## Major Production Synopsis

*Partner Time* is our weekly behind the scenes show. This is where we cover TBN in Africa's vision, update the viewers on what is happening behind the scenes and how they can partner and make an impact on the continent of Africa and across the world. Every show concludes in a short message for the viewers. We also welcome our new co-host, Doreen King to Partner Time.

*TBN Meets* is a premium lifestyle program that celebrates the best that Africa has to offer. This weekly program features some of Africa's most talented individuals, as well as those who make a difference in, and impact the lives of, their communities. Presenting the show is Loyiso Bala, a multi award winning singer, songwriter and producer.

- In the twenty eight episode Loyiso interviews Lukas Korff, evangelist, fitness enthusiast and family man who (in his own words) is a devil butt kicker with a bit of a hip hop swagger. Lukas Korff lives to inspire. Born and raised in Hillbrow, Johannesburg, you can already imagine the kind of lifestyle that he was accustomed to growing up. But after a successful career in the financial sector, Lukas lost everything and in the midst of his depression, God graciously raised him up to become even a better type of the successful man that he was previously. He is now a multi world record breaker, a speaker, narrator, songwriter and entrepreneur. He inspires millions across the world with this MOTTO that says.... STAND!!!!
- In the twenty ninth episode Loyiso interviews Lindani Ndwandwa, a celebrity stylist turned fashion designer and the Creative Director of the fashion label, Lindani Styling. He is the creative mind behind many of Joyous Celebrations colorful, bold and stunning garments and he has styled many well known gospel and secular celebrities.
- In the thirtieth episode Loyiso interviews Basetsana Kumalo, executive Chairman & CEO of Basetsana Woman Investment Holdings. She is also the Executive Chairperson of Tswelopele Productions, a television production company, which produces Top Billing, Pasella, amongst other Television shows and she is the co-founder of Connect TV, which produces reality shows such as Our Perfect Wedding, Diski Divas, Date My Family and Utatakho. Of all her achievements Basie is a true ambassador of the Kingdom of God. She exemplifies the virtuous woman, according to Proverbs 31, in every sense.
- In the thirty first episode Loyiso interviews Ntimbwe Mpamba. Born in Zambia he has lived with the HIV virus for over 33 years, making him the longest person in Africa living with the virus. Ntimbwe has been used for ARV experiments where he has evicted the grave on many occasions. At times, doctors would tell him that his life was over. And that he should just go home and die. Yet, here he is! Full of life, love and a passion to be an inspiration to anyone who may think that it is over.
