

# TBN Salsa May Report

TBN Salsa continues to grow in the month of May. We currently have 4,300 followers on Facebook!

TBN Salsa was in Dallas this past month where I got to join forces with Pastor Ruben and Susan Mendez from Cornerstone Church of San Antonio. Their cooking show *Esencia* will begin to feature Latin American dishes like the one pictured on the left called "Nuegados de Yucca."

We also interviewed Christian singer Aaron Shust and Blanca at the Bible Tour in Dallas, Texas. They both shared about their experience in the Holy Land.

Blanca pictured below, also shared about her heritage as a 2<sup>nd</sup> generation Puerto Rican.

TBN Salsa also attended the Jumpstart Conference in Chicago, IL with Pastor Choco at New Life Covenant Church. We taped Joel Osteen (pictured on the right) and Joyce Meyer's messages for the church and will be using the footage for future *Praise the Lord Salsa Style* shows.

One on one interviews were also held in the green room of New Life Covenant Church with Pastor Choco and his lovely wife Elizabeth.

Pictured on the right was a powerful moment that took place after the taping of Faith With Flavor where God gave us a word about the growth of TBN Salsa with Kat and Jorge Vazquez from Revolution TV. God said TBN Salsa would continue to grow. Praise The Lord!
