New Beginnings!

Congratulations to Gary Pratz, Assistant Engineer/Production Manager on a wonderful career of 25 years at TBN/KNAT-TV! Happy Retirement and best wishes, Brother Gary! It has been our pleasure to work with you throughout the years! God bless you, always!

Isaiah 43:19, “Listen carefully, I am about to do a new thing, Now it will spring forth; Will you not be aware of it? I will even put a road in the wilderness, Rivers in the desert.”

God is doing a new thing here in the desert southwest at TBN/Albuquerque. The word “transition” describes what’s been going on at KNAT within the last few months. We’ve welcomed to our family Thresa Vigil, Administrative Assistant; Assistant Engineer, Alan Castorena and Video Editor/Audio Engineer, Aron Hethcox. We also bid farewell to Daniel Holoubek as he moved on to heaven and we are now experiencing the retirement of our friend and colleague, Gary Pratz after 25 years of faithful service to TBN. After losing two of our TBN/ABQ family members, we weren’t sure how we were going to move forward. As a result of many prayers, we are springing into action with a renewed passion! I especially love where the scripture says, “I am about to do a new thing... I will even put a road in the wilderness, Rivers in the desert.” Enthusiastically we say, “LORD, let the rivers flow!”
