EL SALVADOR -- THE TRUTH!

Dear Partner:

The blast of the giant helicopter blades beat a steady staccato on my head as we moved out into the rebel held countryside of El Salvador. Our guide, Lt. Colonel Jesus Caceres shouted over the deafening CRACK, CRACK, CRACK, of the engine, pointing out the ugly scars of the communists' terrorist attacks. Blown up bridges, destroyed power lines, farms and homes burned to the ground, and worst of all the graves of thousands of innocent civilians slaughtered because they refused to accept the ideology of HELL — atheistic communism! My heart was wrenched as we landed at a refugee camp. Dozens of little children from infants to early teens crowded around us as we tried to encourage them to hold on till help could come. I promised to tell you of their urgent need for the barest necessities of life. My heart broke as an elderly lady with a large tumor on her neck came and asked us to pray for her healing. Big tears welled up into her eyes as I quietly pressed a few dollars into her hand as we started to leave — I will never forget that wrinkled face which somehow managed a big smile through the tears, as I choked back mine.

I left that camp with a rage bursting in my spirit like I have never felt before. A holy hatred for the devil and all of his demon powers consumed my entire being! If Jesus came to DESTROY THE WORKS OF THE DEVIL, we should be engaged in the same business! Beloved Partners, I made a vow to God that we would clothe those precious little angels — naked, hungry, orphaned. Innocent little eyes staring up into mine seemed to ask in the universal language of the soul — *WHY?*

We spoke to the top commander of all of El Salvador's Armed Forces, Colonel Adolfo Blandon, as well as the four main contenders for the Presidency. Each one agreed that the U.S. secular press has given a totally distorted view of what is happening. They are perplexed and anguished that our press reports are aiding and abetting the communist rebels from Cuba and Nicaragua! The people of El Salvador are crying — *We are fighting the communists for you!* If they win in Central America . . . guess whose borders they will be at next?

But Partners, in the midst of all this depressing news, I have a report that has all hell reeling! The President of Tele-Communications, Colonel Julio Cesar Gomez has approved your new 100% Christian TV station and has assigned us CHANNEL 16 for SAN SALVADOR the capitol city! *Praise the Lord!* He told me personally that the application will be approved in 30 days! Oh yes, some more good news — I stopped off for a few hours in Guatemala and saw the first test pattern of Channel 21 — it is ON THE AIR with low power signal! We are shipping more equipment so that we can have a few hours a day of Christian TV right away! Partners, we are winning!

But now, we dare not slacken our pace. It's full speed ahead for El Salvador, South Africa, the Caribbean, Haiti, China — THE WORLD! This is the Word God gave Jan as we were praying for El Salvador:

For I will set my eyes on them for good . . . and I will give them a heart to know me, for I am the Lord; and they shall be my people, and I will be their God, for they will return to me with their whole hearts. (Jeremiah 24:6,7)

We are making a difference, Partners, together! Jan and I could do nothing without you, your prayers, support and love. The battle for human souls is raging — Satan hates the very name of EL SALVADOR — it means *THE SAVIOUR*. How he would love to destroy a city and country named in honor of Jesus, the Saviour. But he cannot — if we will do our part. Please see the eyes of the people . . . in the spirit — pleading to us who have so much of this world's goods. Write to Jan and me today, enclose a special gift for EL SALVADOR. We will use it to send some immediate relief to the refugee camps plus start building Channel 16 as soon as the permit arrives. I know I can count on you my faithful partners one more time. We love you and are praying for you now!

Paul

PARTNERS, WE ARE CHANG

The mountain just above my head is where Channel #16 will beam the Gospel to El Salvador! GLORY! This is the helicopter the government gave them to fly. People we are witnessing one of the greatest miracles in the history of the world. 24 hr. Christian TV going around the world. And you are there!

Paul met with Presidential candidate Jose Napoeon Duarte. Paul asked him if he were elected president would he support the new Christian TV Station. Without a hesitation he said "YES"!!

The President of Telecommunications, Col. Julio Cesar Gomez welcomed Paul into his office with the ELECTROFYING NEWS — Ch. #16 BELONGS TO GOD'S PEOPLE! People, pray for this miracle, be a part of this miracle. We need your prayers and support NOW!

Paul had an indepth interview with Roberto d'Aybuissou, running for president of El Salvador. He reported to Paul that the American secular press had grossly misrepresented the facts about El Salvador and he welcomed the opportunity to tell the TRUTH!

Colonel Adolfo Blandon, Chief of all the El Salvador Armed Forces briefed Paul on the communist terrorism that has plagued his country. He asked Paul to take an army helicopter and see the truth for himself!

Phillip Crouch, (Paul's brother) manager of Ch. #21 in Phoenix welcomed Paul & Jan and our entire TBN team & family to beautiful Phoenix for a week of Glory Hallelujah Revival! We'll never be the same because of this special week of Revival! PHOENIX YOUR BEAUTIFUL. WE LOVE YOU & WE'LL BE BACK.

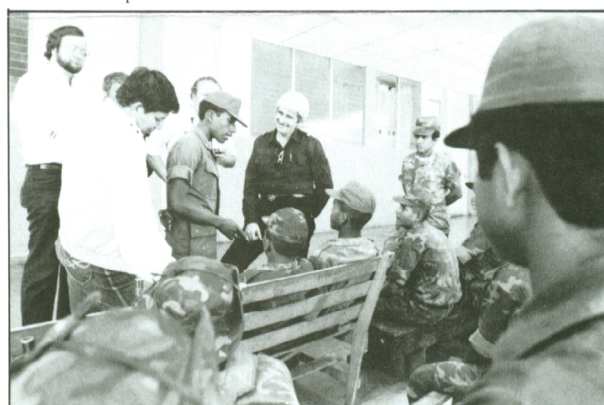

ING OUR WORLD TOGETHER!

It was joy unspeakable at Pastor Don Prices church VALLEY CATHEDRAL in Phoenix the special week of Revival. Thank you PASTOR DON and thank you Phoenix Partners for the special LOVE you showed all the TBN family. We were all BLESSED, BLESSED, BLESSED!!!

Jesus loves the little children *all* the children of the world! The beautiful children of El Salvador need to know that JESUS LOVES THEM. We are Jesus hands extended we are to feed the hungry & clothe the naked. If we Christians don't care — the communists will. God help us to reach these precious ones.

Paul spoke to new army recruits who had fled the communists to fight for El Salvador. They said they would rather die than live in slavery. Help us help them. They need to know JESUS CARES — WE NEED TO CARE IN JESUS NAME.

DR. R.W. SHAUMBACK ministered to us like a modern day prophet! We were so happy to have him join us for our Phoenix Revival and are looking so forward to having him join us in Oklahoma! He is very special and a beautiful member to our TBN family.

Jan got to throw the basketball to the most famous Basketball player alive today — MEADOWLARK LEMON. Meadowlark made a beautiful statement. He said that basketball consumed his entire life, until he found that JESUS loved him & forgave him. Now Jesus is #1 — basketball — down the line somewhere.

How can we ever *thank* DR. EV HILL enough for the beautiful message he delivered under a special anointing of the HOLY SPIRIT at the Phoenix Revival. Hundreds received Jesus as their SAVIOR as he explained SALVATION so clearly. Dr. Hill — YOU ARE SPECIAL!

One of the greatest miracles in the 10 year history of TBN, came to our TBN family in Phoenix. You are now owners of a construction permit for a Christian TV Station in Ciskei, South Africa. The Ambassador of Ciskei, Douw Steyn, came to Phoenix with the unbelievable news that the Premiere of Ciskei had granted to TBN the permission to build this miracle station.
