Portland

May, 2017

Larry Haley, Director of Network Operations, assessing our equipment on his recent visit.

KNMT donated some gently used items to the Union Gospel Mission. These items included old furniture and decorations that will be sold in their thrift store. All profit goes to help the homeless and UGM's long term recovery clients. We also donated two boxes full of disposable cups.

LETTERS:

*"When William Young did an interview with you, what an impact. When he explained clips (of the **The Shack**), that had a moving impact... This was healing and helpful. Thank you."*

"Thank you for being there. I watch TBN continually. No other station is ever on and if TBN was gone, I'd throw out my tv!"

"I lost my wife last June. I could not have made it without good God fearing people like Matt & Laurie standing strong, helping every day to spread the Gospel of God's salvation through our Lord Jesus."

Pastors from area churches met in our chapel to plan for an event that will be held at Pioneer Courthouse Square this summer.

Pastor Daniel Fusco of Crossroads Community Church in Vancouver was part of KNMT's local PTL program. *REAL with Daniel Fusco* is a new program that airs on the Hillsong Channel, Friday's at 10:30PM (PST)

KNMT ran spots for two weeks announcing an upcoming Joyce Meyer conference.
