

## Joy In Our Town Production

We have completed another great production of our *Joy in Our Town* showcasing all the wonderful Christian ministries in the valley using Christ-centered solutions to reach the needs of our populations.

Pastor Gus Korkostelos from Fire & Water International Church brought Kent and Jamie Archer from Resurrection Ministries to discuss homelessness. Resurrection Ministries provides clothing and food to our Homeless population. After their service, they connect them with organizations to help them get off the street that day. Finally, they provide accountability to help deal with the root issue that caused the homelessness. We also welcomed Jay Cory, who is the President and CEO for Phoenix Rescue Mission. Phoenix Rescue Mission is an organization that Resurrection Ministries partners with. They have emergency shelters and programs for men and women to help them get off the streets and stay off the streets! They are a community mobilized to transform lives and end hunger and homelessness. We are very excited for these programs to air as we continue to connect with our community and highlight other ways individuals can find Jesus centered solutions for the problems facing our valley!

## *TBN Phoenix Attends Joyce Meyer Conference*

Our local TBN station was blessed to attend the annual Joyce Meyer's conference and engage with our local community. The conference, held every February at Dream City Church, welcomes people from all over Arizona and the southwest. We were able to meet individuals from Flagstaff, Lake Havasu, and California and share all the wonderful ways viewers can access Joyce Meyer's daily program on TBN's platforms. Joyce gave practical ways that we can resist the devil in our lives and welcome the presence of the angelic. Adam Ranney and Jordan Jones led worship for the conference. Several of our Tier 1 operators were hired by Joyce Meyers Ministry to assist in the media production. The teachings from this conference will be airing on Joyce's program "Enjoying Everyday Life" on TBN very soon!

## ***Vanessa Graduates the Citizen's Phoenix Police Academy***

*Joy in Our Town* host and KPAZ Public Affairs Director, Vanessa Rose spent two months in the Citizen's Phoenix Police Academy, learning about our Phoenix PD and participating in some of the training exercises that our police go through to become an officer. Throughout the training, our officers were impressed with Vanessa's shooting skills and let her know if she wanted a job, she should inquire. This month, Vanessa graduated the academy. Concerning the experience, Vanessa shares, "Our men and women in blue are each unique, passionate and truly special people. I have always had respect for them but it has risen to a new level. Please, take time to get to know our law enforcement and always give them a smile or a thank you."

## ***See You Next Week!***

Looking forward with joy and anticipation to being united together again at our Manager's Meeting next week, and learning of all the wonderful things God is doing in your communities through your local station! It is a blessing to serve alongside each one of you.

For as the body is one and has many members,  
But all the members of that one body,  
Being many, are one body,  
So also *is* Christ.
