SHARING GOD'S LOVE WITH A NEW GENERATION

Dear Partner and Friend,

Please take a quick moment to read and reflect on our exciting theme above—**Summer Shines Brighter With TBN**. That simple phrase offers a clear picture of what you can expect throughout this glorious summer season as you tune in to TBN via live television or through one of our many on-line platforms: Exclusive, relevant, cutting-edge content that is entertaining and engaging—and that clearly communicates the incomparable message of God's hope and grace! Yes, summer is in full gear here at TBN and we're excited for you, your family, and others you want to impact for Jesus to join us for all the programming, praise, entertainment, and inspiration we've prepared for hearts hungering for truth!

For Laurie and me, summer has taken on an extra-special glory and shine, as we recently became grandparents for the first time. That's right! On March 26 our son and daughter-in-law, Cody and Audrey Crouch, celebrated the arrival of their son, Shai Alexander. And as you might imagine, this bright-eyed bundle of pure joy immediately captured the hearts of Laurie and me, and he's been the center of our attention ever since.

... faith in God is not cultivated by accident or happenstance. It happens intentionally, and the best way is for parents—and grandparents—to model and teach the love of God to their kids and grandkids.

I don't mind confessing that, just as when I held my two boys, Caylan and Cody, at their births more than a few years back, cradling Shai for the first time caused an overwhelming love—and a sobering sense of responsibility—to well up inside me, as I pondered the uncertain, chaotic, and sin-sick world Shai will grow up in. The truth is that as parents and grandparents, we all have an important job to ensure that those following us are given a straight road to follow—a path that will lead them to know and love Jesus.

God's Word for Kids

As parents and grandparents, we have the privilege of introducing our children and grandchildren to the joy of God's Word. And there's no better resource than the TLV *Grow With Me Coloring Bible*. Taken from the classic *Tree of Life Bible*, this age-appropriate Scripture resource offers a year-long collection of Bible verses, story by story from Genesis to Revelation, specially selected for children and families. Each story includes a fun, creative page for children and parents or grandparents to color together.

For your gift of \$25 or more, we'll send you the TLV *Grow With Me Coloring Bible* with our thanks for your partnership with TBN in sending God's gift of love around the world.

Call toll-free 1-800-760-6589 or visit **TBN.org/GrowWithMe**

Scripture is clear that not only does God want us to follow Him with all our heart, soul, and strength, but to lead our children in the same path, teaching and talking with them about His Word and His ways "when you sit in your house, when you walk by the way, when you lie down, and when you rise up" (Deuteronomy 6:5-7, NKJV). Similarly, Proverbs 22:6 (NLT) tells us, "Direct your children onto the right path, and when they are older, they will not leave it."

The point here is that faith in God is not cultivated by accident or happenstance. It happens intentionally, and the best way is for parents — and grandparents — to model and teach the love of God to their kids and grandkids. Sadly, that is something which has fallen out of favor in our present world. The good news is that together as Christ followers, we can be the Holy Spirit-led catalyst for a powerful restoration of faith in God and spreading the good news of Jesus to every dark place that needs His love, salvation, and healing.

That, dear friend, has been the grass-roots goal and mission of TBN for over fifty years, as partners like you step alongside us through your faithful prayer and financial support. Today we are airing more Christ-centered programming and content than ever before — over 1,400 hours every month via broadcast, cable, satellite, and online platforms. And it all happens because of your caring, sharing, and committed partnership.

During this crucial summer season, will you join with us as we use every tool and technology available to shine the bright light of God's love through Jesus to every home and heart? Your gift today will help us continue this vital work so that future generations — including our children and grandchildren — can grow up knowing who Jesus is and how deeply they are loved.

Thank you for being a faithful part of this mission. Together we can leave a legacy of faith for those who come after us.

God bless you,

Matt and Laurie Crouch

DEVOTIONAL

The Power of His *PRESENCE*

BY PASTOR D ROBINSON

*Pastor D Robinson is the TBN Networks Pastor and
Vice President of Pastoral Relations.*

What I've always loved about Scripture is how God weaves His presence through every person and story, every chapter and verse. He is present and powerful in each book of the Bible, faithfully revealing His glory, lordship, and justice — as well as His mercy, compassion, and love for all of humanity.

One of the most intriguing books in all of the Bible is Esther, the Old Testament story of the Jewish girl who becomes the queen of Persia, and so is perfectly positioned to save the children of Israel from annihilation at the hands of an evil man. What is, perhaps, most fascinating is that while God is never directly mentioned throughout this riveting account of faith and courage, His presence is evident in the ways He works "behind the scenes" through altered circumstances, transformed hearts and minds, and the culminating justice against wickedness that paves the way for the deliverance of His people.

*God is
always
present
with
You!*

Dear friend, I want to encourage you that just as Esther experienced, you can be assured that God is always present with you — even when He seems distant or absent — and He is always working for your good (Romans 8:28).

Wherever you find yourself in life today, take courage! God has promised He will never leave or forsake you (Hebrews 13:5). You can have perfect confidence that in every season and circumstance God is with you, He is in you, and He is for you. The power of God's presence makes all the difference!

If you have a prayer need or a praise report, you can reach one of our prayer partners at [TBN.org/Prayer](https://www.tbn.org/Prayer).
