Joy in Our Town

This month's *Joy in Our Town* programs featured Athena Sorensen hosting programs with Cindy Bauer and Daniel Balogh of Surfing the Nations, Carolina Jesus from Shelter of Wisdom, and Landon Mauricio of Called Youth. We count it a blessing to be able to share these awesome programs and resources with the people of Hawaii.

Community Involvement

KAAH Station Manager Cheryl organized and attended the Hawaii Christian Coalition (HCC) 19th Annual National Day of Prayer at Hawaii's State Capitol, where many pastors and ministry leaders gathered in fervent prayer for our state and nation. See photos below.

KAAH is partnering with Hawaii Family Forum and Kawaiaha'o Church for a back-to-school outreach for children in July. TBN and KAAH will provide SMILE network bags for the children to put all goodies from the exciting day and for them to use for school.

We will also be supplying SMILE bags to Molokai Baptist Church for the children that attend their youth camp. Molokai is the most impoverished island in our state.
