THE SCOTT RASMUSSEN SHOW

Each week nationally acclaimed public polling expert Scott Rasmussen, founder of the prestigious Rasmussen Report, brings you important data and analysis on issues you care about, such as abortion, immigration, parental rights, the economy, and more.

Each program is filled with good news research and stories showing that, contrary to most major news outlets, a majority of Americans still embrace traditional faith-and-liberty values — and the best days for our nation are still to come.

Don't miss this weekly deep dive into the goodness and greatness at the heart of America — ONLY ON TBN!

SHINING THE

IN A WORLD THAT NEEDS

JESUS!

Dear Friend and Partner,

I think we can all agree that darkness is growing in our world at a pace few of us have witnessed before. Violence, conflict, and chaos are a daily part of life for people across the earth and even in our own communities. And an increase in sin that would have been unimaginable a few short years ago makes the apostle Paul's message in 2 Timothy 3 about "perilous times" seem particularly relevant today.

But in the midst of these sobering times there is great news that should fill us with both hope and purpose. "I am the light of the world," Jesus declares in John 8:12. "He who follows Me shall not walk in darkness, but have the light of life."

The truth is that through Jesus we have been redeemed into the light of God's glorious love (1 Peter 2:9). We are no longer slaves to sin, but as followers of the Savior we have His light to guide us through the darkness that is enveloping this world.

But there's more! In Matthew 5:14 Jesus makes an astonishing declaration of purpose for each one of us: "You are the light of the world." That's right! Through His work of redemption we have the

authority to pierce the darkness of this world with His light, bringing salvation, hope, and healing wherever it is needed.

What that means for each of us is truly enlightening. Whether speaking His truth into the lives of family, friends, and others or helping send the message of His love to spiritually hungry people around the world, you are a bearer of His light! And Scripture is clear that the light you spread through the seeds of truth you plant "will not return void," but by faith will accomplish what God intended (Isaiah 55:11).

That is why Laurie and I are so excited for the partnership of individuals like you in the global outreach of TBN. Every prayer you offer and every dollar you sow into this ministry is a Holy Spirit-empowered arrow piercing the darkness and shining the light of Jesus into hearts and homes across the earth.

Thank you, dear friend, for standing with TBN. Together we are covering the earth with the glorious light of His love.

Until all have heard,

Matt and Laurie Crouch

Your Glory Days Are Here and Now!

Pastor Max Lucado

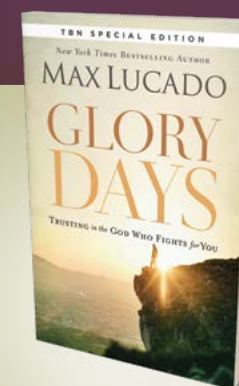

In *Glory Days: Trusting in the God Who Fights for You*, pastor, teacher, and *New York Times* bestselling author Max Lucado takes you to the book of Joshua to show that, just like He did with His chosen people Israel, your heavenly Father will walk you through every wilderness you face, and defeat every foe that comes against you, so that you can fully dwell in the promised land that Jesus' death and resurrection secured for you.

"With God's help you can close the gap between the person you are

and the person you want to be, indeed, the person God made you to be," writes Pastor Max. "You can live 'from glory to glory' (2 Cor. 3:18). The walls of Jericho are already condemned. The giants are already on the run. The deed to your new life in Canaan has already been signed. It just falls to you to possess the land."

Join Matt and Laurie as they sit down with Pastor Max to talk about his powerful book *Glory Days*, and how you can walk in the victory and joy God created you to enjoy — airing October 2 at 8p ET.

TBN UA

In the midst of conflict and tragedy, God's light of love is shining

In August TBN UA marked its first anniversary of broadcasting the good news of Jesus to the Ukrainian people. Launched in the midst of the violence and tragedy of war between Ukraine and Russia, the digital network quickly became a place of refuge and peace for countless individuals and families whose lives were torn apart by the conflict. And as war clouds the future of this nation and people, TBN UA continues to offer hope and encouragement through timely, relevant content from caring pastors, teachers, and Christian leaders.

TBN UA manager Vitaly Stebenev emphasized the grave circumstances that exist across the nation. Since the spring of 2022 over five million Ukrainians have been displaced, including countless children, and at least 25,000 individuals have been listed as missing, causing distress and anguish for many families. Into this ongoing tragedy TBN UA is shedding the light of God's love twenty-four hours a day through its online network.

"Thank you for your word. It sank into my soul like a grain of gold."

—TBN UA VIEWER

"TBN UA began with a burden to take the love of Jesus to the millions devastated by war in Ukraine," explained Stebenev. "And over the past year we have witnessed many respond to God's love and compassion through the messages they hear on this powerful TBN channel."

Since its launch, TBN UA has received over nine million views on its online platform, and now has over 55,000 subscribers on its YouTube channel. Similarly, TBN UA's Facebook page, which posts daily encouraging content, has received over 14 million views during the past year, and now has nearly 90,000 followers.

"For the Ukrainian speaking community, TBN UA has become a reliable and relevant source of real spiritual support," said Stebenev. "Content from well-known Ukrainian and international pastors encourages viewers in their spiritual walk. We are blessed and thrilled every day to see how God is touching lives through TBN UA."

My Story. Tracie Jones

Prayer brought an answer

Knowing that a child has chosen a path that takes him or her far from God can turn a parent's heart to concerted prayer for that son or daughter. That is precisely what happened with one mother, Tracie Jones. As a young child, Tracie's son Austin was "an amazing child with a precious heart," she recalled, "just so much fun to raise. Such a blessing."

But when Austin turned 18 drug use began to change him, starting with marijuana and progressing to pills and increasingly addictive narcotics. While Tracie prayed, over the next several years Austin's life spiraled out of control. After an overdose of the dangerous drug fentanyl nearly took

his life, Austin entered a rehab program.

Deeply concerned about whether Austin would be able to complete the program and stay sober, one night Tracie found herself calling TBN's prayer line, where a TBN prayer partner named David listened quietly to her fears for her son, and then responded like a true prayer warrior: "Tracie, we're going to take care of this."

In the weeks following that call, Tracie witnessed Austin's life begin to turn around, as he completed his rehab program and started to rebuild his life with God at the center.
