Extracts from letters to TBN UK

S, February 21, 2017 -'Thank God for Joseph Prince. Thank God for Leon Fontaine. Thank God for Joshua Dara and thank God for Andrew Owen. Thank God for TBN!'

Wilf, February 21, 2017 -'I am amazed at the richness and diversity of the programmes. At 89 years of age I am being mightily blessed, encouraged, and being led into a deeper relationship with the Holy Spirit, fear less, unexpected meetings with those who need to know that God loves them, and so much more in Jesus name.'

Joyce, February 22, 2017 -'Dear Richard and Leon, I do not have a computer so I can't email you. I want to say how I look forward to *Partner Time*. This week I was moved to tears by Leon's talk and by his beautiful prayer. I am thrilled by the fact of the impact you have on people, especially new Christians. Remember our God is counting. "The full number of the gentiles". What a privilege to know you helped to bring many in. Jesus is coming so keep doing what you are doing. I see Jesus in you both. It shines. Much love. God bless you.'

Karl and Tracey, February 23, 2017 -'Dear TBNUK, I would like to say how much your broadcast on Freeview has blessed us since we discovered them in the early part of last year. It is so wonderful to find a Christian channel in the mass of secular programming that is easy to access (not via subscription channels). I recently received a small inheritance and would like the enclosed to go towards the costs of keeping TBN on the air. Bless you for your passion to reach into the UK as well as others parts of the world with God's love.'

Keith, February 23, 2017 -'Dear Brothers and sisters in Christ, I have the pleasure in enclosing my cheque as a gift aid donation in the tax year 2016-2017. I give thanks for all your work for the Lord last year. My wife and I continue to enjoy channel 65, particularly watching Joyce Meyer in the evening, which provides a peaceful climax before retiring for the night. Again many thanks, Love in Jesus.'

John, February 23, 2017 -'Thank you for programmes on TBNUK, they are such a delight to watch every day.'

Shirley, February 23, 2017 -'Thank you for your prayers for me regarding requests I have made through writing and phone, also for the special gifts each month.'

Khady, February 27, 2017 -'Last week I phoned you and asked one of your prayer members to pray with me about a lady called Natalie. She was being operated on for a brain tumour and doctors gave her a very slim chance of survival. Hallelujah she has had the operation. She is alive and doing very well. Giving thanks for the person that prayed with me. A woman prayed with me that she would not die but the operation (would) go very well and that she (will) live for many more years. Natalie is alive. Many thanks again. Praise God with love in Jesus.'

Sarah, February 27, 2017 -'I would like to take this opportunity to thank God and you for the wonderful encouragement and faith inspiring ministry which we receive on TBN UK, also the films. I have been encouraged by your personal testimony of how God overruled over a £100,000 VAT bill, and reversed a decision about it. I have been encouraged to trust God to extricate us from a Time Share situation which is in place until 2045.'

Irene, February 27, 2017 -'Thank you for the ministry of TBN UK. As I am 85 years old, and my favourites are RT Kendall, Dr Jeremiah, Michael Youssef, Joseph Prince, Jewish Voice, Joyce Meyer. Keep up the good work, God bless.'

R, February 27, 2017 -'I take pleasure to enclose a cheque to TBN UK to enable you all to continue the work of God our Father, and our Lord Jesus Christ on TV.'

Peter and Helen, March 2017 -'Thank you for the prayer cover you gave us and for standing with us as we interceded for Sophie (their daughter-in-law). We have appreciated how globally the family of God were crying out to God. Thank you Jesus. We have been standing on Psalm 40: 1-3. We bless you and Thank God for you. May the Lord bless you back a hundred fold.'

Mrs J, March 2, 2017 -'You have so blessed me with the good news of TBN UK. Please stay and do not ever change your messages!! All my love in Christ.'

Susan, March 2, 2017 -'May God bless the donations and all who serve him and I pray that God will bless the workers and the receivers of His Word. Praise his powerful name. God bless.'

Winnie, March 6, 2017 -'Dear brothers and sisters at TBN, I am delighted to enclose this cheque toward the wonderful work you are doing for the Lord. It has been a blessing to me and I pray for you all daily. I pray that many will come to know Christ as Saviour and grow in the knowledge of him. Thank you with Christian love.'

Mrs C, March 6, 2017 -'Thank you for the gifts. I watch TBN every night and know that many of your programmes have been a blessing and I am sure others watching. May the good Lord keep you and bless you. Keep up the good work.'

Elizabeth, March 6, 2017 -'When Jesus turned the water into wine in John's gospel. He made the best wine. When Jesus brought us a Christian channel, he brought the best TV channel, at the best time and he is accomplishing the "best results." He does all things in his perfect way. Amen!!'

Mrs M, March 6, 2017 -'With many thanks for the wonderful resources which my husband and I have found so helpful and encouraging through difficult times.'

Extracts from phone calls to TBN UK

Janice, February 20, 2017 -'It was a fantastic day in 2015 when TBN UK came on Freeview.' TBNUK is a blessing to her and many others. Everything is wonderful. You can switch on anytime and get something spiritual.'

Thomas, February 21, 2017-'What a brilliant channel you put on.'

Lin, February 21, 2017 -'Thank you for including the video of the song "Turn Your Eyes upon Jesus" on TBN Play. I originally saw the video back in January 2015 when TBN UK first launched, and I wanted to buy a copy, however, the song is only available for sale in America, and is quite costly. I just wanted to say thank you TBN, and hopefully you will keep playing the video.'

Simon, February 21, 2017-'I've been watching TBN UK for the past 3 weeks and I have not switched it off since. It's good to see the programmes are preaching the gospel and are not focused on making money. I could listen to each and every preacher/teacher on the channel. Well done TBN!'

Simon, February 24, 2017 - A friend suggested that he should watch TBN UK, and he was skeptical about Christian TV but he tried it and now thinks it really refreshing, positive and it has changed the atmosphere in his house. He now doesn't turn it off!!

Harry, February 28, 2017 -'He enjoys the praise times it has the ability to bring out the scriptures. He is blessed by them.'

Bina, February 28, 2017 -'We prayed for her stomach and her legs and she now feels much better and she thinks that she has received healing.'

Anon, February 28, 2017 -'She called in to say that she loves TBN UK. She has fallen in love with it and the Lord. TBN UK has taught her many things. She loves the channel.'

Sharon, March 2017 -'I've been through quite a traumatic time myself and can't stop watching TBNUK! The last 5 years have been hard. I cared for my mum and had no time for myself so now I'm catching up. I felt like I was in a dark pit but it's like God has lifted the pain off. The Lord wakes me early in the morning to watch programmes. I feel really happy, and through the messages I've listened to I've now got the confidence to go to God and claim what's mine -it feels like your first love!'

Margaret, March 3, 2017 - She has recovered from breast cancer and was due to be released from the clinic. However during her last check-up, the doctor had some concerns and requested she returns to the hospital for another check-up and a mammogram. Just before attending her appointment, Margaret called the prayer line and asked Victoria to pray for her health and the appointment. Margaret says the check-up went well and there were no issues.

Extracts from phone calls to TBN UK (continued)

Sunita, March 6, 2017 - 'Victoria prayed for me to find work as I had been unemployed for 6 months. I asked Victoria to pray for me to find employment, and for me not to lose my car, because I was at risk of losing my car due to having no stable income from unemployment. I went for a job interview, and 2 hours after the interview I received a phone call from the company telling me my interview was successful and offering me the job. I thank God for the new job, and I am able to keep my car!'

Linda, March 8, 2017 - She had a problem in her left leg. She has 2 children and a husband so things were difficult in the home. She was told that she needed several weeks to heal. She prayed for help. One day she was watching TBN and there was a word of knowledge. Exactly as she prayed she was healed. It was absolutely unbelievable, even her husband was in awe.'

Shirley, March 9, 2017 - She lost her husband a few months ago after 64 years of marriage and said: "For shut-ins like me, the blessing TBN UK give me is wonderful, wonderful! Once I discovered the channel I was excited. I look forward to Sundays. All the chores are done so that I can sit down and watch. My husband used to love watching the programmes. He's in heaven now but I still miss him so much."

Ruperta, March 14, 2017 - She telephoned to say that she was looking for a channel to watch and she stumbled on TBN and is now always watching and listening. One morning while walking around she heard a voice in her head to pray and stand to put her hands high and pray. For about 2-3 minutes she felt she had no more strength, her faith went down and she was confused. Then she heard Jesus say "Follow My Steps, go around the world, heal the sick. Help the poor." She then felt at peace and responded "I will follow you". She had a sister in hospital for cancer, she was swollen and had no appetite for one week. Ruperta was praying for her. When she rang the hospital she was told that her sister had gone home and that nothing was wrong with her there was no cancer in her body.'

Lucy, March 17, 2017 - She called to say the *Praise* programme of 16th March was life changing. It was George Matthew and a Nigerian Bishop. They prayed for the sick and she got healed. She has not slept properly for a long time. She slept last night for the first time. Her feet are healed and she can walk without pain. She was so blessed, so blessed, so blessed (she kept saying). She is healed all over. Jesus has healed her.
