SOCKS FOR SENIORS - 2016

REACHING OUT TO THE COMMUNITY

We'd like to thank everyone who gave to this year's **Socks for Seniors** campaign. It was another year of joy and good cheer at the nursing home because of YOU! We'd also like to take this time to thank New Beginnings Church. Together we gave the precious residents soft, warm, cozy, and colorful socks and sang Christmas carols.

"Maybe
Christmas,"
he thought,
"doesn't come
from a store."
"Maybe
Christmas,
...perhaps ...
means a little
bit more!"
♥

Joy in Our Town

Many wonderful leaders in our city and surrounding areas were featured on our public affairs program, *Joy in Our Town*. This month we had the privilege to meet someone new at our station. He is Caleb Cooper, Senior Pastor of New Hope Revival Church located in Truth or Consequences, NM. He is currently praying

for a revival in 33 counties throughout our state (map shown above). Pastor Caleb told us he wants to see a “synergetic revival awakened by the past, employed by the present and mobilized by the future throughout New Mexico.” The prayerful journey runs January 7 – 15 as he will be praying with numerous churches throughout

our state. Pastor Caleb talked about how a life surrendered to Jesus Christ is the answer to many social concerns, most especially to the family unit and children.

We look forward to working with Pastor Caleb in the coming New Year.
