FROM THE NINETY9 TO THE ONE

Together We're Reaching the Searching and Lost

Not long ago we did some calculations here at TBN and found that over the past fifty-plus years we've aired nearly 28 million minutes of preaching, teaching, and other life-changing content — all designed to lead viewers to Christ and help them grow in their faith.

Those millions of minutes don't include the countless hours of programming aired by TBN's many international networks, each sharing the same good news of Jesus to every corner of the earth. They also don't account for the more than 765 million people who've viewed around 50 million hours of inspiring TBN content on Facebook, Instagram, YouTube, and other digital platforms in the last year alone!

As to the numbers of souls impacted by all that programming, it's virtually impossible to determine. While multitudes have called our prayer lines since 1973 to confess their faith in Jesus, that doesn't factor in the untold numbers who've made that decision on their own as they've watched a TBN network somewhere in the world.

What we do know is that every individual in that vast sea of souls is a person Jesus has known, called, and pursued with His mercy and grace. Like the parable Christ tells in Matthew 18:12, each searching one is like the lost sheep the shepherd left the ninety-nine to find, to rescue — to redeem.

Of course, the vast majority of these untold millions who've come to Christ through TBN will remain unknown until they are revealed in eternity. However, we do have the joy of knowing a small representation of them through the testimonies they've given of TBN's impact on their lives. They include:

- Anita Wilkins, who never knew her biological father, but discovered the love of her heavenly Father through TBN.
- Mark Martin, who found himself near death because of drugs and alcohol before a preacher on TBN brought him the hope of salvation.

- Chris Wilson, who gained strength and purpose in Christ through the outreach of TBN while serving 18 years in prison for a crime he didn't commit.
- Kayla Matheson, who was filled with self-loathing after facing years of sexual abuse. But at her lowest moment she turned on the TV and was transformed by a night of worship on TBN.

We're so thankful for the privilege God has given us to reach millions of searching souls in every corner of the earth with the good news of Jesus. At the end of the day, however, what brings us overwhelming joy is to hear of that one individual who turns his or her heart to Jesus for salvation and healing. Yes, we're grateful for the many, but like the angels in heaven we rejoice in the one — in each heart reached for Him.

THE KINGDOM SAT

Taking the good news of Jesus to one of the most spiritually searching parts of the world

DR. MICHAEL YOUSSEF

FOUNDER OF THE KINGDOM SAT

HERE'S HOW THE KINGDOM SAT HAS IMPACTED ARAB VIEWERS OVER JUST THE PAST THREE YEARS.

OVER 6,000 have confessed their faith in Christ.

OVER 5,000 have called with questions about Christianity.

OVER 5,000 have called with requests for prayer.

Since 2009 TBN's powerful international partner network, **THE KINGDOM SAT**, has been broadcasting the good news of Jesus in the Arabic language to individuals and families across the Middle East, North Africa, Australia, and New Zealand—a potential of more than 260 million homes of predominantly Muslim viewers. In addition to its satellite channel, THE KINGDOM SAT also delivers biblical teaching, ministry, and encouragement in both French and English to untold millions of viewers across the earth through Roku, Amazon Fire, Apple TV, and other online platforms.

Founded by pastor, author, and teacher Dr. Michael Youssef, THE KINGDOM SAT's life-changing programming and content are anchored by Dr. Youssef's daily outreach, *Leading the Way*, along with teaching and ministry programs from pastors and Christian leaders around the world—translated, edited, and presented to effectively reach Arab viewers with the love of Jesus.

Born in Egypt into a Christian family, Dr. Youssef surrendered his life to Christ at a young age and following extensive training in Bible and ministry went on to found the Church of the Apostles in Atlanta, Georgia in 1987. Dr. Youssef's burden to reach Arab and Muslim people with the Gospel is at the heart of his ministry and is the foundation for the successful outreach of THE KINGDOM SAT.

"What we are seeing God do is remarkable," Dr. Youssef said about the impact of THE KINGDOM SAT. "Hundreds of thousands of Muslims who claim to have seen a vision or a dream of Jesus tune in to our teaching channel. And there they hear about the very One whom they saw in a dream telling them that He loves them and died for them."
