EMBRACING HEALING AND WHOLENESS THROUGH

Christ

This month across our TBN family of networks we're focusing on an important scriptural truth that individuals everywhere can embrace for themselves and those they love: the blessings of healing and wholeness that are our inheritance as God's children through the finished work of Christ.

For over fifty years, through the prayer and support of caring partners like you, TBN has made this foundational gospel principle a bold declaration over generations of TBN viewers. And the results have been nothing short of miraculous. During that time we've received countless "praise reports" from viewers who've received phenomenal healings from a broad range of serious and debilitating health issues. Still others have seen miraculous healing and deliverance for themselves or loved ones from injury, drug and alcohol addiction, depression, and other physical and emotional needs.

Now as never before both individual believers and the body of Christ as a whole need to be encouraged in the scriptural truth about healing and health—that they are central to the provision each of us has a right to walk in as God's children through Christ.

Of course, most believers are quick to embrace the truth from Isaiah 53:5 concerning sin and salvation—that Jesus was "wounded for our transgressions" and He was "bruised for our iniquities." But far too many Christians remain uncertain about the powerful truth concerning both emotional and physical healing—that the "chastisement of our peace" was upon Jesus as He made His way to the cross, and "with His stripes we are healed."

As our dear friend and TBN ministry partner, Pastor Joseph Prince, puts it: "The good news is, our beautiful Savior didn't just die for our sins—He also paid the price for the healing of

our sicknesses and diseases with His own body. And because of His work on the cross, we can believe for healing and divine health."

In Psalm 103 King David offers this unforgettable encouragement about the blessings that are ours through the finished work of Christ. "Bless the Lord, O my soul," declares David, "and forget not all His benefits" (v.2)—

*Who forgives all your iniquities,
Who heals all your diseases,
Who redeems your life from destruction,
Who crowns you with lovingkindness
and tender mercies,
Who satisfies your mouth with good things,
So that your youth is renewed like the eagle's. (vv. 3-5)*

Yes, Christ's provision through His suffering, death, and resurrection is complete in every way. There is nothing we lack through His finished work. This truth is what prompted the Apostle John to write the timeless admonition that has encouraged believers through the ages: "Beloved, I pray that you may prosper in all things and be in health, just as your soul prospers" (3 John 2).

Dear friend, here at TBN it is our joy each day to touch viewers like you with these glorious truths from God's Word and to keep them front and center in the TBN programming and content that reaches people around the world twenty-four hours a day.

We're also deeply honored that we have the opportunity to partner with you and so many others who join us in taking the transforming message of God's love to spiritually hungry hearts. Thank you for your prayer and financial support. Because of you countless individuals and families are being touched every day with the good news of Jesus.

COMING IN JUNE

David's Harp Hotel is located above Capernaum near the Sea of Galilee.

◀ *The facility's unique name and logo are inspired by the rich biblical history of the surrounding region.*

TBN HOTEL, STUDIO, AND PROGRAM VENUE NOW OPEN IN ISRAEL

Standing by the beautiful Sea of Galilee just above Jesus' adopted hometown of Capernaum, TBN's very own David's Harp Hotel is now open and awaiting your arrival. Just think about it: With your memorable stay at David's Harp, the historically and spiritually significant, picturesque village of Capernaum, where Jesus walked and ministered, can be a "home away from home" during your next trip to Israel!

As reported in the *Jerusalem Post*, the hotel and resort is built in the shape of a harp to remind guests of the rich biblical history that surrounds them during their visit. The all-new facility has a total of 276 comfortable guest rooms, a restaurant, conference spaces, multiple halls for banquets and larger meetings, and a heated pool.

Additionally, David's Harp includes a state-of-the-art TBN studio, along with a beautiful amphitheater facing the Sea of Galilee that will be used for producing TBN programs, concerts, and worship specials.

Every room and space is designed to enhance the comfort and experience of David's Harp Hotel guests throughout their stay.

TBN president Matt Crouch recalled that in the early 2000s now-Israeli Prime Minister Benjamin Netanyahu personally approached TBN founder Paul Crouch Sr. to invite the network to build a hotel specifically catering to individuals traveling to visit the land of Scripture. "Mr. Netanyahu told my dad that the Israeli government was even willing to donate land in Capernaum to help

move the project forward," recalled Matt. "After some prayer my dad accepted the challenge and finally, all these years later, we're thrilled to announce that the David's Harp Hotel is ready and waiting to welcome our many friends visiting Israel and the land of the Bible!"

He added that David's Harp Hotel is a blessing for many people: "It honors Jesus' chosen hometown and the sea he walked on. It blesses the land and people of Israel, and for that reason it's also a huge blessing to TBN! Beyond that, it blesses the Body of Christ who can personally experience the earliest places where Jesus walked and ministered! We couldn't be more thrilled with this unique partnership."
