of America.

Since you have been broadcasting from Channel 40, I think you have had a tremendous influence in America for good.

Sincerely yours,

KENNETH HAHN
Supervisor, Second District

Dear TBN,

Praise the Lord, today my husband got saved! I want to thank God for moving in my husband's and my life through TBN.

In January of 1983 I accepted the Lord while watching TBN (channel in Poughkeepsie, N.Y.) while Dale Evans was on. Since then my whole life has changed. Before I was saved I was very unhappy and consumed in fear. But, after I said that prayer with Paul and Jan, the Lord started to really move in my life. A few months later I was in need of prayer so I called TBN (Richmond, Ind.). I not only got a miraculous healing from God (He healed me totally from gall bladder trouble), but at the time I also got the name of a Messianic Jewish congregation (Beth Messiah in Cincinnati, Ohio). I started attending there and the Lord delivered me from many problems. I really feel in my heart that if I had not been saved, I wouldn't be here today. Praise God I'm free! Praise God for saving my soul, and the Holy Spirit has really touched my life through "Praise the Lord".

Well, getting back to my husband, before he was saved we would watch TBN together every once in awhile. Then gradually he started watching more and more. Then he started making friends with people at Beth Messiah and he came to know the Lord. My husband, who thought Jesus was for the Gentiles only, came to know the Jewish Messiah—Yeshua. Praise God. I want to thank you very much also for your Messianic Jewish programming. Thank you and Thank God!

Much Love in the Messiah,
Kimberly

Dear Paul and Jan,

My name is Brian. I am 8 years old. I love to watch Praise the Lord. I love Jesus and you. Yesterday we had a garage sale. I sold my football helmet and some records. Here is the money for the orphans in Haty.

Could I please have a night light for my room if there's any left? Thank you.

Love,
Brian
