KTAJ Local Ministry Outreach

TBN KC partnered with *Mid-City Excellence Learning Center* as a corporate sponsor for the annual Martin Luther King, Jr. Solutions Summit luncheon. This event brings the community together to address the issue of racial unity and conflict resolutions. Station Manager, Julie Cluck was honored to meet with civic leaders, Pastors and community residents to share ideas to prepare our city's success for the next generation. Please call KTAJ to learn more about becoming a volunteer for this Christ centered ministry.

# TBN Kansas City's Highlighted Guest of the Month!

KTAJ hosted a very memorable guest this past month, Cassandra Dickerson with the *Little Warrior Princesses Ministry*. Four years ago she and her husband were the parents of premature twin girls who required hospitalization for four months in a neonatal unit in a Kansas City hospital. The Dickerson's experienced firsthand the hardship that many of the other parents of hospitalized children faced of not being able to afford the extra expenses of food and gas money during the long stay to be with their children. That's when the Dickerson's began this ministry; *Little Warrior Princesses*. The ministry provides free gift cards for food and gas to the parents of hospitalized children. The Dickerson's love for Jesus has truly been shown in their selfless giving to provide for others and their story has been shared on numerous National Medias.
