## NEVIS – ON THE AIR!

*Sing unto the Lord a new song, and His praise from the  
end of the earth... let them give glory unto the Lord,  
and declare His praise in the islands.  
(Isaiah 42:10,12)*

**PRAISE THE LORD!** Another historic milestone for your TBN! On November 13, Channel 13 in Nevis, West Indies signed **ON THE AIR!** For a year and four months we have worked, prayed, ordered heavy electronic equipment, raised towers and fought demons – but today, the Caribbean Islands from Puerto Rico to Guadeloupe are bathed in new light – thank God, the first battle is over, the beachhead is secure, we are **ON THE AIR!** We suffer no illusions for the future. There will be new battles as more territory is occupied. Voodoo, Satanism and heathen practice abound, but *Where sin doth abound, there doth grace much more abound* (Romans 5:20). Praise God, the outcome of this battle is **NOT IN DOUBT!** We **ARE VICTORIOUS** in Jesus' Name!

Now we move forward with the building of the studio. One of the requirements of the Nevis Government was that we build a small TV studio for the production of some local Christian and public service programming. The foundation is laid and already walls are going up. Please continue to pray and support as we move toward completion on our first wholly owned, foreign TV station. We have spent nearly one million dollars on the first phase which is the full power VHF transmitter and tower. We will spend about a half million more, but what a bargain! We think nothing of spending many millions on a church building which to a single neighborhood only a few hours a week. Thank God, Channel 13 is already on 24 hours a day, 365 days a *year and even now, souls are coming to Jesus because you cared!* Glory – I am being blessed just writing this Good News to you! I am also filled with joy realizing that this is only the first of **many** new foreign stations. By the time you read this, Italy will belong to us! South Africa is coming, European Satellite is growing! El Salvador, Grenada, Sinai, Hong Kong, Lebanon, are still just the beginning! The **WORLD** is within our reach, and **PRAISE GOD**, we are going to take it back from the evil one in Jesus' Name!

What battle are you going through right now? Sickness, a lost son or daughter, fear and depression? Oh beloved partner, get your eyes off the problem and on Jesus. The same Lord who has given us the power to tear down the strongholds of the enemy in the area of TV is just the same for your need.

## CONTINUED FROM PAGE 1

*Beloved, think it not strange concerning the fiery trail which is to try you, as though some strange thing happened unto you: But rejoice, inasmuch as ye are partakers of Christ's sufferings; that when His glory shall be revealed, ye may be glad also with exceeding joy. (1 Peter 4:12-13)*

But then, don't sit there and accept the trial, tribulation and suffering. Yes, there will be suffering, but now rise up in Jesus' Name and repossess everything Satan has taken from you! Jesus said:

*Behold, I give unto you **POWER** . . . over **ALL** the power of the enemy: and nothing shall by any means hurt you. (Luke 10:19)*

These battles, whether to take a TV station from the devil or to repossess your health are simply that you may learn the art of spiritual battle so that one day this **WHOLE WORLD** will be reclaimed for the Kingdom of God! Glory! Let's go! Please let Jan and me know as you win your victories so that we may rejoice with you. We are standing with you and agreeing with you in Jesus' Name. We love you and thank God for you every day. Write today so that we may rejoice with you!

*Paul*

# LOVE Letters From You

Lou, Tacoma, Washington

Dear Paul & Jan,

I apologize for waiting so long to write to you folks, as I first saw you on October 10th here in Tacoma. You came to Assembly of God-Life Center to dedicate our new station, KQFB Channel #20, and take us into your TBN family of which we are very proud to be a part of!!!

I had planned on coming that evening mainly to see and hear Hal Lindsey, whose books I have been reading and studying for years. But around noon I came down with a 24 hour flu that was going around. It didn't look like I was going to make it, when my youngest of two sons, of 16 years called me about an hour before services were due to start. I really didn't want to disappoint him or his older brother as I don't get to see them much since my wife took them and left. Anyway I forced myself to get up and drive to church which was very difficult as I had had a cervical spinal fusion and was wearing a very awkward neck brace and was in a lot of pain and discomfort. Half way to church to my surprise the flu symptoms died away.

That night at your Revival I accepted Jesus into my heart and my life. As the tears rolled from my eyes I asked him to relieve me of the pain of surgery from the previous operation — and He did — Praise God!!!! Wow, I then asked Him to release me from the addiction of alcohol and drugs and He did — Praise God!!!! I came back Thursday and Friday and was I ever on a "high"!

Then on Sunday, October 14th during evening services, you folks were back and Paul called for anyone wanting to be released from the addiction of tobacco to come to the altar. I didn't — my faith had grown so much in five days, I stayed in the balcony and was released from tobacco that had me in its clutches for 27 of my 37 years here on earth. Praise the Lord.

During the next week I shaved my beard and cut my hair — when my

mother saw me and heard what had happened she was in shock. She and my sister had been praying for my salvation for years. Then on Sunday, the 21st of October, I was anointed with oil for my spine and was HEALED — Praise God!!!! In the last 14 years I have had 8 operations — 4 of which were fusions AND NOW ALL PAIN IS GONE.

Last Thursday, I was baptized in the Holy Spirit and began speaking in tongues with the help of a prayer partner. And on that same day, my wife and I went to see a marriage counselor at Life Center which was a first step I've been hoping for, for over 6 months. Psalm 37:4-5 says it all!

Since the 10th of October, I watch nothing but TBN every spare hour of the day and night and listen only to Christian radio stations. I never realized how much secular television corrupts the spirit. I praise God for the work He is doing through you folks and everyone involved in TBN.

I can't thank you enough for your wonderful ministry. I love you both and hope to meet you personally someday. My prayers will be with you daily.

Love in Christ, — Lou

Crystal, Rowland Heights, Calif.

Dear Paul & Jan,

My name is Crystal and I'm eleven years old. I have ten little dolls for you to give to the children of Haiti. That commercial on television that shows the children of Haiti is so touching. But I want to tell you those aren't from me. My mom's friend Margie was staying with us and became born again in 1 week. The second week she got filled with the Spirit. The third week she got slain in the Spirit. The fourth week she got baptized in water. The fifth week she went back to New York and she led her daughter to the Lord. I said all of that to tell you this, Margie wanted to help TBN before she left so she gave them to me to give to you. I love you Paul & Jan.

Love, Crystal

Rita, North Miami Beach, Florida

Dear Paul & Jan,

God spoke to me tonight to write you & tell you the miracle your T.V. network has brought into my life and the lives of our family. Three years ago, I began to watch Channel 45. I always sat in the closet watching it — as I am Jewish. Stacie, our daughter went on a trip with Paul & Arthur Blessitt just recently. She had three nervous breakdowns in four years and one attempted suicide, three years ago. My husband found her near death in a coma, three hours left for her to live from taking pills. I called Channel 45 that night & a prayer partner prayed with me & our daughter is ALIVE. It took three years of medication after that and Stacie was still not right. Well after praying we all became Jews "born anew" about a year ago, and belong now to the Free Pentecostal Church in Hollywood, Florida. Stacie decided to take the trip to Israel & there she threw away her pills. Paul said God spoke to his heart & said she wouldn't need them and guess what, she is just fine — healed — a miracle! Thanks to our Lord, praise His holy name. She just received mail from Dr. Whitaker and he gave her a special diet of good food so she can sleep at night. She's a new Christian now — putting all of her faith in Jesus. Thank you, Lord.

We love you, Channel 45 & TBN. We can't do enough for you & we intend to thank Jesus for the rest of our lives. We also got healed in the last year from a drug addict husband (cocaine, \$1000 a day habit) and our daughter who was also addicted to drugs is now married to a doctor in San Diego, born again & going to Jerry Barnard's church . . . and so many other miracles.

Love to you & your family. We support you 24 hours a day.

Love, Rita
