NEW MEXICO PRAYS

A MOVEMENT OF CHURCHES COVERING NEW MEXICO IN 24/7 PRAYER

KNAT attended and participated in the *NM PRAYS* monthly prayer gathering at New Hope Full Gospel Baptist Church with Bishop David C. Cooper.

KNAT's station manager, Cindy Mansfield, was invited to open the NM State Legislative Session in prayer on February 6, 2017. She began by telling the legislatures that whenever her grade school teachers would call upon her to recite a poem, perform a reading, etc., she would get so nervous that her knees knocked. She told them that in case they heard something that sounded like maracas, it's really her knees knocking. Almost immediately, laughter filled the NM House of Representatives. Just then, the Speaker of the House began to loudly knock on his desk and everyone burst out in laughter, again. God's joy was felt that day.

Thank you, Jesus! <><
