THE HEALING POWER OF FORGIVENESS

Dear Partner and Friend,

In just a few weeks on October 1, individuals around the world will observe Yom Kippur — the holiest and most important day of the Jewish calendar. For a period of 25 hours on this high and holy day, celebrated for thousands of years, Jewish individuals, families, and congregations will turn their attention to God through such practices as prayer, fasting, reflection, mending relationships, correcting wrongs, giving charitably — and seeking God's forgiveness for the sins of the past year.

Laurie and I have been in Israel on many occasions during Yom Kippur, and the solemn transformation of life there during this holy day is something to witness. Airports, city traffic, business, recreation, and everything else comes to a full stop as nearly everyone focuses their attention on important issues that transcend our daily world.

Central to Yom Kippur is a theme that is vital to the wellbeing of every person: forgiveness — both receiving it and extending it to others. In fact, it is so essential that Dr. Karl Menninger, a pioneer in early psychiatry and mental and emotional health, once said that if patients in psychiatric hospitals could be convinced that their sins were actually forgiven, a majority of them could walk out of the hospital and go home. That is the power of forgiveness!

"... God has made the way for each of us to receive forgiveness and walk in it every day."

But it's also sadly true that many people find it hard to believe they really can be forgiven — that the gnawing guilt they've carried with them so long can be taken away. The good news is that God has made the way for each of us to receive forgiveness and walk in it every day. John 3:16 tells us that "God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life."

Scripture is clear that we can't be righteous on our own, because "all have sinned and come short of the glory of God" (Romans 3:23). That is why God reached down with His mercy through Christ to bring us

forgiveness. And this miracle of forgiveness through Christ happens in three ways:

We are freely forgiven by God. Ephesians 1:7 tells us that we receive redemption by the blood of Jesus — "the forgiveness of sins, according to the riches of His grace." Through the finished work of Christ, we can live each day in the confidence that we have been fully forgiven.

We are free to forgive ourselves. Romans 8:1 assures us that there is "no condemnation for those who are in Christ Jesus." Similarly, 2 Corinthians 5:17-18 says that by receiving the free gift

FIFTY+ YEARS OF MIRACLES!

Matt and Laurie Crouch host this powerful documentary that tells the miraculous story of TBN's global outreach of God's love.

THE HEALING POWER OF FORGIVENESS

of salvation through Christ, each of us becomes a new creation: "The old has passed away; behold, the new has come." Because God has forgiven us, we have the freedom to forgive ourselves and to release the guilt and remorse of our past.

We are free to forgive others. In Matthew 18:21-35, Jesus emphasizes that in order to follow Him we must forgive others, just as we have been forgiven. Of course, that doesn't happen through our own efforts. It takes the Holy Spirit empowering us so that, as we're admonished in Ephesians 4:32, we can "be kind to one another, tenderhearted, forgiving one another" — just as God, through Christ, has forgiven us.

Friend, forgiveness is key to freedom, and at TBN our mission every day is to be a lifeline of hope that ministers the healing power of God's forgiveness to the hurting, the hopeless, and those lost in sin. Many will never step inside the walls of a church or have someone in their lives who will tell them: "Jesus loves you and you can be forgiven!"

But 24 hours a day in homes, hotels, hospitals, prisons, and countless other places, TBN is available to bring comfort, encouragement, and the incomparable message of God's hope, grace, and forgiveness through Christ.

The outreach of God's love through TBN happens through the prayer and financial support of individuals like you, who share our passion to freely give this message of forgiveness and freedom through Christ to the many who need it.

Thank you for joining us today with your gift of support to TBN.

God bless you,

Matt and Laurie Crouch
