MIRACLES!

God has been performing them since the beginning of time, and through His Son Jesus the miraculous can be a reality for you today! In *Signs and Secrets of the Messiah*, Rabbi Jason Sobel takes you deep into Scripture and biblical culture for a clear understanding of the truth and power behind God's miracles — and to help you see that Jesus is willing, ready, and able to bring the miraculous to your life.

2 CORINTHIANS 5:20

Dear Friend and Partner:

MATT AND LAURIE CROUCH

There is no doubt that we are living in a time of upheaval, change, and shifting across the earth. Wherever you go people are facing uncertainty and are searching for direction and hope. They are looking for something solid upon which they can trust for their lives and their future.

Of course, as Christ followers we have the only relevant answer for all that searching. His name is Jesus, and His life, death, and resurrection opened the way for anyone who will believe in Him to receive forgiveness of sin, salvation, and abundant life (John 10:10). In short, we know the only way for them to become part of the heavenly Father's forever family.

Whether we fully understand it or not, that makes us ambassadors for Christ and His Kingdom. In our world an ambassador is a special, respected individual who serves in an official capacity for a nation or government leader. The role of an ambassador is to represent the position and interests of his kingdom or country. God's Word makes it clear that even though we live in this world, we are not of this world (John 17:16). We are citizens of heaven (Philippians 3:20) and royal representatives of His Kingdom (1 Peter 2:9).

The apostle Paul writes that as those who have become children of God through Jesus, we are now commissioned to be "ambassadors for Christ," showing others how they can become fully righteous and accepted before the Father through the finished work of Jesus (2 Corinthians 5:18-21).

For over fifty years that has been the singular mission of TBN, taking the message of Christ's hope, healing, and salvation to people everywhere, showing them how they can enjoy abundant life through Him. TBN truly is an ambassador for Christ, and over the past five decades we've been joined by countless other individuals just like you through their prayer and partnership in this ongoing mission.

Some have joined us because they themselves came to faith in Christ while watching TBN and they want to pass that blessing on. For others, TBN has helped them grow in their faith and they want to help new believers grow in the Lord like they have. Still others have joined us because of their deep desire to share the Gospel with as many people as possible, and their recognition that TBN is "good ground" into which they can sow their prayer and support. All of these are fellow ambassadors for Christ through their partnership in TBN's global outreach of God's love.

***As those who have become
children of God through Jesus,
we are now commissioned to be
"ambassadors for Christ."***

Friend, how about you? The fact that you are reading this letter likely means that you have been touched by the programming and ministry of TBN. As we continue to cover the earth with the love of Jesus, we would be blessed and honored for you to come alongside us in this mission to reach as many hungry hearts as possible with the life-transforming message of salvation through Christ.

Would you prayerfully consider joining us as a TBN Ambassador? Your partnership will mean salvation, hope, and abundant life through Christ for individuals everywhere.

We love you,

Matt and Laurie Crouch

Covering the United Kingdom

With God's Hope and Grace

Every day your prayer and partnership are helping us reach over 65 million spiritually hungry individuals across the United Kingdom with the good news of Jesus. Since its launch in 2015, our TBN UK network has been available in 95 percent of homes throughout England, Scotland, Wales, and Northern Ireland. Today TBN UK is delivering life-changing

programming and content to viewers in every corner of the UK through two popular nationwide platforms, Freeview Channel 65 and Sky Channel 582.

"We are more excited than ever by what God is doing through TBN UK," said network director Richard Fleming. "Individuals and families throughout the nation are open and searching for something greater in life, and every day we are clearly communicating the message of salvation and the hope and peace they can have through Jesus."

From teaching and ministry by UK pastors, Christian leaders, and ministries, to music, worship, and other specials, TBN UK is providing compelling programming and content that is leading people to Jesus and encouraging them in their faith.

As it has for several years, in May TBN UK covered the popular Big Church Festival that brought over 30,000 people together for cutting-edge Christian music, worship, and teaching. Additionally, the network was on hand for a massive

TBN Reach America's Prisons

Since 2007 TBN has been reaching out to inmates across America through our TBN 2nd Chance initiative, taking TBN's life-changing networks to where God's love is so desperately needed — our nation's prisons. To date TBN has provided equipment and installation in more than 1,300 correctional facilities, offering over one million inmates three of our most popular channels: our flagship TBN network; TBN Inspire, providing Christ-centered teaching and worship; and Positiv TV, featuring exciting movies filled with faith and positive values.

Most recently, TBN has partnered with over 300 prisons to provide thousand of inmates with TBN programming downloaded to personal tablets. Through ministry and teaching from Christian voices like Joel Osteen, T.D. Jakes, Joyce Meyer, Jentezen Franklin, and many more, prisoners are receiving the message of salvation and being mentored in their faith through this innovative digital technology. "Tablets allow inmates to be impacted by TBN's digital content right in their cells," explained TBN 2nd Chance director Mark Reynolds, "helping to personalize their

connection to the message of God's hope and grace."

Earlier this summer the TBN 2nd Chance team, led by Reynolds and evangelist C.J. Orndorff, traveled to Alaska to minister personally to inmates at correctional facilities in Anchorage, Fairbanks, Seward, Soldotna, Kenai, and Palmer. And later this year the 2nd Chance team will minister to inmates at prisons across the northeastern United States. Reynolds said the face-to-face meetings with prisoners bring a deeply personal element to the TBN 2nd Chance outreach: "When inmates walk up to you and tell you how the daily presence of TBN has brought stability to their lives and hope for their futures — nothing can top that."
