

PRAISE THE LORD

VOL. XII NO. VII

TRINITY BROADCASTING NETWORK

JULY 1984

NEW LIGHT FOR DARK CONTINENT

*O sing unto the Lord a new song: sing unto the Lord, all the earth.
Declare his glory among the heathen, his wonders among all
people. (Psalms 96:1, 3)*

As I write this letter to you, I am preparing to leave on possibly the most important journey of my life — **AFRICA**, the Dark Continent beckons. A continent littered with the graves of brave missionaries, from my own cousin Rachel Crouch who is buried in the Sands of Egypt to the Great Englishman, David Livingstone, the sacrifice cannot be measured in human tongue.

My earliest memories are the dusty streets, the foul smells of the Nile delta in Egypt. I was two years old when our family landed in North Africa to — “**DECLARE HIS GLORY!**” We left a few years later, my father’s health broken (he died in a couple of years) and the grave of Cousin Rachel, victim of small pox. Precious seed has been planted through the centuries and **NOW IT IS HARVEST TIME!**

Jesus said:

*... one soweth and another reapeth. I sent you to reap where you
bestowed no labor; other men labored, and you have entered into
their labors. (John 4:37, 38)*

Beloved partners, **WE** have the joy and the responsibility of gathering much of the Great final harvest! As you read this letter I will be meeting with the Presidents of Kenya, East Africa and Ciskei, South Africa. Both have agreed to let us build mighty 100% Christian TV stations in their countries! When I return we will be able to show you *where* these stations will be built and *when* they will be **ON THE AIR! Praise the Lord!** In my spirit I feel that we are just now entering into the final phase of TBN! For over 10 years we have built a strong foundation **TOGETHER! NOW, Praise God, THE WORLD IS OURS!**

I will be presenting President Reagan’s letter to the Government of Israel — the **SINAI STATION** will come when it is **GOD’S TIME!** Other countries and areas of the world are opening so fast we can hardly keep up with the calls. By the time you receive this letter, Guatemala will be **ON THE AIR** with at least a few hours a day of Spanish Christian TV! Now we will begin the building of the High Power Station there. Nevis will also be on the air in July if not sooner — we wait for word from El Salvador, Grenada, the Congo, Chili and Hong Kong! **Glory!**

*Say among the heathen that the Lord reigneth.
(Psalms 96:10)*

Beloved partners, for years, Jan and I have said we are willing to go if you will send us — **WELL NOW, WE HAVE GONE!!!**

But, now, more than ever we need **YOU** — your **PRAYERS, LOVE** and **SUPPORT**. Oh, I know we can continue to count on **YOU** our faithful partners as we. . . **LIFT UP OUR EYES** to the world.

Jesus said:

*Blessed are the eyes which see the things that you see: for many
prophets and kings have desired to see those things which you see,
and have not seen them; and to hear those things which you hear,
and have not heard them. (Luke 10:23-24)*

Paul

PARTNERS

Precious Vietnam Veteran Dave Roever blesses us over and over and over! TBN has established the "TBN MILITARY HONOR ROLL - OUR AMERICAN HEROS." We have partners that pray for our Brave Men keeping America Free for you and me! They are our HEROS and we LOVE you MEN! Watch for Dave's new show on TBN.

When Paul told us about SATELLITE we all said "Paul GO get it," and he did — 8 years ago (one of the 1st). When Paul told us about the Holy Beamer we all said "Paul go get it," and he did — 5 years ago (the very 1st). When Paul told us about DBS we said "Go get it," and he is. We'll be one of the 1st, after ALL — WE ARE THE HEAD & NOT THE TAIL. (Deut. 28:13) Go for it Paul.

Gods beautiful TBN Telethon Team — Pastors from all over America GIVING of their time and energy to see that the Gospel of JESUS goes around the world. Thank you Pastor Don Price, Phoenix, Arizona; Pastor Danny Sheaffer, Oklahoma City, Oklahoma; Pastor Steve Brock, Birmingham, Alabama; Pastor Wayne Francis, Seattle, Washington; Pastor Don Wellman, Denver, Colorado; and Pastor Horace Ward, Cincinnati, Ohio for making the week PERFECT for Him!

It's always a special joy to have Dr. Robert Schuller, Pastor Crystal Cathedral come by and share with us on Praise. The program was a classic. You must catch it in re-run! Thank you Dr. Schuller for taking time from your very busy schedule to join our TBN Family. We love you! Please come back soon!

Paul was so anointed during the Telethon and led the way for all of us to get on board with him. His vision is endless. Maybe its your son or your daughter that has not yet heard about Jesus. Help us go around the world and reach everyone's son and daughter and mom and dad. Jesus said "Go — we're not going — we're GONE. GO WITH US. OK?"

Special special thanks to Dr. James Robison for joining the TBN Team at the Telethon this year! Our modern day JEREMIAH again blessed our hearts as he thundered forth GOD'S message to us! Please pray for our brother, James, he's very special in God's eyes and is trying to do GOD'S perfect will! WE LOVE YOU, JAMES. Keep up the GOOD WORK!

S, WE ARE CHANGING OUR WORLD TOGETHER

TBN had an honest to goodness real genuine absolute Jerico March on Telethon. As Betty Jean sang "Ain't No Grave" Rosey Grier began it and we all joined in. The Joy of the Lord is our strength! Did you join in at home? What a night! Rosey leading the Jesus Rams in stomping the enemy.

Who in the world can preach like our Danny — NOBODY. The lean, mean, preaching machine, told us we're "DESTINED FOR THE THRONE" in Florida and had some of us ready to go that NIGHT. Keep kickin the DEVIL Danny. We're with you all the way! Thanks to our pastors from coast-to-coast for being members of our TBN Team.

What a beautiful pleasure we had to welcome our brother, MR. T, from the A-TEAM and ROCKY III to PRAISE. He is a gentle person and he loves Jesus and people with all his heart. Everyone should order this tape for their young people. He tells young people to stay off drugs and alcohol. To order this tape, request PTL cassette #531-84. It is a MUST for all young people!

Little Brandon Paul Crouch — only 16 months old but already watching Grandpa Ron PRAISE the Lord — and he is doing exactly what he see's those he LOVES do! Parents, what a responsibility — Little Brandon has 5 generations of Pentecostal preachers on his Moms side with Ron and on his Dad's side with Paul's family. Keep those little hands up Brandon. Jesus LOVES you BABY!

Premier Simeon Daniel, of the Sovereign Nation of NEVIS welcoming TBN Family to his Island. Alexander Hamilton was born on NEVIS and their are many beautiful places to see on his Island. He let us know with the tradewinds, the healing HOT waters, and now Christian TV everyone leaves NEVIS a new person!

What a special special joy to have Maude Aimee and Liz Humbar join LaVerne & Edith for PRAISE! They were our special Mothers Day guests and what a beautiful program it was! Maude Aimee is Mrs. Rex Humbar and we know the millions and millions that know Jesus today because of this dedicated couple! LaVerne & Edith are very special hosts. Thank you Partners for keeping Praise on the air.

OTHER!

Hundreds and Hundreds accepted Jesus as their Savior and Lord at the Florida Revival! Very special thanks to Dr. Rex Humbarb who ministered so beautifully and our hearts were full of PRAISE and JOY as we saw 200 or more come forward just in the church, and hundreds called in on the phones! We're doing it people, winning souls for God's Kingdom. Thank you for keeping the Beamer Rolling around the world.

Florida Revival was very special! Hundreds received Jesus and were blessed and blessed and blessed! Thank you Andrea, Reba, Dony. Thank you Jesus for such a special week! Everyone will remember the night the Holy Spirit pled for one special person to come forward. Paul waited and he finally came, broken before Jesus, Gloriously saved, because a loving wife would NOT let GO!

Hundreds were saved as Dr. R. W. Schamback ministered on GOD'S LAUGHTER. One of the best sermons ever preached! Thank you Dr. Schamback. We LOVE you. We are so happy to welcome him to our TBN family team. We love his sermons! The very, very best! Thank you partners for keeping TBN on 24 hours a day beaming the Gospel NOW around the world.

Very special thanks to pastor George Calahan and the congregation of the New Covenant Church of Pompano Beach, Florida for welcoming the TBN family into their church. The Gorgeous facility made the week of Revival very special! Thanks also to assistant Pastor Bob Fox for joining us each evening and thank you to little Brandon Paul Crouch for making Gran & Papa so happy!

Thank you LaVerne & Edith for hosting 3 nights of the Ken Copeland Campmeeting. What a joy to see Joe, Lin Mink, Richard Hoague and one of our favorites, Jerry Barnard, at the Campmeeting. Jerry is working hard spreading the Gospel via TV in San Diego. Let's pray for Jerry & Sandy. They are very special to all of us.

Thank you Ken & Gloria for 5 nights of Campmeeting. Many hundreds were saved, healed, blessed, watching Ken & Gloria LIVE via Satellite coast-to-coast! Please let Ken know how much we appreciate his letting us join him and thank you again Ken for the "EAGLE #1" airplane you gave Trinity. WE LOVE YOU!

Love Letters From You, Our TBN Family

Dear Paul & Jan,

Praise God for 24-hour Christian television! My husband and I have enjoyed many hours with you and the TBN family.

In July 1982 my husband and I married, in September the problems began. In February 1983 my husband and I separated. We both were born again Christian people.

My husband began watching TBN. Seemed like every time I called him or went to see him, he had these two fanatical "religious" people on (you two!). It was as though he was becoming "possessed".

It seemed as though we would not, could not reconcile our differences or work out our problems.

We prayed for each other while we were apart. We filed for divorce in March. Our divorce was paid for in advance and would have been final April 1983. We waited to receive our final papers. Finally, after waiting and receiving nothing, my husband called the attorney. The attorney remembered sending the final document for recording, however, he could not locate the final document. I called the court and no record of recordation existed.

My husband and I felt this must have been a sign from God not to dissolve our marriage. God confirmed this by speaking to my husband and telling him I was to remain his wife.

To make a long story short, in February 1984 we were blessed with a daughter, 6 lbs. 1 oz. beautiful and blessed.

Now, that may not sound miraculous to you, but I had had a miscarriage in January 1983. TBN brought a new understanding to both of us. We strive daily to keep Jesus the center of our marriage, as well as our personal lives.

Those two "fanatical religious people" in my new eyesight are now two of God's most precious and blessed servants.

We love you both and wanted you to know the miracle of joy and peace God has given us.

Our marriage is beautiful. The twain are now one! And God just blesses and blesses us more each day.

Now we're two more religious fanatics on fire for Christ. We gain strength and knowledge from TBN programing, from Bro. Fletcher, Bro. Grier, Bro. Schambach, Bro. Hagin (whom I absolutely adore!), LaVerne Tripp and all the rest.

My husband has been called to the ministry and Jan, I'll be beside him jumping and rejoicing in the Lord for all His wondrous miracles of love. Thanks so much for being there when we needed you!

Yours in Christ,
our resurrected Lord and Saviour,
Rhonda & Tracy
Pomona, Calif.

Hi!

Oh, how I love you both and Trinity Broadcasting!!!

Somehow the regular greeting of "Dear So and So" didn't seem enough for my Brother and Sister in Christ.

When I was in Phoenix, Az., visiting my brother and his family I fully accepted Christ dying, on the Cross, for my sins and received the Gifts of the Holy Spirit on Jan. 3, 1984. When I returned back home, to Atlanta, I found TBN on my cablevision and that is where the channel stays, most of the time. Since I am single and there are no roommates there is no problem of where the channel stays.

I will try to express why your station is so important to me. I am a homicide detective, in Atlanta, and because of my job I come face to face with Satan's deadly destruction everyday. Before, when living without Christ or the Holy Spirit in my life, it seemed as though there was not much difference between me and the ones I was arresting for murder. For awhile I was not into murder, stealing, alcohol, or drugs and knew the difference between Heaven and Hell and right from wrong, I just plain and simple didn't care what people did to each other. Thank God He changed me and I do care now and my eyes have been fully opened to see that it is actually Satan causing these heinously violent murders and deaths. So now when I come home, after seeing some particularly gruesome scene or beating my head against the wall to identify and locate a suspect, I can turn on my television to GOD'S LOVE, through TBN, and receive the warmth of your love through the airways.

I really enjoy the Praise the Lord Shows and also Pastor Dan Sheaffer's "The Answer", but I think the cop, in me, really enjoys listening to Hal Lindsey and Doug Clark. Jan, I just want you to know I think my Guardian Angel particularly enjoyed the Praise The Lord Melodyland Campmeeting, where you mentioned how the Guardian Angels came to Arthur Blessitt's rescue, in Nicaragua. I praise the dear Lord, for my special angel, for my being a street cop could cause any angel to get grey hairs. For like the time I was sitting, in my patrol car, doing a wreck report at about midnight. I was parked in a city park and suddenly I was ambushed by a male, wearing a skimask, who put a hawk-bill knife under my right ear and went to slash my throat. Suddenly with quick reflexes I grabbed the knife and found myself in a standoff position with the attacker. He couldn't let go of the knife because I still had my gun and I couldn't let go of the knife to get to my gun. After about fifteen minutes of arguing (my

mother always said I liked to argue) a car started to drive down into the park. When the attacker started to stare, at the other cars headlights, I saw my chance to go for my gun. Now this is where his guardian angel comes in. I pulled my gun and put it right up to his chest. Just before I pulled the trigger and then the attacker grabbed his chest, with both hands, and said "B--- you shot me!" The Attacker then turned and ran. I couldn't believe it when he didn't drop to the ground and when it dawned on me that he was running away, he already had enough of a head start to get away. So you won't be left wondering what happened to the attacker, I caught him eight months later right next door to this same city park and after a short foot chase he is now doing time in our state prison. It was awfully embarrassing, at the time, to try and explain to the other cops how I could put the barrel of my pistol right up to and touching the attackers chest and still miss. I do know that I thank my Guardian Angel and I pray to God that he will come to know and thank God and his Guardian Angel also. Jan, see now why, when discussing Arthur Blessitt's Angel, mine sort of tapped me on the shoulder and said "see I'm not the only one to have a charge that looks like messes to get us into."

Last, but not least, thank you both and GOD, so much, for 24 hour a day Christian Broadcasting.

ALL MY LOVE IN CHRIST,
SHEILA
Peachtree City, Georgia

To those responsible for Channel 20, KQFB-TV Tacoma — thank you from the bottom of our hearts! It is as if you have rescued us from the backside of the desert — with refreshment after the day's work is done . . .

Our most cherished dream was to have a Christian station to watch to transport us from our world of "everydayness" and place Christ more visibly around us. We are cut off from many gatherings in order to undertake the raising of a third generation child who is emotionally disturbed.

We do intend to re-channel some of our tithing to TBN in the very near future, meanwhile, we pray and thank God that we shall never have to go back to any other programming.

Love,
Hanna
Stanwood, Washington
