REACHING WORLDWIDE

Together we're touching every nation and people with God's love

Imagine a vast, numberless multitude of people from every corner of the earth, all standing shoulder to shoulder as far as the eye can see before the throne of God, dressed in spotless white robes and pouring out praise to God and to His Son Jesus. That is the awe-inspiring heavenly scene the apostle John gives us in the book of Revelation (Revelation 7:9), of the souls across history who have been redeemed by the blood of the Lamb, all doing what they were created to do—glorifying God forever (Psalm 145).

I cannot think of a greater motivation for those of us who love Jesus to dive head first into the great harvest of souls waiting across the earth. That vision of generations of sinners saved by grace, all praising God before His throne throughout eternity, was

Africa, impacting every corner of the African continent and untold millions of viewers with compelling and culturally relevant teaching, preaching, worship, and more.

Today from North, Central, and South America to Europe, Africa, the Middle East, all across Asia, and beyond, TBN is touching every inhabited continent—over 175 nations—with the good news of salvation, healing, and hope through Jesus in 17 languages and on more than 30 global networks. We are thankful beyond words for God's faithfulness in fulfilling that founding vision of TBN to reach every nation and people with His love.

**“Jesus calls each of us
as believers to take His
passion and love for the
world as our own.”**

— TBN FOUNDER PAUL CROUCH SR.

certainly a strong motivator for my parents, Paul and Jan Crouch, as they launched TBN over fifty years ago, and then prayed and worked tirelessly to extend TBN's impact to every corner of the globe.

I can still remember the first humble door for international expansion that opened for TBN with the 1984 launch of a small TV station in the tiny Caribbean nation of St. Kitts-Nevis—with a population of only 42,000 residents. “Some laughed at this small start,” my dad once recalled, “but we saw it as a downpayment on God's promise to use TV in a global harvest.”

That “downpayment” led to an outpouring of God's blessings later that year when TBN began beaming programming via satellite throughout Europe and North Africa, followed by the launch of our first European station in Italy. By the end of 1985 TBN had three Italian stations broadcasting to over seven million, and today we are reaching over 95 percent of Italy's population with the good news of Jesus 24 hours a day.

In 1987 my father took another step of faith and planted a small TV station in southern Africa's Ciskei territory—the beginnings of what is now TBN

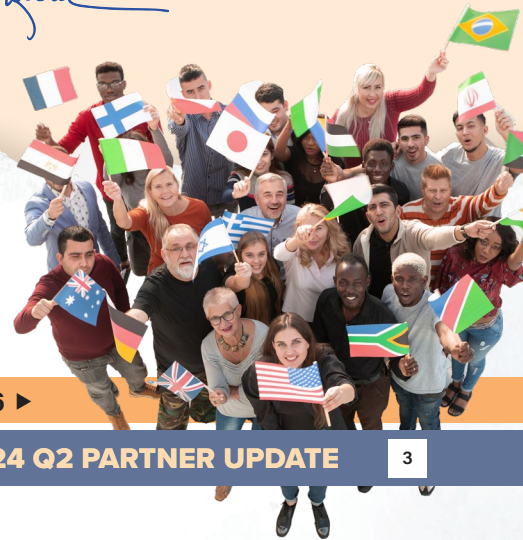

But God didn't call TBN alone to this epic Gospel outreach. From the very beginning there has always been a core of individuals and families who love Jesus standing with TBN in prayer and partnership, helping to assure that every searching soul around the world who needs to hear the message of God's love has unfettered access to it through one of TBN's networks or digital platforms. As my dad said on more than one occasion: “Jesus calls each of us as believers to take His passion and love for the world as our own.”

Thank you, dear friend, for joining us in embracing Jesus' passion for the hurting and lost. Your faithfulness in this mission of His hope and grace means precious souls for God's Kingdom. God bless you.

TOGETHER WE'RE REACHING

EVERY NATION AND PEOPLE WITH THE LIGHT OF GOD'S LOVE

*Say "Yes" with us to the Great Commission
harvest of souls for God's Kingdom.*

Across the earth billions of individuals are waiting to hear and embrace the message of God's light and love. This is the harvest Jesus calls us to in His Great Commission. "Look," He tells us, "lift up your eyes, and see that the fields are white for harvest" (John 4:35).

For the past fifty-plus years we've taken this divine call to heart, using every available resource to broadcast the good news of Jesus to every corner of the globe. But we haven't done it alone. TBN has always been a team effort that includes friends and partners like you who share the passion to take salvation, hope, and healing to as many people as possible until our Lord returns.

"Look ... lift up your eyes, and see that the fields are white for harvest."

Like all of us here at TBN, you're no doubt feeling the urgency of the hour, as the world grows darker and more people than ever need to know about Jesus. The time is now!

This month will you join TBN as we send out the Gospel message across the earth through our more than thirty global networks? Your commitment to reach the lost means souls saved for all eternity.

*Join us today in prayer and with your best love
gift for God's Kingdom. **Thank you!***
