ITALY - REVISITED!

And when it was determined that we should sail into Italy. . . we launched. . . .' (Acts 27:1,2)

*Incredible NEWS! By the time you read this letter we will have signed the formal papers transferring a full broadcast TV Station in **ITALY** to **YOU**! Our offer has been accepted by the owner which includes a small studio plus three low power booster stations enabling it to cover much of the Northern Italy/Switzerland region! PRAISE THE LORD!*

Beloved Partners, as we move into this PRAISE-A-THON month it seems like the **WHOLE WORLD** is bursting wide open! The ink was hardly dry on the European Satellite contract when the Italian TV station came through. I now see the strategy of God in this. — We can supply much of the programming for the Italian station from the European Satellite. And since the Satellite does not have complete coverage of the homes in Europe, the answer is to have TV stations on the ground to better reach the home TV set! God had it all figured out, and wonder of wonders, He called you, Jan, me and TBN to be His agents to bring it to pass:

O the depth of the riches both of the wisdom and knowledge of God! How unsearchable are his judgements, and his ways past finding out! (Romans 11:33)

Missionary Frank Farnsworth had been fasting and praying for this miracle. **GOD CHOSE YOU** to put **HIS FIRST** Christian TV Station in this area!

November 1984

Paul's article continued from page 1.

And now, **COSTA RICA** is calling, **PANAMA**, **HONDURAS** and even **NICARAGUA**, and all of this is in addition to the stations already in view: South Africa, Kenya, Sinai, Grenada, Nevis, Indonesia and Hong Kong!

Partners, I know many worthy voices and ministries call for your help and support. Jan and I lovingly support other ministries, but please, in Jesus' Name - don't neglect to support the most strategic offensive weapon in God's great arsenal of weapons - **SPIRIT FILLED CHRISTIAN TELEVISION!** Jan and I are not building great monuments to ourselves, we are not even investing in long range projects - I have never been so convinced by the Spirit of God that we are in the **FINAL HARVEST!** We know God is calling us to pull out every stop and go for the **SOULS NOW!**

WILL YOU HELP US? Many of you our precious partners have borne the burden and heat of the day - I'm sure many of you have already sent in your pledges or your renewal. Thank you! We love you and appreciate you more than words can express.

If you have not responded to the **PRAISE-A-THON** call, let me plead with you one more time! On behalf of the multitudes that **WILL HEAR THE WORD AND BE SAVED** because of **YOU** - on their behalf I plead. TBN will make it just fine whether you respond or not - **BUT THEY WON'T!**

Will you do it for them! Some day people you have never met on this earth, will take you by the hand in Heaven and look into your eyes and thank you because you told them about Jesus. Oh, I know you will respond - Jan and I keep looking for your letter and your **PRAISE-A-THON** pledge! Join us, November 12 thru 16 for an exciting Week of Revival! We want to read you pledge and rejoice for the souls that will hear the Gospel because of it!

Paul

DYNAMIC R.W. SCHAMBACH ministering to us at the So. California Revival as only he can do! We'll be joining Bro. Schambach in Hawaii Dec. 10 - 14 for a week of glory Hallelujah old fashioned Revival — right in the heart of HONOLULU! The Holy Beamer & Follow Me will be there and *you* will be there. Pray now for a great Revival to begin in Hawaii. PRAISE has been on the air in Hawaii for EIGHT YEARS!

SHOCKING! UNBELIEVABLE! A PASTOR arrested right in his *own pulpit* and dragged to prison... LOCKED behind prison bars — in America? It happened to Pastor Everett Sillevon of Faith Baptist Church in Louisville, Nebraska. He came by our So. California revival to tell a little of this unbelievable story — but, **WAKE UP AMERICA** — this may have been what it took to get you to realize America is vulnerable and **YOU CAN MAKE A DIFFERENCE! WAKE UP and VOTE!** We must know who is in **EVERY OFFICE**. It's up to *you* to see this never happens again!

It is always such a special, special joy to have ARTHUR BLESSITT come to our revivals. He always thrills us with the reports of what he has just done for Jesus around the world!

Thank you LITTLE JERUSALEM for leading us in the "JESUS CHEER"... Give me a J-"B"-S-U-S! Precious little one serving Jesus — walking with his little cross & following in his DAD's footsteps. Where is your son going? Dad, he's following **YOU!**

You are God's *precious people* — the most beautiful people in the world. Paul presented the fabulous new opportunity to reach millions in ITALY with TBN — And you precious chosen ones responded *overwhelmingly* with the miracle of \$150,000 — for the purchase of the station there! Thank You, Thank You, Thank You! for being so very special & listening to the cry of those who have never heard the Good News!

PARTERS, WE ARE CHANGING OUR WORLD TOGETHER!

What would a Partner Praise-a-Thon be without our fantastic PRAISE-A-PASTOR Pastors from all over America coming by Praise-a-Thon. Watch for your pastor from your area. Thank you Pastors Shaeffer, Ward, Wellman, Francis and Price. See you all this year! You're great. God is blessing these precious pastors for their giving, too!

Without the guidance of the precious Holy Spirit, there would be NO Partner Praise-a-Thon! We ask the Father in Jesus name to please bless our efforts. We bow to His guidance, and ask Him to please speak to You, our precious TBN Partners and Co-laborers in this beautiful ministry.

Joy unspeakable and Full of Glory — our Partner Praise-a-Thons are the GREATEST. Mark your calendar NOW. Nov. 12 - 16, Mon. - Fri. night "LIVE" from 9 AM til 12 MIDNITE! Joe Biaz must be "nearing the shore", and much, much more. In spite of this, Seattle made their goal! What fun TELETHONS are — You can't miss one night!
